# President's Report

The year 2000 promised so much but delivered very little and certain aspects of the year were extremely disappointing to say the least. The off-season set us on a bad start and things deteriorated from there. The Matheson departure was unexpected and could be considered as a slap in the face to his mates. I think we also fell for the three card trick in regard to offers being made to our players from opposing clubs. This was unsettling and made us all take the eye off the ball.

We knew we had to secure a mid field player to stiffen up the middle and teach us how to win out of the centre. Our inability to secure this player was certainly a major factor in how we performed this year. All of us - admin people, coaching staff and others at the club - have to be prepared to do the networking in this area and not leave it to fall on the shoulders of just two people.

We must take these lessons with us, and our players must realize how single minded you have to be to be the best in the competition. Having the best squad, like we did in 1999, doesn't necessarily get you across the line. A club spirit that is the best in the league has to be there as well. We are maturing as a group and I encourage the players to take ownership of their club to a greater level.

Having said all this, the club is in very good position to go forward. We have as talented a core group of players as anyone in the league. A lot of the work that has been done over the past six years is still there and we are not far from being a real contender.

We can look forward to a vastly improved 2001. There are 6 or so young players coming through that will play 50 plus senior grade games. A very solid balance sheet within the social club allows us to have consistency in our administration that is paramount to being constantly competitive. That part of our business is traveling quite well but we still have to be prudent in this area.

Congratulation to all the award winners on Presentation night. Congratulations in particular to Steve Mahar on his Australian representation and his third B.F.C win. The Read brothers have accomplished a great club achievement in having each played 100 first grade games.

Thank you to all the volunteers that put in enormous amount of work throughout the year to field our teams. You are too numerous to mention individually but I express my thanks from me and on behalf of all the players and supporters.

To Steve, I know it is disappointing when a change is made but there is no right way in which you can deliver that type of decision. You have brought some very good qualities to the club which I hope will remain for a long period. I have nothing but praise for the way you prepared the teams between games.

As this is my last year as president, I would like to express my thanks to everyone involved over the last six years. I thank the club for the honor of presiding over it during this time. A lot of hard decisions have been made and we're on track to being a very successful club. Thanks must go to Mick Danaher, John Kimball, Peter Bradley, Ray Baguley and Jon Burrows for the unwavering support they have shown.

I think it might be appropriate to remind everyone what this committee has achieved over the last six years, as it was really the 'renaissance' of the Belconnen Magpies Football Club.

1. Rescued from a very serious financial position;
2. Built a very strong bond with Magpies the Sports Club and turn it in to a very profitable business;
3. Built a very strong core of locals who are the backbone of the club;
4. Appointed professional coaching and administrative team;

## *President's Report Continued*

5. Multiplied our income by 5 times the original income;
6. Rewrote the constitution of the sports club the football club and magpie juniors so that the relationship will grow even stronger between the all the clubs;
7. Rebuilt a very strong relationship with the Belconnen Cats.

We still have a lot of work to achieve by way of training facilities at home grounds etc but we

now a very strong foundation to build from and hopefully an announcement on an alliance with an A.F.L club will soon follow.

Finally to Sonia and family: thank you for your unending support in this role which has taken me away from the family far more times than that which is fair.

**Peter Taylor**

# *Treasurer's Report*

In last year's report I commented that our budget will have to increase for Year 2000 to keep abreast of the ever increasing costs in running a football club. For the first time the Club comprised of six sides, with the Under 18's and the Womens team being included in the senior club. This addition of two teams put further pressure on the budget.

I am happy to announce that even with the budget increasing from \$153,000 in 1999 to \$195,000 in 2000, we were able to cope with the increase. This was achieved by generating extra income from sponsorship, car raffles, jolly joker and the Social Club. With a month to go, as I write this report, I am confident the Club will finish the financial year with a modest surplus.

