## President's Report

The decision of the West Canberra Football Club to cancel the Affiliation Agreement with the Belconnen Football Club and field a team in the Monaro competition, was a backward step for the development of our game in the Belconnen area and a kick in the guts for our Club. We must all put this stupid decision behind us and push ahead to have one totally united Football Body in the Belconnen area, operating out of the West Canberra Football Club. Both Clubs are crying out for success on the football field and I ask anybody who is interested in this great game of ours to become involved.

This season our First Grade team was more competitive and making the Finals was a goal of the Club. We must retain all our present players and with selective recruiting (two key players), our goal for next season should be a Grand Final appearance. The Reserve Grade team went close to bringing home the premiership. The loss by two points left us all bitterly disappointed, but our boys did the Club proud in what was a great Reserve Grade competition. The Colts team was disappointing in that the players did not show their true football ability week in and week out and, as a result, paid the price by not making the Grand Final, which they clearly should have done.

It was a sad time for the Club when our esteemed member Robert "Andy" Anderson passed away in July. Andy gave so much of his time for so many people at the Club. He truly was a great man.

Neville and Julieanne Hickmott will be leaving Canberra later this year and will be a huge loss to the Club. The work carried out by them both has been remarkable. We wish Julieanne, Neville and family all the best for the future.

There are many people to thank for their efforts in helping to make our Club a growing success. Our trainers, Peg, Kimbo and Steve have been a professional outfit all year and bring credit to our Club. The Ladies Auxiliary has again done a great job in helping on match days with the canteen, plus supplying after game drinks and match day awards. Peter Schlesinger has been great on match days as timekeeper and throughout the year as the Club's Publicity Officer. Michael Sek, Pat Brazel, Les Craig and Neville Hickmott were also of great assistance throughout the year as team managers. The Club is indebted to the following for the support and effort provided by each of them throughout the year:

John Harper - Senior Coach, Marc Housley - Reserve Grade coach, Shane Evans - Colts Grade coach, David Bennett - Chairman of Selectors, Peter Taylor - Selector, Reg Frankel - Recruitment and Michael Price - Treasurer.

To our sponsors, thanks from us all at the Club. Your support is very much appreciated. A special mention to our major sponsors, Westfield Shoppingtown, Shane Evans and Graham Green. Your generous support has contributed greatly to the success of the Club this year.

I would like to pay a special tribute to Frank Goddard for the work he does for our Club. Frank's enthusiasm for Australian Rules football and the Belconnen Football Club in particular, has made him a legend within the Club and this is reflected in the time and effort he has put into producing this Annual Report. In recognition of his service to football, Frank this year was the recipient of a National Australian Football Council Merit Award for Outstanding Service to Australian Football.

## Treasurer's Report

This report relates to the period 1 October 1993 to 30 September 1994.

As a result of additional sponsorship and successful fund-raising, the Club has improved its financial position during the year. It is important to build on this progress over the next few years.

The income target for the year was \$84250, with the actual figure being \$79100. A breakdown of fund-raising is as follows:

|                  | 1994           | %    | 1993            | %    |

The expenditure budget for the year was set at \$74745, with the actual being \$73800.

Many thanks to everyone involved in fund-raising, especially Neville and Julieanne Hickmott and the Ladies Auxiliary. To Neville and Julieanne, thank you for your efforts during your association with Belconnen and good luck for the future in whatever you do.

Thankyou once again to our major sponsor, Westfield Belconnen. Your continued support is paramount to the Club's development and success.

To all other sponsors — thankyou. Special mention to Brian Read (W.R.Engineering), Boris Stoka (Regal Homes), The Bennett Family, Cadbury Schweppes Pty Ltd and Shane Evans. The Club appreciates your support.

A final expression of thanks to Frank Goddard (Secretary) for another year of total commitment.

With more people becoming involved in administration and fund-raising activities, greater assistance from the West Canberra Football Club licenced premises to football and being able to maintain our player base, Belconnen should be able to look to 1995 with a great deal of optimism.

The Club's audited accounts will be available at the Annual General Meeting, scheduled for November 1994.

#### **OBITUARY**

The Club records its deepest sympathy at the death of our esteemed trainer Robert "Andy" Anderson, who passed away in July of this year. To Margaret Anderson, we extend our deep regret at the sad loss of Andy.

During the funeral service, David Bennett read the following eulogy on behalf of the Committee and Members of the Belconnen Football Club:

" In 1963 when Robert Anderson was part of the medical staff at the Royal Military College, Duntroon, he was visited by Ken Jones and Jack Sheahan from the Turner Football Club. They quickly succeeded in their objective of recruiting a head trainer for the Club. So began a continuous 31 year association between the Turner Club, its successor the Belconnen Football Club and Robert Anderson, or "Andy" as he was affectionately known in the football world. Andy applied his medical knowledge and skills as a trainer in the service of the Club and its players for 31 winters of up to three games each weekend and regular duty on training nights.

His eminence in his field was recognised with his appointment as Head Trainer for ACT Representative teams. His devoted service was justly recognised with the conferral by the Belconnen Football Club of Life Membership in 1984 and the conferral by the ACT Australian Football League of its Certificate of Merit in 1985. Andy also served as a member of the Monaro League's Disputes Tribumal. At Belconnen, he guided the next generation of trainers.

