Or was it? The Club's banner for the First Grade Side - Grand Final Day 1999

President's Report

This year the Club progressed a little further in consolidating its player strength, but the ultimate prize eluded us once again. Certainly I found this year's loss a lot harder to accept than last year's as it is a game I believe we lost rather than one where we allowed our opponents to win..

This is what makes the pain of this year even greater after the efforts of previous years.

As a Club we are working as hard and as smart as anyone. I believe the track we are on is the right one and the work from everyone involved - from players to administrators and supporters - needs to continue.

The work is now beginning for next season. I know we have the most talented players in the competition and my view is that we now have to become the toughest, most committed side in the competition. To the players I say, be uncompromising on the field when push comes to shove; lose another grand final - or go backwards- and a question mark will hang over all of us.

I don't believe we can be happy with our achievements this year

There were, however, some highlights of the year:

- winning the second ACTAFL Club Championship in succession;
- both senior teams making the grand final;
- Shane Clarke winning the Mulrooney Medal;
- Brett Matherson winning the First Grade Best and Fairest Award;
- Luke White winning the J J McNamara Medal;
- the U15s winning the premiership;

and

- the women's team winning the premiership - they have been a great acquisition to the club

I would like to congratulate all Club award winners.

Peg Townley is to be congratulated on winning the Best Club Person of the year. She has been a tireless worker for the Club over many years since taking on the administrative role as well as head trainer since Andy Anderson passed away.

Trainers supporting four teams is a huge task and the Club is grateful to them for their tireless efforts in supporting four teams every week this year.

Special thanks must go to Ray Baguley, Mick Sek, Rod Cowie, Mick Danaher and our goal kicking Treasurer, Peter Bradley. Not many people realise how much time is put in over fifty-two weeks of the year to prepare the Club to be competitive in the competition.

The players and coaches deserve a special mention, starting last November and training through to the final series was a enormous effort. I ask you to continue to strive for the ultimate goal. I would also like to make special mention of the efforts of Ian Geary as Canberra District 1 Coach - it's a thankless task when you lose many of your best players on game day. The Canberra District 1 team contributed significantly to the success of other teams and I congratulate them on their commitment to the Club.

The Club welcomes Rick Dolliver who has been a tremendous acquisition in coaching the Development Squad.

The Magpies Sports Club has again been very good to us and thanks must go to Jon Burrows and John Kimball

for their support. I don't believe we would be as competitive without the backing of the social club.

To all managers and support people - our Club cannot run without you. You have been tremendous.

WHAT OF THE FUTURE?

Over the last eighteen months, I have been investigating how the West Canberra Football Club and the Belconnen Football Club can secure the main objects both clubs have in common - promotion of Australian Rules football in Belconnen.

We have rewritten both Club's constitutions so that as the West Canberra Club becomes more diversified in its membership, we will be able to maintain the same objects in these constitutions.

At the time of writing this report the West Canberra Football Club is preparing to vote on the changes.

The concept is that there will be five nominated directors from the football operation. I believe the most controversial change proposed for the West Canberra Football Club constitution is in naming - to the Belconnen Magpies Sports Club Inc.

I intend going to our membership to propose the addition of the word 'Magpies' in our name - so that we would be known as the Belconnen Magpies Football Club. I believe this will create a single corporate image which makes good business sense.

The success of the proposal would be an evolutionary step in the Club's history, so that there is a long term relationship between the two Clubs. This is not a first in the Club's history and members will recall the original logo of the Bees, closely followed by the Blues. I believe that Magpies needs to be embraced by all members.

I am hopeful of having the full support of the Club with the proposed changes. To date, the Club has made the right decisions with the object of taking our game forward in the Belconnen community. I have no doubt the same will be the case on this occasion.

To Sonia - thank you for support over the last five years. Jacob, Isaac and Noah have also shared a significant burden and I am grateful to them for their patience and understanding through another season.

... Peter Taylor

Peter Taylor - has served a record five-year term as President, Belconnen Football Club

Treasurer's Report

This has been a year of consolidation for the Club - with the attempt to maintain our budget at the same level as last year. This we achieved with an increase in the budget by 10 per cent. We feel, however, that a further increase for next year is essential in order to maintain our competitive edge and, in this regard, are investigating untapped areas of revenue.

Moving our home ground to Ainslie did not have an adverse affect on our gate or catering takings. We had fewer home games compared with last year - resulting in a reduction in revenue. Wendy Read and her team did a great job in the catering area and should be congratulated for their efforts in this difficult revenue area.