For the 2000/01 financial year changes are being planned in the areas of coaching, players and administration. These proposed changes will increase the budget for next year by 35%. The increases will be largely self funded through additional sponsorship, and with the Social Club providing further support.

The introduction of the GST in July has had an affect on the Club's finances. The government have got their greedy hands on our function and raffle money, specifically auction income from functions, and BBQ, aftermatch, and car raffle takings.

Particular thanks go to our major sponsors in Belconnen Magpies Sports Club and Westfield for your continued support to the BFC. Many thanks to all our sponsors, with particular mention to:

AUTOCO  
RDM Insurance Brokers  
WR Engineering  
Urban Contractors  
Goddard & Partners  
Market Meats  
Trevor Keyes Electrical

The Long Lunch and The Sports Night proved extremely successful and the people who attended were glowing in their praise for the functions. Ray Baguley and his band of helpers are doing a fine job with our functions.

Finally thanks to Jon Burrows and the Social Club for their continued support and help over the year, and our football committee for their tireless effort.

# Match Committee

The match committee's job is to organise the support necessary for the teams to train and play. This task starts well before the pre-season training and continues until after the last game, which this year was the Grand Final in reserve grade. We had six teams to support in season 2000 with the Under 18s being transferred from the Junior League to become a Senior Club responsibility. The same group of dedicated support staff, with some new additions, continued in their roles, although some took the well earned opportunity to cut back the level of their involvement.

*Pre-season* - Pre-season training started in early December. Wodonga travelled here for a practice game in the pre-season, and we competed in the AFL sponsored competition involving Sydney Football League clubs as well as playing practice games in Canberra. The trainers and team managers all provided pre-season support for the coaches and the players.

*Managers* - Mick Sek, Jim Donlan, Norm Sims, Margaret Norris and Len Sheedy did great jobs for their teams. I want to thank Jim Donlan for stepping in to cover the first grade job in the latter part of the season as well as doing his usual professional job for the reserves. Margaret Norris gave great support to the thirds and the Women's team. Norm Sims took oversight of the Thirds and Fourths and continued the line marking job at Kippax Oval.

*Trainers* - Our trainers continued their great service to the players. Thanks to Steve, Gary, Carol Andrew and Peg. Steve took over the role and burden of head trainer and carried us through a difficult year for the trainers. Also thanks to John Lochie for his work with the Under 18s and the senior sides during the year. Amanda our club physiotherapist provided her professional support.

*Time Keepers* - Paul Gunn kept time for the Seniors and the Reserves all season and phoned scores through to the press. He also kept track of games played and goals scored. Thanks again 'Gunny' for another excellent year.

*Runners* - Damian Tuck and Rickie Dolliver and did the running duties for the Seniors this season. Dave Veldman did the bulk of running for the Reserves. Thanks to all.

*Water Carriers* - Thanks to David "Condor" Meehan and Carol Webber for doing most of the water carrying on match days. This is an area where we need to get more support.

*Scoreboard* - Thanks to Genevieve and Alan Netting for doing the scoreboard at all our home games.

A number of other people put in valuable work for the Club all season. Thanks to Ray Baguley for organising and presenting the after match awards, and Shirley Levier for running the Canteen and Reg Rathman (and family) for helping out. Also thanks to Meg Day for helping out with the thirds and fourths BBQ's. As usual I apologise to any one I have neglected to mention, many people give some of their time at different parts of the season to help get the teams on the field.

We need to recommit ourselves to being a competitive and professional club. This year in some respects our standard of service to the teams slipped as we were faced with supporting six teams for the first time. We have to revise our organisation and processes to ensure all teams get a level of support that we and they are happy with.

# General Manager's Report

The slide from Grand Finalist to fifth was certainly a dramatic one. It is a poor result and whilst we were down on personnel in the middle stages of the season we have as a Club under achieved. We needed to perform well in the pre-season to build confidence and momentum given that it was such a short season. The results in the first 2 games against Queanbeyan and Tuggeranong where we were out of the match on both occasions at quarter time showed how out of form we were. From then on it was a struggle all the way and rarely did we show the form of 98 and 99.