Of course, as time went by, Andy and his trade-mark wet towel were not always the first to arrive when injury struck on the football field. But when the injury was serious, there was never any more reassuring sight, than Andy jogging out to take control with his calm and assured manner.

In his involvement with the Football Club, Andy did much more than minister to the body. As in other areas of life, his service was special because it came with warm friendship, with the open pleasure he found in life and his friends, with cheerfulness, enthusiasm, loyalty and humility and with loving care and concern for each person. Whether the game had been won or lost, Andy would be in the changeroom afterwards with a pat on the head and a word of support - before removing the strapping tape from arms and legs, which, I might add, even Andy couldn't do in a pain-free manner. If the injury was serious, Andy would be on the phone early the next day to make sure his instructions for treatment were being followed.

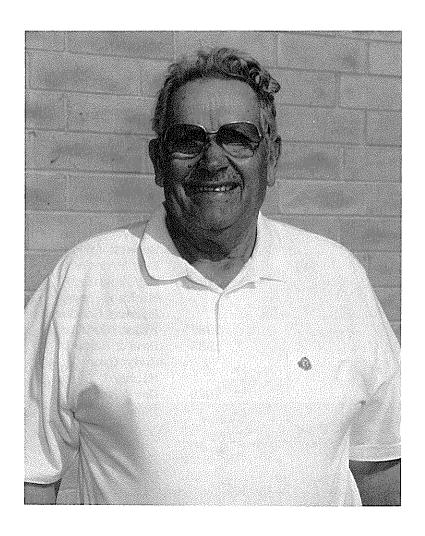

As the players at Belconnen grew older, so Andy's clientele each weekend grew younger. In between performing his official duties as trainer, Andy was called upon to tend to the growing number of players' children - diagnosing an outbreak of chicken pox or measles, removing splinters, patiently dressing assorted cuts and abrasions. All delivered with a hug from the man the kids knew as Andy.

We will each have our special memories. One of mine is to picture Andy in the changeroom before each game, calling to the players throughout the years "Listen to the Coach" and joining in the jogging on the spot in the pre-match warmup. Andy was always involved, always supporting.

Andy remained involved to the end. He was still on duty as a trainer with the Club this year, on a bitterly cold night two weeks ago, he

took his turn at training and his cheerful voice welcomed me across the oval.

We give thanks to God that we were touched by the life of Robert Anderson - a wonderful friend, a kind and gentle man. We give thanks to God for Andy's life of faithful service and extend to his wife Margaret, our loving sympathy and support"

Robert "Andy" Anderson - a wonderful man and friend

#### BEST CLUBMAN

The 1994 Best Clubman trophy was awarded to Frank Goddard, the Secretary of the Belconnen Football Club, in recognition of yet another year of outstanding service to the Club. As has been the case every year since his involvement commenced in 1967 with the then Turner Junior Football Club, Frank's efficient and dedicated performance of a broad range of duties in 1994 has been one of the rocks on which the Club's existence is solidly based. Apart from his workload as Secretary, Frank has discharged with distinction the duties of Registrar, ACTAFL Delegate, editor of this Annual Report and, as required, timekeeper, scoreboard attendant and many other ad hoc tasks for which no-one else would claim responsibility. With all this, Frank and Joyce are also the club's strongest match day supporters for each of the three senior grade teams. It is some years

since Frank had a direct link with the players and his continued enthusiastic and wholehearted involvement, with Joyce's support, is a true reflection of his great love for the Club, its players and for the game of Australian football. It is entirely fitting that Frank was again recognised as Best Clubman in 1994, having also received this award in 1973 (shared) and 1977.

## Chairman of Selectors

The members of the 1994 Selection Committee were David Bennett (Chair), Peter Taylor (who also served as a selector for the ACTAFL Representative team), John Harper (Senior Coach) and Marc Housley (Reserve Grade Coach). The two coaches were new to their positions in the Club, as were the other two selectors. The Committee was appointed towards the end of a promising and well-conducted pre-season program rum by the Senior Coach, John Harper.

During the early part of the season, the Selection Committee addressed the role it should play within the Club. The Committee considered that it had an important task beyond the mechanical selection of the senior teams from week to week. The Club's history shows a frequent turnover of coaching staff and selectors. Against that background, the Committee sought to affirm an approach within the Club to the management of our players the continuity of which need not depend on the identity of the occupants of particular positions. The essential principles guiding the Committee were:

- . all players should be required to meet the same standards of discipline and team commitment and observance of this requirement should be apparent to others;
- . no player should be typecast according to particular performances in the past but should be judged on form and, where possible, be given a fair opportunity to demonstrate further capacity;
- . each player should, over the course of the season, be aware of the Selection Committee's expectations - in particular, players who move out of the First Grade team should be told why and, along with lower grade players who seek First Grade selection, should be told what areas of their game should be developed;
- . use of the interchange bench should reflect an attitude fostered amongst all players and the Club generally that a team has a resource of 21 players to be used flexibly throughout a game rather than 18 preferred players plus 3 reserves. Similarly, players should be encouraged to accept changing roles and strategies from game to game.