Thanks to the many players and supporters who sold tickets for Jolly Joker this year. The promotion has turned out to be an important fund-raiser for the Club and continued efforts of all involved is essential. The *o' Joker* went off a few too many times for our liking during the season, so we didn't achieve the profit we would have liked.

This year I had the great pleasure in banking the Club's second \$1 000 cheque for winning the Club Championships. This chore is something I can certainly get used to!

Particular thanks go to our major sponsors Westfield Belconnen and Magpies - The Sports Club. Many

thanks to other sponsors, with particular mention to:

- Autoco;
- RDM Insurance Brokers;
- W R Engineering;
- Urban Contractors;
- Goddard and Partners;
- Best Bet Butchery; and
- Totalcare.

Two events - the *Long Lunch* and *Sports Night* proved extremely successful and guests who attended were glowing in their praise for each function. Ray Baguley and his team of helpers are doing a fine job with our functions.

The car raffle and sponsorship revenues both achieved above budget results. On the expenditure side most expenses met budget - showing great restraint and discipline from the Committee members concerned.

Finally, thanks to Jon Burrows and the social club for their continued support and assistance over the year, and our football Committee for their tireless efforts, and the players and supporters of our grand Club.

A full financial report will be provided to members at the Annual General Meeting in November.

Match Committee

The match committee's job is to organise the support necessary for the teams to train and play. This task starts well before the pre-season training and continues until after the last games, which this year was the Grand Finals in First and Reserve grades. We had four teams to support in season 1999. The same group of dedicated support staff continued in their roles.

Pre-season - Pre-season training started in early November and we travelled to Wodonga for practice games in the pre-season, as well as playing practice games in Canberra. The trainers and team managers all provided their customary strong support for the coaches and the players.

Managers - Mick Sek, Jim Donlan, Norm Sims and Len Sheedy again did terrific jobs for their teams. Mick Sek put in many hours for the club in organising the player's gear, maintaining the sponsorship from Totalcare for jumper washing, doing the registrar's job and keeping up to date with the ACTAFL. Jim Donlan did his usual no fuss and professional job for the reserves. Norm Sims gave great support to the thirds in what was a difficult year for them on the field, including taking up the line marking job. Len Sheedy kept fourth division running smoothly and kept the social spirit going.

Trainers - Our trainers continued their excellent injury management of the players. Thanks to Peg, Steve, Gary and Carol. While Steve was out of action with a leg injury Peg, Gary and Carol carried the load with great dedication to the Club's cause. Also thanks to John Lochie for his help during the year. Amanda our club physiotherapist provided her professional support.

Time Keepers - Paul Gunn kept time for the Seniors and the Reserves all season and phoned scores through to the press. He also kept track of games played and goals scored. Thanks to Paul for another excellent job.

Runners - Bob Williams and Ricky Dolliver and did the running duties for the Seniors this season. Ian Donlan did the bulk of running for the Reserves. Thanks to all.

Water Carriers - Thanks to the junior players that helped out with water carrying on match days. Also thanks to 'Puds' for doing it regularly for the seniors.

Scoreboard - Thanks to Genevieve and Alan Netting for doing the scoreboard at all our games at Ainslie.

A number of other people put in valuable work for the Club all season. Thanks to Ray Baguley and Symon Badenoch for organising and presenting the after match awards, and Wendy Read for running the Canteen. I apologise to any one I have neglected to mention, many people give some of their time at different parts of the season to help get the teams on the field.

We are now regarded as a competitive and professional club. We will maintain that standing and if we can commit ourselves to improve again next year I am sure the hard work of all our support staff will finally pay off.

First Grand Final

Sunday 12 September 1999 will go down as the most disappointing day of my career. I really did feel we had the squad of players to reach our objective of winning the grand final. Our preparation was good, right from the time we won the second semi-final and straight through to the grand final. The attitude of players to rehabilitation and training was excellent; our pre-game preparation was also very good; even the start of the game was what we were looking for. Then it all started to break down.

I believe the Club will look back on 1999 as the best chance it has had to win its first grand final. Who knows? ... we may get another chance next year, or it could be another two to five years or more. Certainly, we did achieve a number of awards for the year:

- our second club championship;
- Shane Clarke winning the Mulrooney Medal;
- Luke White winning the J J McNamara Medal; and
- our representative players being the best players in the win over NSW.