Fortunately, it appears that we will be able to retain a very high percentage of the 2000 list and with the introduction of some new players in 2001 and the continuing development of some of the youngsters a march back up the ladder is certainly possible. Highlights of the year were:

- Rickie Dolliver's development squad were minor premiers and were unlucky to lose on Grand Final day.
- For the first time in the Clubs history we fielded 6 senior teams.
- Steve Mahar was selected in the Australian Country team following some outstanding performances at the carnival in Wagga. Steve also won the Club's Best and Fairest for the third time.
- Melinda Smith was awarded best player in the women's competition.
- The fantastic achievement of Brendan, Daryl and Wayne Read playing their 100th first grade game in the same year. Thanks Dannielle for the banners.
- Ben Aulich's performance in kicking 44 goals from only 10 games.
- Robert White's selection in the AFL Canberra's "Team of the Century".

Our functions, in particular, The Magpie Long Lunch and The 100 Game Dinner continue to grow in status, popularity and profitability due to the professional manner in which they are organised. Thanks to those committees.

Many issues will confront us during 2001; some that we are aware of and others will come from left field. Some of the major issues are:

- Implementation of the strategies that were

identified at the joint football and social club forum held in August.

- Make adjustments to our administrative operation now that we have recruited an additional person to assist with football management. Our new Football Assistant Manager is Duane Rek and we warmly welcome Duane and his wife Liz to our Club.
- Prepare to take the maximum advantage from our proposed alliance with Collingwood and take care to preserve the longevity of this relationship.
- Make definitive decisions as to our policy in developing our training and home ground facilities.
- Further build our sponsorship and fundraising base to reduce our reliance on high risk fund raising ventures.
- Protect our interests in the disposal of Football Park.
- Redefine our junior development program and implement methods to measure its effectiveness.
- Prepare for our tour to Ireland in October and teach the Irish how to party.

Peter Taylor will stand down this year as President of the Football Club after being at the helm for a record 7 years. Without Peter's vision and commitment this Club would not be in the very healthy position that it is today. Club stability and indeed success is not measured by the number of games the first grade team wins each year. It is measured by the organisation's ability to consistently compete at a high level, operate and fund a professional football program. Peter has been the driving force in the Belconnen Magpies being able to achieve these abilities.

In closing I would like to thank the many volunteers including the members of all the committees who have assisted in so many ways on so many occasions. They with the players are the lifeblood of the Club. To the two Peters, Pup and Spud thank you for your support and last but not least thanks to Kate for her help and interest in what I was doing.

# First Grade

Season 2000 was a total contrast to the previous two seasons. We lost a number of players to retirement or pursuing their careers at other clubs or interstate. Numbers at training were down from the commencement of pre-season and stayed that way till early in the new year when they started to pick up.

Our performance in the pre-season cup was encouraging, although not making the finals we were very competitive, winning one game by 15 points and losing the final two by 5 & 2 points respectively.

3 Weeks into the season proper we had lost a further 4 players, Clarke for the year, Aulich, O'Kane, Klep, T Mahar and Broad all had interrupted years.

To lose players of this calibre made it very hard to get a settled and balanced side on the paddock. Thus our performances suffered for the remainder of the year. It was pleasing that moral in the senior ranks was terrific and training was well attended all year.

Great to see several young players play their first senior games for the club: Raadts, Wurf,

Edwards, Dunn and Lavery. One of the big highlights of 2000 was Steve Mahar being named all Australian at C.H.F. in the Australian Country Championships at Wagga.

I was disappointed at the way my time at the club came to an end. I felt it could have been handled better with more substantial reasons. I believe, as a club, the B.F.C has to make a decision weather it wants to continue more as a social club, or become a much more professional club. To be more professional it has to front issues head on and make the hard decisions.