The Committee found it necessary to have in place proper structural arrangements in order to make an honest attempt to adhere to these principles. At least three of the four selectors were present at nearly all training sessions. Communication with players could not be left on an ad hoc basis but had to be systematically planned. The two non-playing selectors designated the after-match evening at the Club as one regular time for discussing matters with different players each week. In future, there will need to be far greater encouragement given to players in all Grades to raise matters with the selectors-it is better for there to be early discussion of concerns and, in view of constraints on the amount of time that it is fair to expect from individual selectors to devote, it is not reasonable for players or others to complain about lack of communication where this is left solely to the initiative of the selectors. By the end of the year, the Committee's increasing familiarity with players also meant that greater diligence was required to avoid unintended typecasting. However, although conscious that the selectors (in a largely amateur Club) did not always have the time to meet players' expectations, the Committee was, by the season's end, reasonably satisfied with its level of compliance with the standards it had set.

In the 1994 season, 45 players were selected for First Grade games. This reflected the Committee's endeavour not to typecast players, either by position or by Grade, and to have as much information as possible to assist selection of the best sides by finals time. Selection decisions from game to game were therefore made with longer term strategies in mind. The Committee also sought to ensure that players brought up from lower grades were given a reasonable opportunity to establish themselves in the team. Inevitably, there were a few players who would nevertheless feel, perhaps justifiably, that the opportunities which they were given fell short of this goal.

A particular concern of the Committee as the season unfolded was the distancing of the Colts players from the senior teams. This was in part a result of the draw for the Colts games which fostered division rather than unity and is an area which the Club must address with the ACTAFL. Another factor was the Club's unfortunate but forced decision not to field a side in the Monaro League in competition with the team fielded by West Canberra. This led to considerable pressure to play open-age rather than Under 19 players in Reserve Grade. The Committee did seek to spread its resources appropriately by designating one selector (David Bennett) to attend the majority of Colts games and another (Peter Taylor) to attend opposition First Grade matches. However, the Committee accepts responsibility for the failure to adequately integrate the Colts players into the senior grades and has made recommendations to the Club Committee which would rectify the problem in 1995. Indeed, the recommendations extend to including the Under 16, 18 and Colts teams in the development of a cohesive Club approach to style of play, team discipline and selection policies.

Another area which the Selection Committee has addressed is the need for a significant improvement in communication and interaction throughout the Club during the off-season. The Committee plans to initiate a number of off-season activities, including meeting with individual players from the three senior teams to review performance in the 1994 season and discuss plans and development needs for 1995, providing a training program to each senior player for the off-season and organising a number of social activities involving the whole Belconnen Football Club community.

The Committee found its responsibilities to be very time-consuming. We were each surprised at how much we had to learn about the role of selectors notwithstanding our considerable collective experience as players but, by season's end, felt comfortable in the role as members of a supportive team. We are confident that greater rewards will eventuate in the years to come from the work of this season's Committee.

The Committee extends its thanks to all those who gave freely of their time to assist it in the fielding from week to week, in particular Graeme Wilson (First Grade runner), Frank Goddard (Registrar), all the trainers (Peg Townley, Kym Austin, Steve Ryder and Andy Anderson), Neville Hickmott and Michael Sek (senior team managers) and Daniel Thomas (videoing of games). Finally, particular thanks to those on whom the greatest burden fell - Colleen, Lesly, Regina, Sonia and our children.

David Bennett Chairman of Selectors

## First Grade

At the beginning of the 1994 season, my goals as senior Coach were to see the Club make the final four. As a result of the players hard work in the early summer months and continued work rate throughout the season, the First and Reserve Grade sides were successful in being part of the Final series. Even though the First Grade side was defeated by Weston Creek in the First Semi-Final, I believe that as a group, we will learn a lot from the experience and become stronger as a Club in the future.

We are a very young Club in terms of senior playing and Finals experience. To have all three Grades participating in the Finals this year will be of great value to the progress of our Club.

As coach, I was extremely pleased with the attitude and commitment of all players throughout the year. I believe the players ability to follow the game plan introduced this year can and will get better and improve with the same commitment and perserverence in season 1995. The nucleus of players that has developed into First Grade this year can only see our Club becoming stronger at the senior level. It is worth noting that six players from last year's Under 19 Premiership side played in this year's Semi-Final against Weston Creek.

This year, I believe the players ball handling improved as a result of my introduction of more balls at training and drills incorporating more decision making, which are similar to match conditions. For our performances to improve on the playing field, we need to develop a higher level of efficiency at the drills carried out at training.

I believe the greatest resource that a football club has is its players. In our Club, we have some very good Junior Grade players, who, with appropriate guidance and coaching, will develop into senior players.

The First Grade side played a total of 45 players during the year. A number of these were virtually in their first full year of senior football — David Bugg, Damien Carmichael, Stephen Mahar, David Mair, Jason Moore, Paul Netting, Brenden Read, Daryl Read, Adam Ryder, Rohan Schlesinger, Matt Walsh and John Williams. All of these young men were valuable contributors throughout the year in the First Grade side.

The performance of Paul Netting this year was excellent. He was a worthy winner of the Club's First Grade Best and Fairest Award. Paul is a fine young man, who works extremely hard at his game. He has definite leadership qualities and is a very good role model for our up and coming junior players to follow.

The Club had a number of players selected to play Representative football for the ACT this year. The players, who are mentioned in the body of this Report, all performed well and were a credit to the Belconnen Football Club.

I would also like to acknowledge the efforts of our training staff - Kym, Steve, Peg and Andy, who play a vital role in the Club's football operation.

