PRESIDENT'S REPORT

Daryl Read - President

When life takes the wind out of your sails, it is to test you at the oars." - Robert Brault

I was honoured to accept the position of President of the Belconnen Magpies Football Club in December last year. My family has had a long association with the club and I am very proud to be able to make a contribution. Unfortunately 2010 was the year that the Belconnen Magpies Football Club reaped what we had sown. Just as we all basked in the glow of 2009, we must all carry some burden of responsibility for a season in which we didn't play finals. It is too simplistic to point to one event, or one problem. It is fair to say that the compounding effect of multiple events created an unfamiliar environment for us that we weren't prepared for. We had a playing list which was exposed by injuries to key players at wrong times and then didn't have the depth of list, or depth of character to meet the challenge this presented.

Off field 2010 was an initiation by fire for a new BMFC board. With a new President, new Treasurer (Mick Williams) and 4 new board members (Rory Markham, Chris York, Liam Early, Mick Williams) we were quickly under the pump when we lost the services of our General Manager, Garry Davidson, in March. Paul Netting answered an SOS call, kindly accepted a board position, and assumed the role of managing our sponsorships. He quickly turned this portfolio around, growing our sponsorship base and improving the servicing of our sponsors. We also welcomed to the board Lachlan Searle in May. Lachlan brings experience in media and marketing with large international sporting organisations and will be a key board member for our club in years to come.

The departure of Garry Davidson was a difficult time for the club and me personally. I will be eternally grateful to those who mentored me through this and offered support and advice. It must be said that to the end Garry always acted with the best interests of the club at heart and no one wanted success for our club more than Garry.

Garry's departure left a large hole at a critical time in pre-season. Thanks must go to Lyall Camp, Jo Foster, Scott Reid and Andrew Ainger who all worked together to ensure we got to round 1 in Sydney with minimal disruption to our playing group. We were without a General Manager until round 7 in the season when we gratefully welcomed Ray Hocking to the role. Ray stepped in at a difficult time and has performed admirably over this period. I look forward to working with Ray when he is able to implement some of his own ideas and put his own stamp on this club.

Despite the challenges that our new board faced we were able to implement a number of our key initiatives for the year. These include:

- ⇒ Review of our internal processes and procedures to implement recommendations from the 2009 audit management report.
- ⇒ New BMFC administration offices upstairs at the Magpies Sports Club.
- ⇒ Sponsorship growth outside of our Magpies Sports Club grant. Both in revenues and the number of new sponsors. Also improvement of our sponsorship servicing with a Magpies Business Network lunch.
- ⇒ Re-establishment of a Past Players and Officials group and a successful function at our first home game of the year where we defeated Ainslie and unfurled our 2009 Premiership flag.
- ⇒ Announcement of our "Team of the Decade 2000-2009" at the 100 Club Dinner
- ⇒ Growth of our Long Lunch, 100 Club and Presentation Night functions
- ⇒ Development of the Magpies Academy (commencing end of 2010) for identified junior talent.

PRESIDENT'S REPORT (CONT ...)

I'm extremely proud of all board members and the contribution that they have made. To all of you and your families "Thank You".

I will leave the on field achievements and results to the reports of the respective coaches elsewhere in this annual report. However I would like to make special mention of Adam Garret who as a first year coach guided a young reserve grade side to a grand final. The experience of finals football for this young group will stand the club in good stead going forward.

I would also like to acknowledge the significant contribution made to this club by outgoing senior coach Brendan Read. At the end of 2008 the club found itself in a position where we didn't have a senior coach, and it was very late in the year to begin the search for one. Brendan had just player coached our Reserves to a Premiership and agreed to take on the senior coaching role at very late notice. That Brendan and his senior team were able to win the 2009 Premiership under extremely difficult circumstances will go down as one of our clubs greatest moments.

2010 was a different year, however true to his character Brendan didn't relent and never accepted that we couldn't achieve our goals until the very end. He is a Belconnen Magpies man and can be proud of the way he has lead our club over the past 2 years.

Another departure this season is our club patron, the Hon Bob McMullen. For the past 20+ years Bob has been a visible club patron, attending many games and functions over the years. Bob was also able to secure a sponsorship arrangement for us with Westfield which has continued for 20 seasons. In the early 1990s the club was in a difficult financial position and this sponsorship helped to secure our ongoing survival. Bob was inducted as a Life Member at our Presentation Night and we wish Bob all the best for his retirement.