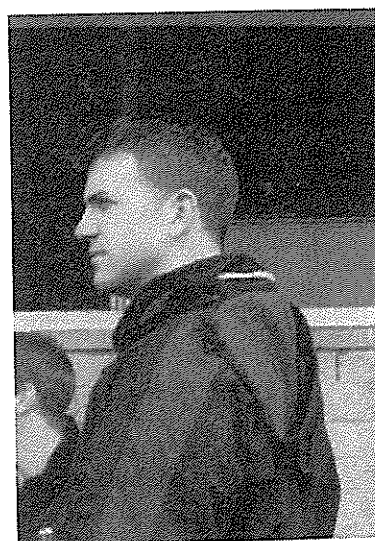

In finishing thanks to the match committee, Symon, Chris & Rickie. To Dave and Kyran for their contribution. All training staff, Jim Donlan, also the senior players for their support. Congratulations to all trophy winners.

I can only hope the club goes forward and achieves what it sets out to do, hopefully I have left something behind that in some small way has helped the club become better.

A very successful season, but a very disappointing day. Our Grand Final loss certainly wasn't the way we wanted our season to end. Our season of 2000 was certainly an interesting one. Some hard fought wins, a couple of disappointing losses, some rain, some shine and some snow. It had everything except that elusive Premiership Cup.

We had a few new players, some older ones who went around again, and a great group of players of whom I've had the pleasure of coaching for two years now. All in all we had in excess of 50 players who played second grade throughout the course of the year, and at times we had to call on our third and fourth grade as well as our U/18 team, and our thanks goes to those players involved.

Although very disappointing in our Grand Final performance, there were some encouraging signs for the future. Darren Hooper has indicated his desire to play again, and Hoops as Captain was a great leader and role model for our younger players and a big help to me also. Although a very young side, we still have quite a bit of experience, and I would hope with a bit of work, most of our development squad would be aiming to force their way into our senior team on a permanent basis.

Congratulations to all our award winners, especially Paul Raadts and Dean Knight, our Best and Fairest winner and runner up, on having very good seasons.

In closing I have a few 'thank you's'. Firstly to Peter Taylor as outgoing President for firstly giving me an opportunity to continue coaching in Canberra two seasons ago and for his ongoing help and support throughout the past two years. To Steve Harrison from whom I learnt quite a deal over the past two years, thank you. To Symon Badenoch and Chris Aulich, thank you for your input and help over the year. To Kyran O'Shaughnessy who as my right hand man I could not speak too highly of, thank you very much. Thank you also to Jim Donlan for the great job as our Manager through, at times, some frustrating moments. To all our runners, trainers and support staff, thank you all very much. Also many thanks to David Veldman. To my partner Peta for all of her help and support and lastly to all of the players who helped get us to Minor Premiers and to get to another Grand Final. Two losses in two Grand Finals in a row should be just the spur to make us work harder over this summer and come back **Stronger, Tougher, Meaner** in 2001 and go that one step further...

a "Premiership".

## Division 1

This season saw a marked improvement in the team's performance. After winning one game in 1999, we won three in 2000, however, this year we were very competitive against all teams going down by small margins in many games. As a group we came together as a team substantially better this year. Unfortunately the lack of player numbers in the 3s & 4s resulted in many players backing up and playing two games which cost us a few more wins.

Our back line was one of our significant strengths this year. Damien Molony, David Crowe, Shane Lees, Chris Doyle, Mick Simms and Chris McDevitt were consistent and strong performers all year often against much taller opposition. In the mid field we did have the luxury of Jason Moore, Wes Campbell and the ageless Leigh McPhan who were a constant source of attack. Unfortunately the coach was a slow learner and it took well into the season to sort out the forward line. Once we put Ben Danaher up forward Sam Danaher and Nathan McNeill across half forward we finally got a forward structure that could kick goals. If only we had tried that earlier in the year.