I believe that as a Club this year, we have laid a sound foundation on which to build for season 1995. To every player, official, administrator and training staff member, your efforts throughout the

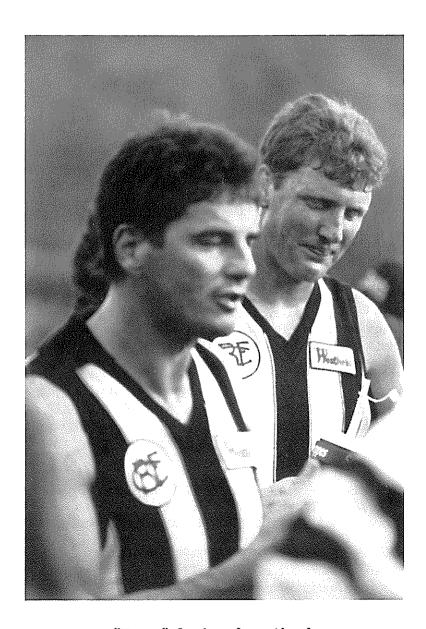

year have been well received by myself and the coaching staff.

The first and most important step towards success is feeling that we can succeed. As long as we remain focused in our efforts, we as a Club will succeed.

#### In conclusion:

WE ARE NOT JUDGED BY THE TIMES WE FAIL, BUT BY THE NUMBER OF TIMES WE SUCCEED AND THE NUMBER OF TIMES WE SUCCEED ARE IN DIREST PROPORTION TO THE NUMBER OF TIMES YOU GIVE IT YOUR BEST TRY.

John Harper Senior Coach

"Harps" laying down the law.

## Reserve Grade

This year the Reserve Grade team performed very well, with a number of players seizing the opportunity to play at the top level. Unfortunately, we fell short of realising our dream of winning the Grand Final. Despite losing by only two ponts, every player can hold his head high for a good all-round effort. If our failure can be taken on a personal level and we learn by it, we will certainly be a force to be reckoned with in 1995.

Special thanks go to the following players for their efforts this year:

- . Matt Walsh for a great year, winning everything on offer and a pleasure to coach.
- . Damien Dawe for his well deserved award of the Club Runnerup Best and Fairest.
- . Jeff Scheetz for a very good year and winning the Most Consistent player award.
- . Travis Macilwain for winning the Best Team Player award, which was well deserved. Travis is leaving Canberra this year to take up a position in Sydney. We wish Travis all the best for his future.
- . Michael Hassett for winning the Most Courageous player award and everybody knows why.
- . David Williamson and John Kennedy for each winning a Coach's Trophy for dedication and commitment. A mention also for Michael Molony who was not far behind David and John.

I would also like to thank the team manager, Michael Sek and our Runner, Neville Hickmott (Sticks), for a great effort all year. To the trainers Peg, Kimbo and Steve, thanks for your commitment this year - a job very well done and this includes a man we all loved very deeply and will stay with us for ever - Andy Anderson. To Peter Schlesinger, thanks for your effort as timekeeper throughout the year.

Finally, I would like to mention the great effort of our Senior Coach, John Harper and the Match Committee. David Bennett and Peter Taylor's effort was first class. To the Club President, Brian Read and his Committee, thankyou for the faith you have had in me in 1994.

Marc Housley Reserve Grade Coach

# Colts Grade (Under 19)

The season didn't get off to a good start due to the lack of attendance at pre-season training, neither did it end on a good note. Our in-season form was good enough to finish the Home and Away games in second place — I believe we could have done better. Regarding our in-house playing performance, I don't want to dwell on the negatives. I would like all players involved with the Colts this year to turn 1994's stumbling blocks into stepping stones for the future.

Having an Under 18's and Colts competition this year has been a blessing in disguise for the Belconnen District. Imagine only one age group at the 18/19 level and attempting to fit all available players from the Belconnen District in 1993 into one side this year. The equation does not compute. The 1994 structure provided players with a game of football, either on a Saturday or Sunday. The Club and aligned Junior Clubs need to liaise to assist and have an input to their appropriate Leagues, to implement a structure which will assist, support and develop junior players to senior ranks for the Club.

The team performance this season was good — when we got it right. However, there was a lack of consistency. During the season, players were unavailable due to representative fixtures, work study commitments, injury and senior defection. Despite this, we were still able to have a competitive team on the field each week, with assistance from the Under 18's. I thank them all for filling the gaps and showing real club spirit.

Congratulations to our representative players on their selection: Matthew Black - a duel representative, back from injury in 1993 to be selected in the Commonwealth Bank Cup and the Under 16 Schoolboys teams.

Adam Ryder - a good 1993 season, an excellent 1994. Adam was a member of the Commonwealth Bank Cup team and on return from Perth, was selected in the First Grade side.

Neil Davill - the skilful Neil, also made the Commonwealth Bank Cup team.

Matthew O'Brien, Chris Lambert, Jason Kilgower and Brad Hammond were all members of the successful Schoolboys team in Adelaide.

Players who performed with commitment and competitiveness in every game this year were Damien Brazel, Trent Gourgard, Kieren Bennetts and Scott Hammond. Unfortunately, due to injuries, these players were unable to complete a full season. Players who did complete a full season without serious injuries were Robbie Gilbert, Justin Lalor, Shane Deane, Brenden Read, Matt Kimball, Adam Ryder, Ben Danaher and Stephen Monahan. The Club needs more players of this calibre, all of whom performed well this year.