Unfortunately these achievements will be shadowed by our loss to Queanbeyan in the last grand final of the century. Hopefully in twelve months time we can say we won the first grand final of the new millennium.

Player numbers at training from day one were great and remained that way for the remainder of the season. Although the quantity was there I felt on a number of occasions the quality was not what it could have been. Some players were probably not doing the extras to help benefit their football and their Club.

Our start to the season was less than impressive, but to the players credit we won games that perhaps we should not. Last season we had the desire to do well but our belief let us down - this season we had the belief but not the desire. After an ordinary loss to Queanbeyan at the start of round three we sat down to discuss some issues in respect of our performances and general attitude. The renewed enthusiasm and focus after that meeting was great and we then went on to play our best football in the final eight weeks of the season.

As all other ACTAFL clubs strive to become more competitive, season 2000 is going to be a very competitive competition. Players will need to be prepared more than last year both physically and - more importantly - MENTALLY TOUGHER and have a firm belief and a burning desire to achieve our ultimate goal.

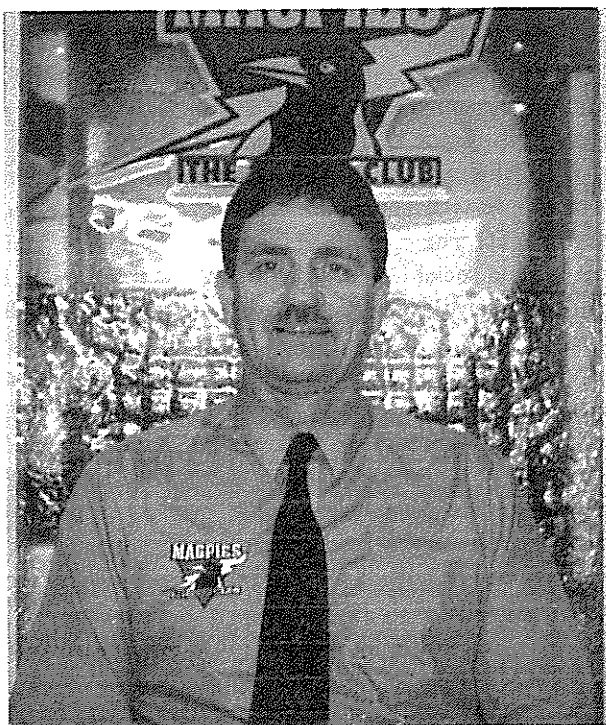

In finishing, thanks to

- the coaching staff - Tony, Rod, Rick, Symon and Dave;
- our superb group of trainers - Peg, Steve, Gary and Carol;
- our welfare officer and mediator - Puds (Paul Shepherdson);
- our Team Manager - Michael Sek; and
- Peter Taylor and Ray Baguley and the Committee of the BFC.

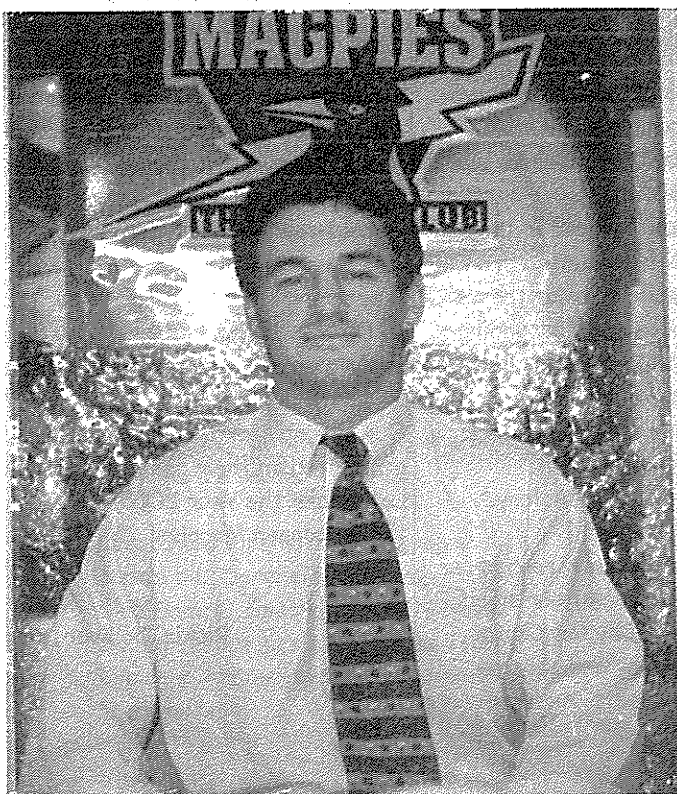

My congratulations go to the award winners and our representative players, with a special mention to Shane Clarke and Luke White on winning the League Best and Fairest in their grades.