There were many highlights during the year and many things we will miss now that the season is over. The pretty play of CD. Watching Crowie on the charge. Listening to Shane shout at his fellow players, Damien Molony advising the umpires on the laws of the game. Gary Schmidt attempting to fight the whole Gungahlin team. Jason Kilroy and Mick Simms trying to fight anyone including their own team. Grubby trying to take a hanger and line up for goal. The look Ben gives Sam when he does not quite get to the contest. Alex, Glen Sam and Bomber, who was going to turn up last. John Rankine running a half marathon just to get on his left foot. The people in the crowd having bets on who will get to 40 stats first Jason Moore or Wes Campbell.

The Williams boys with their skills and what about the last game "Weekend at Burnies" or what.

Congratulations to all award winners especially, Jason Moore on winning the ACTAFL player of the year for this division, Kris Collins, who played many games in this team, for being runner-up in the ACTAFL 18's medal and Mel Smith for winning the ACTWFL best and fairest medal.

Special thanks to Norm Simms for his work and support as team manager and then as vice president later in the year, Marg Norris for taking over from Norm as manager.

Thanks to the Ardlethan group, "puddles" for his advice and running, Jo and Giselle for their water running. Also thanks to the Coates boys for water running and Arran who acted as runner later in the year. I would also like to thank Meg Day, Len Sheedy and Mick Sek for their work behind the scenes and all the supporters who continued to come during the year.

To the training staff Gary Schmidt, Peg Townley when she filled in and John Lockie on training nights a big thanks. You all acted professionally and with a sense of humour that enhanced our season.

I would like to thank the Committee the other coaches for their support and advice Steve, Rickie and especially Greg who shared those cold nights with me.

Finally I would like to thank all the players for the enjoyment they gave me this year.

A number have indicated that they are going up to the big time next year, I wish them and all the others all the best.

## Division 2

Season 2000 was one of mixed results for the Club's 4th Grade team. The team got off to a good start with a big win in its first outing, but from there the player numbers seem to fluctuate from week to week, resulting in the team only having 3 wins for the year. This situation meant that each week there was a very different set of playing personnel. On one occasion we had to make multiple changes to the selected 18 in the hour before the game. Fortunately several of the 3rd grade players arrived to help field the side, as a result, on this day between both the 3's and 4's a total of 13 players backed up and played 2 games. Thank to all those players for their commitment.

Congratulations to all award winners on their achievements and to Ben Ryan, who recorded 100 Club Games. Special thanks to Ian Geary for all his support throughout the year, and thanks also to Len, Norm and Margaret for the hard work behind the scenes. To John Hutchinson and Carl Schroder thank you for the many times you acted as runner and also thanks to James Coate and the other maggies juniors who ran water. A big thanks to Gary Schmidt and Peg Townley and the other trainers for the support throughout the season. Finally I would like to thank all the players for the enjoyment they gave me this year, and also thank Peter Taylor and the committee of the Belconnen Football Club for opportunity to coach this year.

## Junior Development

Year 2000 was my second year as Development Officer with the Club and I enjoyed it immensely. Again we spent a lot of time in all primary schools in our area. Most schools in our area were very happy to have us in their schools and all very helpful in allowing us to pass on our knowledge and expertise. The kids loved it, boys and girls alike, from kindergarten to grade six.

Most clinics incorporated three lessons each of one hour time frame, teaching the basics of Aussie Rules. We also helped coach a couple of

junior regional squads which were involved in carnivals held at Kippax and Weston on separate occasions. My thanks goes to James Dunstan and Ross Dennis for their help throughout the year. Our region is in very good hands with these two dedicated and talented people. Thank you to everybody who helped throughout the year and let's make 2001 the best year ever for the Belconnen Football Club.

Yours,

Rickie Dolliver

## BELCONNEN CATS

Belconnen Juniors enjoyed a successful season in 2000.