Injuries to players ranged from minor to major and my thanks go to our trainers, Peg and Steve, for their assistance and support to me and to the players, in assisting their recovery - be it medically or mentally. These comments include trainers Kimbo and Andy (who will be missed by us all), who assisted on training nights. Thanks to you all, your assistance is much appreciated.

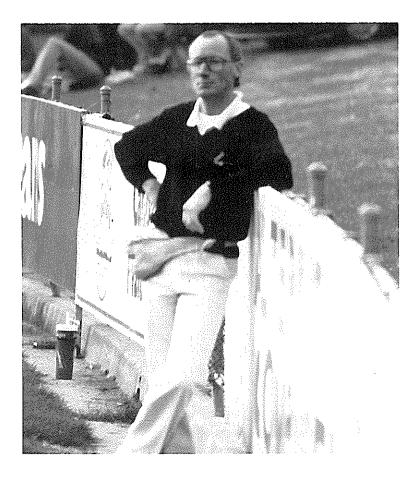

Some players during the season became very versatile, which enabled them to play in different positions, when required. Whilst it is easy to fill a position, a player has to be both mentally and physically prepared. The following players filled this role in 1994 — Shaun Tipson, Andrew Smith, Simon Weekley, Greg Mace, Matt and Chris Kimball, Justin Lalor and Jason Kilgower — a unique group of utility players for the Club.

Congratulations to our Best and Fairest winner, Justin Lalor, who won a closely contested Club award from Robbie Gilbert, Brenden Read and Matt Kimball. To each of them, well done. To Ben Knight, a job well done up forward to kick 98 goals this season. To cap it off, Ben repeated last year's performance by winning the ACTAFL Colts goalkicking award. Matt Kimball was rewarded for his consistency during the second half of the season by winning the Kendon Industries ACTAFL Colts Player of the Year award. Well done Matt - a great effort and well deserved. To our Captain - Brenden Read, Vice-Captain - Adam Bloom and Deputy Vice-Captain - Matt Kimball, thank you for your leadership, assistance and support on and off the field.

To our team's runner, John Kimball and Managers Pat Brazel and Don Bennetts, thank you for your assistance. The team could not function on and off the field without your input. I personally thank you for your help. To the parents and supporters, thanks for your off the field support and a special thankyou to Bev. Brazel for washing the jumpers each week — much appreciated. Congratulations to all the Belconnen Football Club players and recipients of Club and ACTAFL awards this year.

Finally, I applaud all the players, administrators and volunteers of the Club for their efforts in 1994 - thank you.

#### Belconnen:

This year the Belconnen Jumior Club fielded a team in each age group of the Competition and was only one of two Clubs to do so. The Under 16 side won the Premiership, while the Under 14's were gallant Runner's-Up. The Under 12's finished the season on top of the ladder and won the Bill Hansen Trophy. The Under 18's also did well to participate in the Finals.

This year the Club appointed John Williams as our development officer. John has done excellent work in the Primary Schools in the Belconnen area, conducting over 200 clinics and organising two Round Robin Primary School competitions. The feedback from the schools has been very positive. We intend to build on this work in 1995.

Congratulations to all the Representative players and especially to Ross Dennis for winning the Best and Fairest in the Under 14 Competition. Also to Bernie Williams for reaching the milestone of 200 Club games.

Michael Danaher President Belconnen Junior F.C.

#### West Canberra

The 1994 football season can be described as relatively successful for the West Canberra Junior Football Club. Although our team numbers were down on last year, our actual player numbers increased. The Under 7 side had its largest number of players for some time and as such, is an encouraging sign that a new generation of players is emerging in the district.

The Club fielded six teams this year - Under 7's, Under 9's, Under 10's, Under 13's, Under 16's and Under 18's. All teams performed extremely well over the year, with the "Aussie Footy" teams showing excellent development throughout the season. The "Youth Football" sides are also to be commended as they put in fine performances under considerable odds. The Under 13's who were very competitive, comprised players ranging in age from 11 to 13 years, with help from some of the Under 10's as well. The Under 16's were basically an Under 15 team playing in the Under 16 competition and to finish in the final four was a remarkable achievement. This year we combined with the Belconnen Junior Football Club in fielding an Under 18 team. The team finished fourth and played under the Belconnen Magpies banner, with support from the senior Belconnen Club. I believe this concept has a lot of merit and should be pursued in the future, but would suggest that a lot more thought and commitment be made by all concerned to ensure a more successful outcome.

I would like to congratulate all of this year's award winners and also all players selected in the various Representative sides. A significant highlight was Daniel Moore playing his 200th game for the Club - congratulations Daniel.

To the players leaving the Junior ranks, I would like to wish you every success in your senior football careers. It is hoped that your time at West Canberra will stand you in good stead in the future.

To our major sponsors - West Canberra Football Club Fishing Club, Ausco Structures, Belconnen Smash Repairs, CARS Security and The Butchery, a sincere thank you for your generous support, particularly during this difficult economic climate. It goes without saying that without your contributions, the Club would not be able to function as it currently does.