I would like to thank all coaches, assistant coaches, team managers, trainers, medical and support staff, team runners, water boys

and girls, time keepers, gate keepers, canteen staff, video and stats staff. It is your contribution that allows a select group of lucky guys and girls to experience 2 hours of the greatest game each week. You have all done a fantastic job over the past season and I look forward to working with you all again next season.

To all of our loyal club sponsors a special thanks for your continued support this year. I hope you have enjoyed the benefits of our association and continue to see value in the work we are doing promoting AFL in the Belconnen community.

The club wouldn't be able to operate without the continued support of Bob Garrett, Jon Burrows and the board of the Magpies Sports Club. As the clubs major sponsor we are very grateful of the support you provide and the opportunities you give us to develop Australian Rules football in the Belconnen region.

Our club is full of willing people. Those who are willing to work, and those who are willing to let them. We need more help and more volunteers to assist with a multitude of tasks. If you can assist in any way please let us know. You will be welcomed with open arms and given an opportunity to be an integral part of something great as we work to regain our place at the top of the competition.

I wish all Belconnen Magpies people and their families a safe and prosperous summer and I look forward to working with you all again next season.

Daryl Read

TREASURER'S REPORT

On behalf of the board, I am pleased to present the Club's financial report for the year ended 30 September 2010. At the time of writing, the audit of the Club's financial records was not completed. Therefore, these results are correct at time of writing, however may change as a result of the audit.

In 2010 the Club is expected to report a profit in the range of \$40,000 to \$45,000. This is a significantly better result than our budget to break even for the year. It was a year of consolidation from a financial perspective with almost an entire new committee kicking things off in late February. We will certainly benefit next year with the majority of the committee back for another season. Preparations have already commenced for this exciting new era of AFL in Canberra with the inclusion of GWS.

Income for the year was \$650,000, down from a budget of \$690,000, however it was marginally up on 2009. During the year we wrote off more than \$25,000 in uncollectible debtors which had been carried for a number of years. Our long lunch function continued to be not only highly successful, but profitable. Well done to Jo & Katrina, and to all who assisted in our marquee event. The Magpies Sports Club grant contributed \$500,000 of income and we would not be able to run our 6 senior football sides, as well as fund our junior development activities in the Belconnen region without the Sports Club support. I'd like to thank Bob Garrett, Jon Burrows and the Sports Club board for their generous support and belief in our organisation. The remaining \$150,000 raised comes from the ongoing support of our loyal sponsors, functions, various raffles, and player registration fees. I'd like to thank all those associated with these activities.

Even though we didn't meet our income target I'd like to thank Paul Netting and his sponsorship team who worked tirelessly to deliver our sponsors great service and value for money. No doubt 2011 will be an even bigger year in this area, with the re-launch of the golf day and other new functions planned.

Expenditure for the year was \$600,000, on a budget of \$680,000. We were also able to secure various operational savings throughout the year as we were aware of revenue shortfalls, however the bulk of these savings will mean more money must be spent in these areas next year.

This trading profit leaves the Club with Net Assets of \$150,000. To all volunteers, support staff and BMFC board members I thank you for your commitment and support in 2010 and look forward to sharing future success with you all in 2011.

Michael Williams

Treasurer

The figures stated in this report are correct as at 1 November 2010, but are dependant on final audited figures.

GENERAL MANAGER'S REPORT

Season 2010 was an unusual one for the club, with no senior finals participation. With a high number of injuries mid to late season the early efforts of the senior team quickly evaporated, leaving Senior coach Brendan Read the task of bleeding several under 18 players, whilst fast tracking the development of an inexperienced group of reserve grade players.

From a club perspective it was heartening to see the development of Stephen Mickle, Daniel Jordan, Nick Collins, Tom Madsen and Zac Sheather from the under 18 group. The club has a bright future with both the under 18 team and a very young reserves team making the Grand Final. I am sure the club will find many long term senior players emerge from this group over the next few years.

With senior coach Brendan Read's retirement the club moves into a new era. Brendan's contribution to this club is immeasurable. With a senior and reserve grade flag to his credit as a coach, no one can deny his influence on the club as a whole, and it can only be hoped he continues his involvement with the club in some capacity.

I would also like to thank the coaches from all the other grades for their commitment throughout a very long season. Each of them extended their individual season deep into finals, and this a clear indication of that commitment.