We fielded teams eight teams in the ACT Australian Football Junior League. The younger play Aussie Footy, involving non competitive games with modified rules to encourage skill development and participation. The Under 8s were coached by Reserves captain Darren Hooper, making him the Club's only captain/coach. They had a great season and developed enormously during the season. Under 9s also had a very good year - a highlight were games against the Magpies, which matched two of the stronger teams in the competition. In the Under 10s we had two teams - the first time we had multiple teams in the one age group - lets hope this is a sign of the future. We also run a successful AusKick program at Giralang during the season, which should lead to healthy recruitment in coming seasons.

In the competitive age groups (Under 12s to Under 16s), the Club had its most successful seasons for some time with all four of our teams making the finals, which was the equal highest representation in the finals of any Club. Our Under 12s started with four big defeats, and then beat every team but the ultimate premiers to make the finals and finish fourth. The Under 13s, beaten grand finalists in 1999, went one better in 2000. After an early season loss they dominated the competition and won the grand final by five goals. Under coach Phil Chisholm they play a brand of footy which would be the envy of many sides of any age. Under 15s has a large squad and finished a very credible third. Our Under 16s were very competitive, beating all but the premiers before finishing fourth. Look out for players from this team as they progress to senior ranks.

A special mention to Michael Stakelum who won the League best and fairest in the Under 13 competition - another one to look out for in the future.

The Club is very appreciative of the substantial support received from the Senior Club. This support has enabled the Club to continue to offer free registration, and to promote football in the schools in the district. We are particularly appreciative of the support of senior players who adopted teams and for the many players and officials who cheered during the finals games.

This support is very important to our Club, as it is a core objective of our Junior club for our players to progress to senior football at whatever level. The professionalism and effort of the Belconnen Football Club should ensure that our players can aspire to play with a strong and happy Club in the local league.

## MAGPIES JUNIORS

The year 2000 season was shortened due to the Olympics and we got things underway reasonably well considering the slow process of the draw that did affect a few age groups for the first half of the season. We have had a successful season with our Under 8's having a good year. Most of those boys came up from the Auskick program, which has proved to be a great start for the young stars of the future. The coach of the 8's this year was Les Johns and with a lot of parental help the boy's responded well, playing some very exiting football during the year.

The under 9's also had a big year with David Lowe coaching and with three new players. They went along through the year building with confidence game by game. The ability of these boys to improve showed when they met up with our partners in crime the Belconnen Cats who, in this age group have been a formidable force. After a hard battle the Magpies came out victorious. Having these two teams battling it out on top makes for a good future for both Clubs.

The Under 11's have done just as well this year having two brains behind them in Carl and John. The boys certainly had plenty of experience to draw on. Though, from what I saw at times I wonder just who was learning from who; just kidding guys - the boys went well again this year and should put them in a good position for finals footy in 2001.

Bernie Skinner was the Under 13's coach and he had a good year with a good side. The boys went a bit quiet in the middle of the season but started very keen and had a very strong finish. Having some boys able to attend development trials for Under 13's and Under 14's makes this a very capable side.

Malcolm Fischer, the Under 14 coach had another strong season with a berth in the Grand Final. They finished in third position at the end of the home and away games and then had two very strong wins against Ainslie and the 98/99 Premiers, the Lions, to give themselves a chance at the title. They weren't successful on the day but did themselves and their coach proud. They will be a force to be reckoned with in season 2001.

The Under 15's struggled a bit for numbers and with a crew of 16 it was a tough season with the away games, especially those at Gordon. However when there were games at home or close to home there were always plenty of volunteers from the Under 14's to help make up some numbers. The team has a very strong nucleus and with some smart early work on numbers next season they will have a good year.

The Under 16's have had a very good season and with an early pre-season start they were very keen to get into the action. The first couple of games were a bit hard with opposition teams getting off to some quick starts. They

had to play a bit of catch up footy but with their coach's non-panic nature were able to turn about and get into the position where they were getting the jump on teams. The coach was Mick Drage and he gave the boys some good direction. They ended up with some very good wins which left them with the confidence to go up into the Under 18 competition next year and I am sure they will do well.