As a Club let us strive to improve overall, lift our work rate to achieve the positive results we desire.

Brett Matherson - Belconnen's Best and Fairest, Season
1999

Reserve Grade

In commencing my report, I'd like to take the opportunity to thank Peter Taylor for the invitation to coach at the Belconnen Football Club. I was welcomed as one of the Club's own from day one and was able to strike up strong friendships. I was offered a role in both the Football and social clubs and have immensely enjoyed my first year. It was refreshing to come to training where players, coaching staff and officials are all punctual, enthusiastic and train with a purpose.

Our season started well - although we experienced the highs and lows in the first two games, with a win and a loss against Queanbeyan and Ainslie respectively. Following the start, we played more consistently to record five wins and one loss - a very respectable beginning. Following two successive losses the team regrouped and put in a ten game winning streak to finish confidently in the home and away games.

The conclusion of the home and away rounds saw Belconnen and Ainslie proving they were the best two teams in the competition and it was no coincidence that the sides met in the second semi-final. This resulted in a win for Ainslie - however, to our team's credit, there followed a resounding 92 point win against Queanbeyan in the Preliminary Final to give us another crack at Ainslie in the Grand Final.

The rest, as they say, is history.

During the home and away rounds our back line had been one of our significant strengths - led by our Captain Kyran O'Shaughnessy and ably assisted by Mick Hassett, Andrew

McIntosh and Darren Stocks. Our mid-field, with Dean Knight, Robert Hanily, Cameron Day (when not playing First Grade), Jason Moore and Solomon Fitzgerald were matching it with any team. Our forward line - which sometimes boasted the likes of Luke White, Michael Sammons, David Klepp, Tony Mahar, Nick Egan, Ben Edwards and Lyndsay Seymour (until he broke his wrist) - went on its merry way in scoring goals.

In closing, I congratulate all award winners in all grades. In particular, congratulations to Shane Clarke and Luke White on their League medals.

I also wish to acknowledge the support I received from our hard-working Committees (both Football and Social Clubs) and my fellow coaching staff - especially Steve Harrison, who has taught me a great deal in season '99. Special thanks also to Symon Badenoch for his help through the year and Tassie van Diemen and Rod Cowie as fellow selectors. Ian Geary's efforts as Canberra District 1 coach should be acknowledged - he supplied endless numbers of players to field a competitive team all season.

A special mention must go to our medical staff who worked tirelessly all year to keep players on the paddock.

Our playing staff must also be congratulated on their contribution. Let's make the Year 2000 the year of the Belconnen Magpies!

... Rickie Dolliver, Coach

Canberra District

Division 1

Season 1999 was not successful on the scoreboard, winning just the one game. The start of the season saw only three players remaining from the team that had made the finals in 1998.

The position of this team within the Club means that each week there is a very different set of playing personnel. On one occasion we had to make nine changes to the selected 18 between 1pm and the 2.15pm game time. This was a group of players who got together at 2.15pm and went out and played to satisfy their individual requirements.

The final half of the season saw the team totally out-played. After our biggest loss for the season, against the second bottom team, a group of players thrown together in adversity, decided to accept the challenge. This group developed to form the nucleus of the team and set about improving the performance of the team in the second half of the season and winning at least one game. That they were able to achieve this is something they should be proud of.

Attendance at training increased without the reward of success. The greater the challenge the better we played. It was pleasing to observe the players develop to the stage where they were a team.

Congratulations to all award winners and to Ben Danaher who achieved 100 Club Games. Special thanks to Norm Simms for his tireless work as Team Manager, runner, water runner and father confessor.

Thanks also to Margaret for the work assisting Norm and water running.

To Vaughan Geary and Carl Schroder thank you for the many times you acted as runner or water runner after playing yourselves in the game before. Also, a big thanks to Peg Townley and Gary Schmidt and the other trainers and to those brave parents, friends and loved ones who continued to support when things got tough. You really had to love them some days.