Having come to the club mid season, I needed a lot of guidance in existing club issues and policies. The help and support I received from the Board has been terrific, but I would like to thank in particular the club executive of Daryl Read who must have at times rolled his eyes when my number appeared on his phone, Jo Foster for her help through numerous issues and Scott Reid for his support throughout the season.

This club, like many others cannot survive without its volunteer work force, and to see the time and effort this group generously gives to the club, does make one proud to be associated with the Belconnen Magpies. To all of you, your efforts are greatly appreciated.

Our Junior program headed by Andrew Ainger, once again has been run in a professional manner and been very successful, with a number of under age teams experiencing finals footy. With the inaugural Belconnen football academy kicking off this year, Andrew together with John Harper has been kept busy ensuring the club has a list of talented local footballers to draw on in future years.

With 2011 approaching quickly the club has been busy recruiting players to help the club regain its rightful position at the top of the AFL Canberra ladder, and new coach Michael Horne has current players on the track preparing for the new season and the possibility of a new league

JUNIOR FOOTBALL OPERATIONS REPORT

2010 has been another rewarding season from both the Magpies Juniors and the Belconnen Cats. From a development point of view the statistics show it has been a fantastic year with a gradual increase in junior football participation, school clinics, AFL competitions and Auskick numbers. This year we were able to build on initiatives created in 2009 while creating new programs to help develop our junior players.

Junior Football

Due to healthy numbers in the junior clubs both the Magpies Juniors and the Belconnen Cats were able to fill teams in every age group. A special acknowledgment goes to the U14's Div 2 Magpies team on winning the premiership and the U12's Magpies for making the finals. Thank you to both committees who put countless hours in to ensuring each age group was able to field strong competitive teams. The committee are an essential group when it comes to assisting the growth of AFL in the area. Congratulations to both the Belconnen Cats and the Magpies Juniors on another very successful year.

School Participation

This year Belconnen were able to conduct its specialised AFL program in schools due to the hard work of our trainees Ashley Balazic and Justin Croker. The club delivered its program into 91% of the schools in the area. This ensured that over 5000 children in the Belconnen region experienced the game of AFL, this led to an increase participation rate for the AFL competitions run. Thank you to Cameron James from AFL NSW/ACT for his ongoing support this year and to all the school ambassadors and teachers that make these school clinics possible.

Development

Again in 2010 Belconnen were on the front foot in terms of development. Both the junior clubs ran a successful end of season Auskick centres. We conducted the holiday clinics in both 1st and 3rd term holidays after how well it was received by the community in 2009. Term 1 saw Belconnen team up with Belconnen Basketball to provide an action packed holiday program. The program saw more than 25 plus children experience the different skills of AFL and Basketball. In term 3 Belconnen teamed up with BelNorth Soccer club, with over 60 children participating in the program. Soccer and AFL have similarities in the skills required to play the game, it was fantastic to see the children out enjoying the sunshine whilst playing sport. We look forward to continuing a partnership with both sporting clubs in 2011.

Senior Club

This year the club has worked on trying to strengthen its strong relationship between the senior club and junior clubs. Thank you to the work of senior coach Brendan Read and Captain Lexie Bennett. To all the senior players that gave their time up to assist the juniors, it really means a lot to the young children. The cooperation of the senior club to ensure that the VIP days for the junior was a successful day was very appreciated, the children were able to gain an understanding of what it would be like to be a senior player for the day. Thank you to all the senior players who attended the junior finals and to the juniors who attended the U18's and 2nd grade grand finals, this great bond that Belconnen have built will keep the club in good stead for years to come.

This year for the first time Belconnen Magpies have introduced a Belconnen Academy, aimed at players that have missed out on the Representative squads. John Harper will be head coach with the help of some very special guests. The program plans to show the boys aged between U14-U18's the pathway to Senior Football at Belconnen while exploring Physical preparation, Skill Development, Nutrient & Recovery, Personal Development,

JUNIOR FOOTBALL OPERATIONS REPORT

Athlete & Career development and Belconnen Magpies Policies. Belconnen hope this initiative will grow and become a great stepping stone for these young boys.