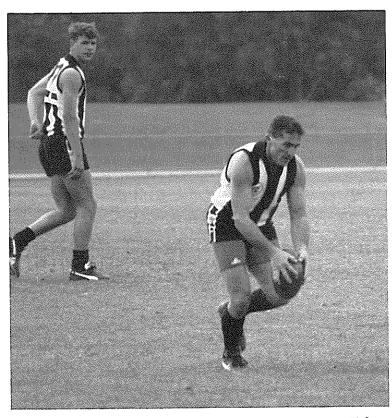

Once again the Ladies Auxiliary has worked extremely hard for the Club and, as always, we are most grateful for your efforts. We would not be able to get our players on the field each week without your help. Your support is very much appreciated.

As has been the case in previous years, the age structure for next year is still uncertain. I do not believe the current structure, which includes Under 18 at Junior level and Under 19 at senior level, can continue. The two Grades rob each other of strong competition. This situation should be addressed as soon as possible at both Club and League level.

In looking to the future, I believe the first steps of a more unified approach to football in the Belconnen district have been taken and I urge the incoming Committee to pursue this goal for the benefit of all concerned with this great game of ours.

In closing, I would like to thank all players, coaches, managers, members of the Ladies Auxiliary, parents, sponsors and supporters and lastly, but by all means not the least, my hard working Committee for your support over what has been a very rewarding 1994 season.

Bruce Moore President West Canberra Junior F.C.

#### PLAYER SERVICE

The following four players this year reached the milestone of participating in 100 Club games - Michael Hassett, Robert Kelly, John Kennedy and James Smith.

Michael Hassett played his first game in 1987 with the Under 19's. He transferred to the Queanbeyan Club in 1990 and returned to Belconnen in 1992. Michael has now played a total of 100 games. (23 First Grade, 44 Reserve and 33 Under 19 Grade). At 23 years of age, Michael has a lot of football in front of him and we hope to see him improve on his statistics in 1995. Well done Michael.

Robert Kelly also played his first game in 1987 with the Under 19's. In 1991, he played a season with the ANU Monaro team and returned to Belconnen in 1992. He has now played a total of 101 games. (27 First Grade, 60 Reserve, 12 Under 19 Grade and 2 Monaro games). During his busy 1994 football season, Rob managed to find the time to marry Susie. Congratulations Rob on achieving two important milestones this year and we wish you both all the best for your future.

John Kennedy commenced his senior football career with the Club in 1986, playing with the Under 19's. John played his initial First Grade game in 1987 and since that time, has played in all three Grades to reach a total of 111 games. (58 First Grade, 15 Reserve and 38 Under 19 Grade games). Well done John and here's hoping you can keep up the good work in 1995. John also reached a further milestone in 1994 when he married Wendy. We extend to John and Wendy our best wishes for their future together.

James Smith made up the quartet of players who made the "100 Club Games" milestone. Jamie is a Club veteran, having played his first

senior game with the Club back in 1983. Due to a number of unfortunate injuries sustained over the years, Jamie's games played statistics have suffered - he was unable to play a game in season 1991. However, despite these setbacks, Jamie never lost interest in the Club and he was often seen at our games and at the Club, with and without crutches. Jamie has now played in a total of 110 games. (76 First Grade, 16 Reserve and 18 Under 19 Grade games). Jamie is a fine Clubman and all at the Club hope season 1995 will see him back playing in the First Grade team. Well done Jamie.

As will be seen above, fifteen players reached the 50 Club games milestone in 1994. Congratulations to each of them and hopefully, all will improve on their respective games played statistics in 1995.

In March of this year, Marc Housley reached a huge milestone in his colourful football career, playing his 400th. First Grade game and at the end of the season, had notched up 418 First Grade games. Since joining our Club in 1991, Marc has been an inspiration to us all and to cap off his many achievements, he has also been the Club's leading goalkicker in his four years with us.

Marc's background is most interesting. He is probably unique in that he has never played in a Reserve Grade game, having stepped up to First Grade from the Under 19's. Marc hails from Queensland and played for Kedron for 19 years, the last ten in the seniors, with six as Captain. In that time, he won four Best and Fairest awards and was Runner-up on three occasions. He represented Queensland on 30 occasions, three as Captain and four as Vice-Captain. He also played in Tasmania, Darwin, South Fremantle and was Richmond's No.1 draft choice in 1982. His 418 games comprise: Kedron(Queensland) 188, QAFL State 30, Cooee (Tasmania) 26, South Fremantle 11, Maroochydore (Queensland) 79, St. Marys (Darwin) 20, NT State 2, and Belconnen 62. By any standards, Marc's has been a magnificant achievement. Congratulations from us all at Belconnen Marc for your valuable input to the Club over the last four years and in particular, your effort this year in coaching the Reserve Grade team to the Grand Final. Marc has been re-appointed Reserve Grade non-playing coach for season 1995.

This year, the Committee appointed the Club's seventeenth Senior Coach — John Harper (also our first playing coach since 1987). John is a former Ainslie player, having played 43 First Grade games with Ainslie between 1977 and 1979 in the Tricolours golden era under Kevin "Cowboy" Neale. A Teal Cup representative in 1977—78 and voted best first year player, John played in Ainslie's First Grade premiership team in 1979 (defeating Belconnen).

In 1980, John was placed on Hawthorn's senior list, subject to the availability of a "Form 4". The same year, he played with Dandenong's winning Victorian Football Association premiership side. From 1981 to 1983, he played with Oakleigh in the VFA, including 65 First Grade games under former Melbourne and St.Kilda player, Paul Callery. He was in Oakleigh's 1983 team which made the Grand Final, was twice Runnerup in the Club's Best and Fairest award and was chosen in the VFA Representative team which defeated the South Australian Under 23's.