Finally I would like to thank all the players for the enjoyment they gave me this year. The challenge is to go forward from here and make all the early disappointment worthwhile.

I wish you all the best.

... Ian Geary, Coach

Division 2

The Club's Canberra District 2 team was blessed with having consistent numbers all year - we finished with the same 40 we started. Some of the older heads were able to pass on skills and expertise to those who had not much experience of Australian Rules football and their efforts were very much appreciated.

Congratulations to all trophy winners - these players are receiving awards for their special efforts. Special mention to CD 2 trophy winners - Tony Gibbon, Andrew Day, Peter ('Spud') Bradley, John Rankine and Karl Schroder.

Finally, I would like to thank the Committee of the Belconnen Football Club for their support over the year.

... Peter Pocock, Coach

Women's Team

After turning up to the "Come and Try ACTWAFL" day, we were signed to the Belconnen Magpies Club. The nucleus of the team comprised ACT Touch representatives. Other players in the team had their foundations in other sports, including; basketball, OzTag and rugby union.

Having absolutely no idea about Australian Rules, our overall athletic ability and team skills were our greatest assets. That and a desire to be successful led to our continued good results. In the first few games most people tried out all the positions. It became quite clear to most whether they wanted to give or receive pain. With the pain came the opportunity for glory and thus our forward line was built around the ambitious and brave. Those who discovered from first-hand experience the pain without the glory settled into the defensive line. And the rest experienced a bit of both and controlled the middle of the field.

Over time we learnt and developed numerous skills. Apart from the obvious - kick, mark and handball - we started to develop an awareness of the nuances of the game. Without doubt the most difficult aspect of the game was getting the ball off the ground. The weather conditions didn't help our cause, but some of the girls developed some strange but fairly effective strategies in clearing the ball. We look forward to playing during the day and hopefully the ball will come back to us if we decide to have a bounce.

Of course at some stages in some games a few of us got our ambitions mixed up with our abilities. This usually led to a fairly hefty penalty (usually on the wrong end of a big tackle - although this supplied numerous laughs for those not on the receiving end).

To finish both minor Premier and Premiers in the ACTWAFL in our inaugural year was not only very pleasing, but a shock to all of us. Losing only two games during the year we definitely stamped our authority in only the second year of the ACTWAFL. All year games were played in great spirit, enthusiasm and a real competitive nature - which is a credit to the girls and the competition organisers. A special thanks to the ACTWAFL committee for all their hard work.

With the possibility of day games and the increase from nine-a-side to 16 a side next year, hopefully we can improve on the skills learnt this year and gain a greater knowledge of the game next year.

Overall a very enjoyable season was had by all associated with the Belconnen Women's Magpies Team.

The Team would like to thank the Senior Club for welcoming us into the fold and supporting us in our endeavours - particularly Peter Taylor and Ray Baguley. To Magpies, the Sports Club - a big thanks for your welcome, especially John Kimball and Jon Burrows. The season would not have been the same without the support of the two sides of the Club.

We would also like to thank all the organisers of the ACTWAFL, all opposing players, the umpires, our greatest supporter Fred Schwinghammer, our umpire Adrian Browne, our supporters and especially our organiser and team manager for all her hard work, Mel Lever.

... Owen Gregory

Junior Development

Having been appointed in February 1999 as Junior Development Officer and Reserve Grade Coach, I feel very proud and privileged to have had the opportunity to help continue to lay the platform for the future of the Belconnen Football Club - through our junior clubs and the schools in our large community.

With over 30 schools in the area comprising primary, secondary and college levels, it is a big area to cover. The AFL's main push this season has been in the development of the code through the primary schools combined with promotion of the AusKick program.

My involvement as Development Officer has included sports expos, major clinics at Lyneham, Mawson and Football Park and the co-ordination of the AusKick Day at the Ainslie Football Club.

During the middle of the season I had the pleasure of selecting and coaching the Belconnen Primary Schools Sports Association District team. Although the team was not very successful, it performed creditably.