Thankyou

- ⇒ Thank you Garry Davidson for giving me the opportunity to experience the role JFOC role in 2010. Throughout the short time we work together your guidance and support was appreciated.
- ⇒ Scott Reid thank you for all you help, I have loved working with you, your passion for junior football is second to none, when I had a problem you were always able to assist me through the issue.
- ⇒ To the club presidents, Glenn O'Sullivan and Greg Cassimatis and their wonderful committees who have worked very hard to make 2010 such a successful year. A special mention goes to Greg Cassimatis who is stepping down as the Magpies Junior president after 8 great years of service. Greg will still be involved with the club but in a lower scaled role.
- ⇒ Thank you to the members of the Junior Football Strategic Planning Group for your commitment throughout 2010. Your dedication has provided a clear pathway for junior footballers to reach their goals.
- ⇒ Thank you to Ray Hocking for his support over the past 6 months, your knowledge and expertise has been very beneficial in helping me in my role.

Hopefully we can continue our good work into 2011 and encourage more children to play AFL.

SENIOR GRADE REPORT

**Coach—Brendan Read
Managers - Lyall Camp
& Cheryl Camp**

Success in a community football organisation like that at Belconnen Magpies comes in many shapes and sizes and can be viewed by many in different ways. Success for some is the joy they have from getting a kick and being involved in a great club like ours. Success for others is being fit and healthy and doing that in a Canberra winter is often an achievement in itself. Success for many is developing skills, either in a football sense or even in a social sense that our club has so often nurtured. Success for our volunteers is assisting and supporting our players in an often brutal sport that we choose to play.

In 2010 we achieved success across a lot of these endeavours and probably exceeded ourselves in many. Therefore 2010 can be a year in which success was around, but not in the format we are used to looking for it.

I hope that in years to come that success, may come from the environment and hardships that we faced this year together. One of the pleasing memories that I have of this year was the environment that saw players like Stephen Meikle, Daniel Jordan, Luke Donohue Kieran Ferns, Joss Whitford, Justin Hodder, Adam Curtois, and many others not only join the senior grade group, but have influence over the actions of that group. I hope that players of this new generation have faith in their ability to adapt quickly to playing at these higher grades, and mix that with a need and desire to be successful. Only time will tell.

To expose some of our future players to a Grand Final under the guidance of Adam Garrett is hopefully something that will put some credits in the bank for this young teams development. There is no greater development tool then exposing players to situations that they will face during their career. Players have often had success later in their football careers because they were no longer willing to accept

the alternative. I hope that these players have tasted the alternative and hate the taste. For these players to ultimately change habits and train and play at a higher intensity it needs to occur from day one of preseason, I hope that the friendships that were bonded this year for young men will be what drives a hunger in them for success.

Unfortunately in our senior side success on the premiership table wasn't achieved this year. While we can hold our head high with several achievements this year. We have provided the ACT Representative Coach in Steve Mahar. Steve actually had some health issues at the time and was able to commit and coach through this tough period showing his commitment to the greater football good in Canberra.

ACT assistant coach Rod Cowie, trainer/ Physio Scott Smith and players Chris York, Lexie Bennett, Ryan Turnbull, Simon Curtis, and Griffin Underwood claiming back to back All Australian jumpers must be recognised as a huge honour. As a very minor consolation we also defeated Ainslie 3 times this year and held onto the "cock of the north" trophy. We are the only side that the premiers couldn't beat all year and I would love nothing more for this domination to continue.

I am blessed with the assistance from a coaching group that was committed to brining success to the club. we sat down early in the year and nussed out a plan that would win games of football. Andrew Smith, Rod Cowie and Rhys McAlister as my assistants, Cade Brown as game day assistant, Darren Hooper also as game day assistant. These people are the cream of the crop in terms of football knowledge at our club and in Canberra and to have them as part of my team over the past 2 years was a privilege.

A massive help to all players at our club this year was again the efforts of Peter Dunn, Lyall & Cheryl Camp and Bill Viney. For Lyall and Cheryl to be really organised across the club, looking after our inventory and best putting to use our equipment. For Peter Dunn to attend every training session (probably more then his son Jon who plays) provide water to the boys whether its 37 degrees or minus 7 is just

SENIOR GRADE REPORT (CONT...)

amazing. We would lose plenty more footies without Peter!

To the trainers from the coach a big thank you, to all of you that give up your time away from your family to do the job for us we appreciate so much. From a personal point of view I can't fathom the satisfaction that you guys get from footy but I need you to know that while I don't understand, I do respect very much your efforts for the club I love.

To Ray Hocking who had a huge task this year well done on your 1st season. I think we can trust that you will drive the club forward in the right direction. The board whom have worked very hard this year, good luck in the coming years. You have the support of the players and coaches we all appreciate the work that you do for us.