Between 1984 and 1986, John played with Essendon, including 63 Reserve Grade games under the tutelage of Kevin Sheedy, Kevin Morris and Robert Shaw. He was voted Most Consistent in 1985 and twice was well-placed in the Reserve Grade Best and Fairest award. During his period at Essendon, John conducted coaching clinics for the then VFL and the Bombers, at selected primary and secondary schools.

John moved to South Australia in 1987 and played 90 First Grade games with West Torrens under Paul Weston and Andy Bennett. Whilst at West Torrens, he was eighth in the Club's Best and Fairest and Runnerup Best Clubman in 1987. He was also fourth in the 1989 Best and Fairest award and was Best Clubman in 1989. After Captaining West Torrens' Reserve Grade team to the Flag in 1990, John transferred to Central Districts in 1992 where he played four First Grade games.

In 1992, John turned his hand to coaching, being appointed senior coach with the Freeling Club in the Barossa, Light and Gawler Football League. Freeling finished minor premiers, but were defeated in the Grand Final. In 1993, Freeling came from fifth at the end of the competition rounds, to again make the Grand Final, again finishing as Runnerups.

John, together with his wife, Coleen and son Jordan have been welcome additions to our Club. Coleen has become a valuable member of our Ladies Auxiliary, for which we are most appreciative. John and Coleen are expecting their second child later in October and I take this opportunity on behalf of us all at Belconnen, to extend to them our very best wishes for the future.

This year and for the first time in the history of the Club, three brothers played together in the First Grade side. Wayne, Daryl and Brenden Read achieved this feat on six occasions. A great effort boys. I'm sure Mum and Dad, both of whom are heavily involved in the Club operations — Brian as Club President and Helen as a member of the Ladies Auxiliary, are very proud of your achievements. It is only the third time in ACTAFL history that three brothers have played together in a First Grade team. The others were the Smith and Bowyer brothers from Ainslie and Queanbeyan respectively.

The Club acknowledges the achievement of one of our Junior Club players, namely Ross Dennis. Ross is the son of ex-Belconnen player Mark, who played for the Club a number of years ago. Ross was this year's winner of the Junior League Under 14 Best and Fairest Medal. He also won his Club's Best and Fairest award. Ross is also a member of the ACT Under 14 Development Squad. I had the good fortune of watching a number of games in which Ross participated this year. Without doubt, he has the potential to become a top senior footballer. Congratulations Ross from the senior Club on a wonderful year and good luck for your future.

#### LEAGUE MEDALS

Following on from our success in 1993, the Club again produced the winner the the ACTAFL Reserve Grade Best and Fairest Award. In a closely fought contest, Matt Walsh was the outright winner with a total of 11 votes. Earlier, Matt was the run-away winner of the Club's Reserve Grade Best and Fairest Award. Matt, who joined the Club from Tuggeranong this year, has enjoyed a top season, having played in 13 Reserve Grade games (including 2 Finals games) and 7 First Grade games. Congratulations Matt on a fine effort. We look forward to big things from you in 1995.

Not to be outdone and following on from earlier winning the Club's First Grade Best and Fairest Award, Paul Netting was successful in winning the 1994 ACTAFL Best First Year First Grade Player Award. A great achievement Paul and very well deserved. Congratulations and good luck for your future with the Club.

The Club had further success on Mulrooney Night with Matt Kimball winning the Kendon Industries Colts Player of the Year Award. Matt, who polled very well in the Club Best and Fairest Award, has enjoyed an excellent season. Matt is currently studying at the University of Canberra and we hope his studies will not preclude him from continuing his playing career with the Club in 1995. Congratulations Matt on a fine effort this year and good luck for your future with the Club.

This year, our three participating teams made the Final Series. Unfortunately, the First Grade team was beaten by Weston Creek in the First Semi-Final. The Colts (Under 19's) were unable to notch up a third successive Premiership, being defeated by Ainslie in the Preliminary final. Pride of place this year belongs to the Reserve Grade side, who made the Grand Final, but were defeated by Southern District by two points.

#### BEST AND FAIREST

The 1994 First Grade trophy was won by Paul Netting polling a total of 43 votes - 6 more than the Runnerup, John Harper. Paul in his first season in First Grade played consistently well and his efforts were rewarded with the winning of the ACTAFL Best First Year First Grade Player award and selection in the ACTAFL Senior Representative squad. Whilst not making the side against AFL teams Sydney and Footscray this year, he will most certainly be a contender in 1995. As Runnerup, John Harper, our Senior Coach and Club Captain in his first season with the Club had a successful year. His dedicated efforts both on and off the field have been of great value to the Club. John has been re-appointed as Senior Playing Coach for 1995 and all at the Club wish him well in his endeavours next year.

The Reserve Grade award was won by Matt Walsh, a new player to the Club this year. Matt transferred from Tuggeranong and quickly settled into his new environment. Matt won the trophy by a margin of 22 votes from Damien Dawe, polling a total of 52 votes from only 11 games played. He also played in 7 First Grade games. Congratulations on a great effort this year Matt — we look forward to a continuance of your good form in 1995. As Runnerup, Damien also had a good year. He played in 13 Reserve Grade games and 3 First Grade games. Damien, whilst only just 21, is a Club veteran having played a total of 84 Club games. Congratulations on your good form this year Damien and here's hoping we see you up in First Grade on a permanent basis in 1995.