I would like to thank the Social Club for all their support this year. They have helped in many ways as they have in previous years. A special thanks to Jon Burrows and the staff for their help with raffles and office work. Thanks to Rowdy for his Newsletters-, they have been something the players and parents have looked forward to each week. I would also like to thank the Senior Football Club for their input to the Juniors throughout the season with the third and fourth Grades interacting on training nights and the Under 18's for their help in brooding some of our Under 16 boys to Senior football. Shane Evans and Mick Burgess have been inspirational in this area.

Well done to the ladies team, they showed that they are very committed to the game with good numbers on training nights and another strong onfield season. To the first and second Grade teams ~s for your efforts towards the Juniors throughout the year, I hope season 2001 is a successful one - good luck.

I am very grateful for the help from my Committee. Everything we do together has run smoothly, we are moving along well and have a lot of good ideas floating around for the future of our Junior Club. So to all Committee Members, thanks for making my transition to President this year a smooth one and I'm looking forward to next year. Now I can't finish up without telling you all that Committee work is not all that hard and it doesn't take up a lot of time, so if you have an inkling of jumping on board or have any ideas to share please just ask.

# Under 18's

Before the start of season 2000, as a team we had to get the off field support staff right, which did happen. Scott Reid and Michael Searle were appointed assistant coaches ("sensational"), Gary Cheesman as team manager, Mike Burgess as PR manager, Paul McCaskill as runner, and John Lockie as trainer.....what a team.

The 2000 season completed we as a club have improved from the previous season, we set out to increase our player base, (we were never short of players for all our games) and our on field performance, which we did achieve.

We finished the season on a winning note (you are only good as your last game) but we did not convert our opportunities during the season and need to more competitive.

With 7 wins for the season and to miss the finals by 2 games in fifth spot was not what I expected to achieve this season, but a definite improvement from last season. With first game players becoming better players as the season progressed and missing injured key players we were not consistent in our performance, which did not help our chances to make the finals. We as a team on numerous occasions were the better team but we did not value possession we gave the ball away too easily, too many mistakes. Training will improve the situation.

To all the players from the Under 16's (Cats & the Maggies) who helped out when possible I thank you for your assistance.

To our Captains Kris Collins, Brad Burgess, Geoff Kay, Adam Rathmann thank you for your on field leadership which was much appreciated by your team mates and this leadership assisted me to help with our game plans. To Kris, who was runner up in the League's Best & Fairest, which exemplifies his performance as a player and team leader and Kris did miss a few games to injury and reserves, well done Kris.

Kris Collins, Geoff Kay, Matt Porter, Lachlan McKinnon, Adam Rathman, and Ross Merchant all played some reserve grade games during the season which will assist the development of players in the future to make that transition to senior football. I strongly support the reserve grade development of players, all players should play at the highest level their ability allows and this applies to Leigh Lavery the legend goal kicker in U18's. Leigh played First and Reserves grade this year after having surgery last year and has come back stronger and better this year, well done Leigh.

Injuries to key players did not help our cause, Luke Credlin, Brad Burgess and Ben Langham your season did end early but you have time to recover and bounce back fitter than ever as there is plenty of football in front of you and thank you all for your off field support. Ben had few games at the end of the season in the U16 it was great to see Ben back playing again, just proves it can be done. To Adrian McIntyre and Tom Chapman who battled to the end of the season with bad injuries, thank you for your commitment...it may have been painful but your courage was strong.

To the team support staff, Scott Reid and Michael Searle who assisted me, Gary Cheesman Team Manager, John Lockie our trainer and Paul McCaskill our runner. The players and I thank you all for your assistance, it was much appreciated.

We now need to regroup and be more competitive next year but changes are required both on field and off field if this is going to eventuate.

To all award recipients and the Cats Under 14's premiership, I congratulate you all on your achievements this season.

To all involved I thank you very much.