Our Super Clinic for our own two junior clubs was a resounding success - with

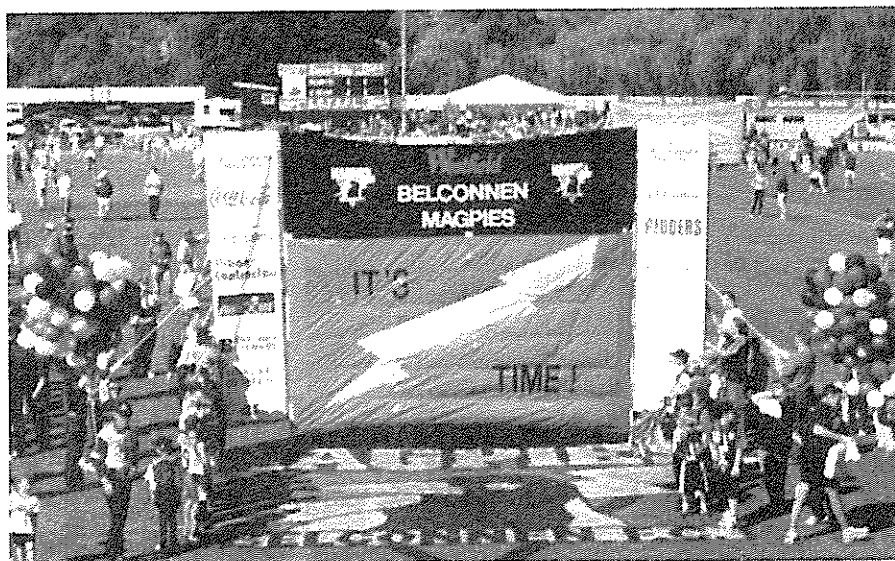

most Reserve Grade players attending and passing on valuable knowledge to our players of the future.

In summary, I believe the season has been very busy and successful. I've certainly found it very satisfying. We have conducted over 200 clinics in the Belconnen area and I am confident this bodes well for the future of our Senior Club.

In closing, I would like to thank Leigh McPhan and the West Canberra Junior Club Committee as well as David Gallagher and the Belconnen Junior Club Committee. John Williams and Paul Netting deserve particular thanks for their assistance throughout the season as well as other players who assisted me.

I also wish to recognise the efforts of Peter Cates, Steve Sharp, Rebecca McCaskill and the rest of the staff within the Club. In addition, I thank AFL Canberra (especially Peter McGrath, Ben Fibbs and James Sealy).

First Grade Banner - Grand Final Day 1999

Junior Clubs

Belconnen

A season of growth, some trials and some success.

Belconnen Juniors had nine teams in the ACT Australian Football Junior League this season. This represented an effective increase of two teams. We managed a combined Belconnen/West Canberra Under 18 team under the banner of Belconnen Magpies. Our player numbers increased, particularly in our younger ages - our Under 8s and Under 9s having over 20 players each and enjoyed terrific seasons. Combined with over 50 participants in AusKick (introductory skills and participation), the year has been very encouraging in terms of recruiting young children to football.

Our Under 18s demonstrated they were competitive with all teams in the competition with some good performances. The season did have its disappointments with variable player numbers and too little support. Both the junior and senior clubs owe much to the perseverance of coach Shane Evans, trainer John Lockie and the leaders in the team - we will reap the rewards for their efforts in coming years.

We had two sides who made the finals. Our Under 15s, under the guidance of Belconnen legend David Bennett fin-

ished the home and away season third but won all three finals to win the premiership. A fantastic effort. Our Under 12s proved to be one of two outstanding teams in the competition - they won the second semi-final but went down by a mere 5 points in the Grand Final in a game where the whole team gave 100 per cent.

Belconnen Juniors is very grateful for the support it received this season from the senior club. Through support provided, we were able to offer free registration this season - this undoubtably helped boost our numbers for the season. We have worked together to foster junior development in schools. The effectiveness of this activity needs to be improved, but is nevertheless an important activity. Many senior players have assisted, encouraged and supported our junior teams during the season.

Belconnen Juniors are delighted to be associated with the Belconnen Magpies. We grieved at the disappointment of grand final day - but we know that the professionalism, effort and commitment will surely bring its reward in the near future.

... David Gallagher, Junior President

West Canberra

Following on from season '98, there has been a further increase in the number of players involved in the West Canberra Junior Football Club - with sides entered in the Under 8s, 9s, 10s, 12s, 13s, 14s, 15s and a combined side at the Under 18 level. This was an increase of one side on last year and there was, in addition, another successful year run for the AusKick program. The numbers taking part in AusKick are very encouraging and it is hoped that they will translate to extra players in the ACTAFJL competition next year.