The Colts (Under 19) Grade award was won by Justin Lalor in a close contest. Justin polled 39 votes, one vote ahead of the Runnerup, Robert Gilbert. Justin had a busy year, playing in 19 Colts games and 5 Reserve Grade games (Home and Away games) Congratulations on an excellent effort this year Justin and we hope to see you in the higher Grades next year. Best Wishes for your future with the Club. As Runnerup, Robert played a total of 17 games for the Colts. He also played in 3 Reserve Grade games. A quiet achiever, Robert is always in the thick of things and his efforts this year were much appreciated by the Club. Whilst only 18, Robert has managed to play a total of 52 games with the Club.

Keep up the good work Robbie - we look forward to bigger things from you in 1995.

#### **GOALKICKERS**

In 1994, the First Grade team averaged 14 goals per game; their highest score being 49-30-324 v Batemans Bay in Round 19, which is a Club record. There were six other totals in excess of 100 points. For the fourth successive year, the leading First Grade goalkicker was Marc Housley, who in his fourth year with the Club, kicked 77 goals. Marc played in 18 games during the year and has now kicked a total of 212 goals. Once again, well done Marc.

This season saw Jason Kidney as the leading Reserve Grade goalkicker. Jason played in only four Reserve Grade games, kicking a total of 23 goals, including 14 against Batemans Bay. Unfortunately, Jason's season was interrupted by injury. He also played in eight First Grade games during the season. Well done Jason and here's hoping you will be free of injury in 1995.

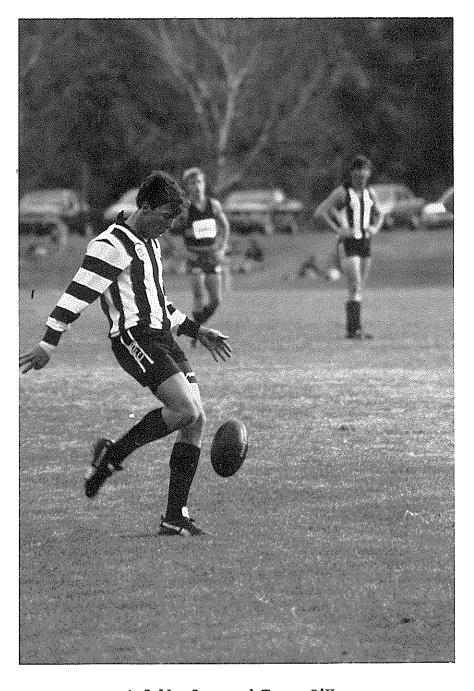

The 1994 goalkicking honours for the Colts once again went to Ben Knight, who had a wonderful year, kicking a record 98 goals. For the second successive year, Ben was also the Leading ACTAFL Colts Grade

goalkicker. Ben has now kicked 150 goals in the Colts Grade, plus 6 in First Grade. Congratulations Ben on another fine effort in 1994.

#### OTHER PERFORMANCES

Brett Allison has had a top year with the North Melbourne Football Club. In the preliminary Final this year he played his 136th game for the Club and with his three goals, has now kicked a total of 150 goals.

Don Pyke continues to play exceptionally well for the West Coast Eagles and has now played a total of 103 games.

A fully focussed Terry O'Kane

The 1989 Annual Report included notes on the sporting lives of Cleve Weatherill, Reg Proctor and Neil Conlan, after whom the Club's perpetual trophies are named. Below is a brief statement of the contribution each made to the Club's development. In addition, the Club this year has initiated a Memorial Perpetual Trophy to honour Andy Anderson's 31 years of dedicated service to the Club. The Trophy will be called the Robert "Andy" Anderson Memorial Perpetual Trophy and will be awarded to the Most Consistent First Grade player.

First Grade Best and Fairest - Cleve Weatherill Memorial Perpetual Trophy - Cleve was one of the Club's hard workers in its early years, winning the Best Clubman award in 1972. He took over as Reserve Grade coach in the 1974 season and guided them into the Finals series (their first ever), a success he repeated in 1975 and with the Firsts in 1976. He died in early 1977 after a short illness.

Under 19 Grade Best and Fairest - Reg Proctor Perpetual Trophy - Reg was the Club's Football Treasurer from 1972-1977 and was on the Football Committee for that period and also in 1980 and 1981. He was the Club's timekeeper from 1972 until 1991 and has kept the basic historical records during that period from which the annual statistics included in this report are produced. He was Under 19 co-ordinator in 1981-1986 and has maintained a support for this team throughout most of his involvement with the Club. He won the Best Clubman trophy in

1973 (shared) and 1979, the Club's Merit Award in 1980, was appointed a Life Member in 1985 and was awarded the ACTAFL Certificate of Merit in 1985.

First Grade Most Courageous and Best First Year Player - Neil Conlan Memorial Perpetual Trophies - Neil Conlan coached Belconnen for two months in 1978 before his sudden death, aged 42. He had a long and illustrious career as a coach and player in Tasmania and later with Manuka in the ACTAFL. In 7 years he coached Manuka to 5 premierships. Neil was one of Canberra's outstanding players and coaches.