**Shane Evans**

# Women's Grade

Well, how much fun was that?! Firstly let me thank all those who provided their assistance during the year, Melinda Smith, Cristy Williams, Puddles, the club, Mick Sek, Fred Schwinghammer, Margaret, Ian, Vaughan, all the trainers and supporters and of course Macca who I am sure spent more time at the Women's training than at the seniors.

Congratulations to Mel on winning the ACTWAFL medal and the club's best and fairest, an exceptional effort for someone who cannot kick on the run. Also thanks for those special moments of entertainment you provided for me and the team during the year.

To Alex, our runner-up best and fairest, congratulations on your year. An award well deserved.

Also congratulations to all the girls that receive awards at the presentation. I can't mention you here for as this goes to print the tender process is yet to be finalised.

The season consisted of ten games and a final series. The competition had six teams, ADFA, Tuggeranong, Belconnen, Ainslie, Eastlake and Harman. Each team was played twice. The girls began their season with great energy and by halfway were second on the ladder. They had won four of their five games, only losing to the eventual premier ADFA. However, the second half of the season was to be a different story. Succumbing to ADFA, Ainslie and Tuggeranong and winning only one of their last four games the girls finished 3<sup>rd</sup> and found themselves in the 1<sup>st</sup> semi against Ainslie. Two weeks before Ainslie had beaten the girls by around four goals in the toughest game they had played. All indications were of an early exit from the finals. Yet the atmosphere at training in the week leading up to the semi was special. There was a tangible air of self-determination, an electricity that suggested maybe, just maybe, the girls had what was required to do the unexpected. And so it was; the girls tore into Ainslie with a ferocity and determination that can only be likened to a housewife at the post Christmas sales. There was a pure and unadulterated desire to give Ainslie a spanking.

In what was their defining moment as a team the girls achieved a sensational one point victory over their much fancied rivals.

The girls were unable to take advantage of their momentum as the preliminary final was not to be held for another three weeks so as to accommodate the women's AFL carnival being held in Canberra. Belconnen was well represented with six girls being selected to represent the ACT. Karen "Whoopi" Aldons, Mel Smith, Alice Broughton (who won most improved for the carnival), Giselle Coromandel, Joanne Harris and of course the multi talented Rebecca "Icon" Goddard, who I believe achieved something of significance during the game and won the heart of one of the Victorian girls.

After the carnival and a two week break came the preliminary final against Tuggeranong. This was to be nothing like the first semi. Missing Mel, who had suffered a knee injury playing for the ACT, and Alex Staples, who was unavailable (best and fairest and runner up respectively), the girls were not quite able to match their opponents and were hampered by an inability to penetrate and convert (Mel's specialty). On the day Tuggeranong were deserving winners. While the loss was disappointing to all involved the post match activities at the club provided some consolation.

To all the girls that took the time to play and train and socialise, thank you. I appreciated your listening, most of the time, to what I had to say. I am sure that sometimes it was not immediately clear what I was on about but remember I played many years under the tutelage of Ian Geary. I hope you enjoyed your year as much as I did. Life is about making memories and I hope this year has provided you with some fond ones.

Finally, on behalf of myself and the team, thanks to all the sponsors, including our very own Fantasy Lane, for their support through the year.

**Kel Glossop**

## CLUB MATCHES

### 100 Club

Players who have, over the years, played 100 games in either the First or Reserve Grades, are awarded a pewter. The pewter is struck at the end of the season in which a player reaches the milestone and is presented to him at the annual 100 Game Dinner. Belconnen tradition demands that members of the 100 Club gather at the function, ceremoniously open the cabinet where the pewters are kept, and drink a toast to welcome the newcomers.

In 2000, Belconnen welcomed Brendan, Daryl and Wayne Read to the 100 Club, as well as Jim Calvert whose games with Turner Football Club were added to his Belconnen Football Club total bringing the number of first grade games Jim has played to 133.