Mike Attwell again headed a great group who looked after the AusKick program. This is the real nursery of future sports people and especially Australian Rules football. The work done at this level is greatly appreciated - although I think the adults sometimes have more fun! In addition, Rick Dolliver's work in the schools and promoting the AusKick process is greatly appreciated and hopefully will continue.

In addition, Rick Dolliver's work in the schools and promoting the AusKick process is greatly appreciated and hopefully will continue.

The Under 8s and 9s were coached by Greg Cassimatis - ably assisted by many. This was a big ask as the times for commencement of one age cut across the time to finish the other age. Finding a person to coach one of these sides was not fruitful and it is intended to approach a wider range of prospective coaches next year. The Under 10s were coached by Shane Harvey, also assisted by many, and he has enjoyed this role. Henry Posch coached the Under 12s and has been involved with the team in previous seasons.

Malcolm Fischer coached the Under 13s through a very good season and made the Preliminary Final. The team performed well

throughout the year and has a very good nucleus for the future years. Brett Langham coached the Under 14 side and the players responded well to his coaching. Mick Drage and Dave Fitzgerald took on the Under 15s - which was another side playing well in spurts. As noted by David Gallagher, above, the Under 18 combined side was coached by Shane Evans and was known as the Belconnen Magpies. The team had a tough year, but played some meritorious football. They are to be congratulated as a group for their efforts. The combined side was administered by the Belconnen Junior Football Club this year and we are grateful for their efforts.

The Club, in conjunction with the Belconnen Junior and Senior Clubs, appointed Rick Dolliver as the Junior Development Officer. He has been responsible for running, either by himself or with other suitable senior players, hundreds upon hundreds of clinics at schools and has established a network for future years. As noted in Rick's report, the main focus has been on building the AusKick base and I believe this is the feeder to Club competition.

I would like to thank senior players who assisted at training and with AusKick. The players' presence is good for the junior players to see and gives the players a clue of the senior Club and what they can aspire to.

The West Canberra Junior Football Club congratulates the senior Club for the advancement to two grand finals - regardless of the result. Both the First and Reserve Grade sides have many Belconnen and West Canberra Juniors within them and the continued advancement of these players is crucial for local junior development. Separately, the Magpies Juniors congratulate David Bennett and his Under 15 Belconnen side for winning the flag.

The Magpies Juniors would like to thank the Belconnen Football Club for the financial assistance in covering costs for the Development Officer as well as their promotion of senior football through the junior ranks. I would also like to thank Magpies - The Sports Club for their direct financial support

in the employment of the Junior Development Officer. This year the social club provided equal amounts to both junior Clubs to allow the Clubs to promote free registration. This is a positive message in promoting Australian Rules football and is very much appreciated. The Club also provides a great facility for other functions both for-

mal and informal - and the assistance in running events is greatly appreciated.

... Leigh McPhan, Junior President

"We're a Happy Team Belconnen" - so say the victorious co-captains of the U15 premiership side, Lexie Bennett and Mat Dryden

KROTSCH BELCONNEN

As we enter Belconnen's 30th year, it is appropriate to acknowledge the outstanding contributions of a number of members which have been an integral part of the story of the Belconnen Football Club. In recognition of their special place in the history of the Club, a Roll of Honour was unveiled on Presentation Night 1999. The Roll of Honour will continue to grow with the Club in its development of, and participation in, Australian Football in the Belconnen community.

It should be noted that the West Canberra Football Club has appointed a Committee with a view to compiling a Roll of Honour to acknowledge contributions made by members of the West Canberra Football Club.

Inaugural members of the Belconnen Football Club Roll of Honour are:

TOM ALLISON

Tom Allison became the Club's first senior coach in 1971 after playing more than 100 senior games for North Melbourne and Victoria. He was captain-coach from 1971-1974 and then continued as a player, winning two best and fairest awards (1971 and 1976) in 106 games with his classical football skills. Tom took the new Club to its first finals appearance in first grade in 1972. He also coached and played for the ACT. Tom served on the Football Committee in 1972-1976 and 1978-1981 and played a major fundraising role on the Supporters Group. Tom was Best Clubman in 1976 and became a Life Member in 1995.

ROBERT ANDERSON

Robert 'Andy' Anderson served the Turner and Belconnen Football Clubs

as a trainer and head trainer for 31 years from 1963 until his death in 1994. His eminence in the field was recognised with his appointment as head trainer for ACT Representative Teams. Andy was unwavering in his support of the Club and its players, doing much more than ministering to the body with his friendship, enthusiasm and faithful service. Andy was awarded Life Membership in 1984 as one of the Club's greatest supporters and servants. He received the ACT Australian Football League Certificate of Merit in 1985.

RAY BAGULEY

Ray Baguley was a member of the first senior team in 1971, having played for the predecessor Club, Turner. Over the next 11 years, Bags played 169 games as a full back or back pocket, including 115 in first grade for which he became the first player to reach 100 games. He was a member of the 1978 Reserve Grade premiership side. His off-field service continues with more than 15 years on the Football Committee and four years as President from 1982-1985. Bags was Best Clubman in 1974 and 1981, became a Life Member in 1985 and received the National Football League Merit Award in 1986.

DAVID BENNETT

David Bennett retired in 1992 after a record 302 Club games (268 in first grade) as full back and centre half back over 18 seasons. A Belconnen junior, David played his first senior game in 1976 and went on to win three best and fairest awards (including in his final season) and finishing runner-up four times. Curly was first grade captain in 1990 and represented the ACT. His distin-

guished service as a player was achieved while also serving on the Committee from 1982-1995. As President in 1990-1991 he lead the Club in its relocation to the West Canberra premises, which laid a firm foundation for the future. David was Best Clubman in 1984 and 1985 and became a Life Member in 1988.

FRANK GODDARD

Frank Goddard began his involvement with the Turner juniors in 1967 and over the next 30 years compiled a staggering record of outstanding administrative service to the Club as one of the rocks on which the Club's existence is solidly based. Frank was first grade team manager from 1972-1977 and served on the Committee from 1972-1978 and 1986-1997, mostly as Secretary. Frank's roles over many years have also included Club Registrar, ACTAFL delegate and editor of the Annual Report. He was Best Clubman in 1973, 1977 and 1994 and became a Life Member in 1987. Frank was awarded the National Football League Merit Award in 1994.

ROBERT GODDARD

Robert Goddard was a Turner junior who played with Belconnen in its first season in 1971 and over the next 15 years played 226 Club games and became the first player to record more than 100 games in each of first and reserve grades. An elegant winger, Rob was captain-coach of the 1982 and 1984-1985 Reserve Grade sides and won the best and fairest award in that grade in 1981 and 1982. Rob joined the Club Committee in 1983, on which he served for a total of eight years including as Vice-President for several years. Rob is the author of the wonderful history of the Club, 'The First 25 Years'. He was awarded Life Membership in 1985.

MICHAEL PRICE

Michael Price joined Belconnen in 1976 and played 103 games in first grade on the half

forward flank until his retirement at the end of 1981. He was Most Consistent Player in 1977. After his retirement as a player, Michael continued as an outstanding administrator and served on the Club Committee from 1982-1987 and 1991-1997, including nine years in the demanding position of Treasurer. His work as Treasurer, including many years in charge of fundraising, has been instrumental in the survival and growth of the Club. Michael was Best Clubman in 1983 and was awarded Life Membership in 1988.

GARY SCHMIDT

Gary Schmidt began his association with Belconnen in 1970 as an under 19 player and also played, from time to time, with the Reserve Grade. In the mid-seventies Gary turned his attention to medical and training support. As a member of the training staff since then, he has made an outstanding contribution to the Club and its players, with a record of service now well into its third decade. During that time Gary has made an enormous effort to attend countless training nights and match days for the senior grades and apply his expertise to the benefit of the players. Gary was awarded Life Membership in 1989.

PETER TAYLOR

A Belconnen junior, Peter Taylor began his first grade career in 1977 and finished in 1991 after 16 years service with 256 Club games. Pup's distinguished playing career, mainly as a rover, included 219 games in first grade, a record five best and fairest awards and three times runner-up. Peter was also a regular ACT representative player. Peter was on the Committee in 1982 and from 1995-1999 has served a record five year term as President, during which the Club has consolidated its position in the ACTAFL and its relationship with the West Canberra premises. Peter was Best Clubman in 1998 and became a Life Member in 1989.

CLUB MATCHES

100 Club

Players who have, over the years, played 100 games in either the First or Reserve Grades, are awarded a pewter. The pewter is struck at the end of the season in which a player reaches the milestone and is presented to him at the annual 100 Game Dinner. Belconnen tradition demands that members of the 100 Club gather at the function, ceremoniously open the cabinet where the pewters are kept, and drink a toast to welcome the newcomers.