To the sponsors who have been serviced this year by Paul Netting - the players understand that we wouldn't have all of the fun times that we enjoy with out your support. So a big thank you to Paul and all of the sponsors who make football possible. I would like to personally thank Jon Burrows and his team at Magpies Sports club who not only put their considerable weight behind the club but also give us a home to enjoy. This something that other clubs dream of, and I hope we never take for granted. To my players, Captained by Lexie Bennett

thanks for coming out and supporting me over the past 2 years. I could rely on any of you whenever I needed to and what you gave to me and the club was enormous. At presentation night I spoke of some players gilding the lily with regards to commitment. That is definitely not all players and the commitment by a lot of the group was excellent.

While I am not convinced that I have left the club in a better place then when I started I am convinced that during my time we were able to squeeze every conceivable drop of effort out of our club.

While I can now consider our group to be very unlucky with the injuries that we had this year, it probably exposed our players to the realisation that the effort and work load was being worn by too few and that this load needs to be shared across all players. With a shared improvement this will ultimately make us impossible to shut down and I look forward to watching us with great players across every position on the ground in the coming years.

In closing a final word to our players;

"Successful men are influenced by the desire for pleasing results. Failures are influenced by the desire for pleasing methods and are inclined to be satisfied with such results as

can be obtained by doing things they like to do. The common denominator of success - the secret of every man who has ever been successful - lies in the fact that he formed the habit of doing things that failures don't like to do." **Albert Gray**

RESERVE GRADE REPORT

Coach—Adam Garrett
Manager— Bill Viney

Firstly, I would like to thank the Belconnen Football club board for giving me the opportunity to coach the Development squad this year. After retiring from playing in 2008, I thought that I had finished a significant 'era' in my life. However life after football was always going to be a difficult transition. I was delighted when the opportunity to coach arose and I was also able to pull my footy boots on again! I have thoroughly enjoyed training; match days and having the opportunity to meet and watch some young, talented players develop.

Secondly, I would like to personally thank senior coach Brendan Read for his full support and mentoring in training and on game day. The chairman of selectors Rod Cowie, Justin Lalor, Bill Viney, Rhys McAlister and John Harper have also greatly assisted me as a first year coach. Their advice, tactical knowledge and physical assistance played a huge role in our successful year.

Season 2010, started as a bit of a dream with 11 wins after 11 rounds. I credit this to the exuberance, confidence and talent of our players. In a snap shot we had 10-12 players that were under 20 with the majority having graduating from the U18's in 2009. We also had Stephen Meikle and Joss Whitford who were still eligible to play U18's in the side regularly. The boys were fit, willing and dedicated to play for their club. The experience and leadership of Craig Eckersley, Anthony Whitard, Liam Early, Andrew Gatenby and Daniel Posch proved to be the perfect combination needed in a team. We definitely sent a message to the league that we were the ones to beat and that Belconnen has a strong future.

Throughout the year we have had a total of 48 players play in the development squad, which is a massive number. No two weeks were the same particularly in the second half of the

season when the Development squad felt the impact of the massive injury toll from first grade. We lost our experienced and more senior players due to promotion. This however gave some fringe second grade and U18 players an opportunity to join the squad. Rhys Hartwig, James Michelle, Tom Madsen, Jordan Harper, Zac Sheather and Daniel Jordan all came up from the U18s at some stage to give a hand. They certainly didn't let us down and showed that they were talented footballers that can play senior football.

In the second part of the season we were not winning as many games however we were still very competitive, losing by narrow margins. Although it was not best way to go into a finals series I still believe we had the talent to win it. The first semi was played in terrible conditions. We were beaten by Queanbeyan's experience, they capitalised on their opportunities. The preliminary final against Ainslie was one of the seasons highlights, to come from behind all day and kick the last goal with 30 seconds remaining, showed character and belief. The season concluded with a disappointing result in the grand final, being beaten again, by Queanbeyan's size and experience. The pain of defeat will stay with the players and hopefully next time they're faced with the same situation they will be able to overcome it.

With a young side there were not too many milestone games however we do have some honourable mentions. Paul Netting played his 100th second grade game this season. It was great to have the opportunity to see the club legend in action. Another honourable mention goes to Justin Hodder. He needs to be congratulated for finishing 3rd in the leagues best and fairest. Justin is a very talented player who would have won the medal if he hadn't played 5 first grade and 1 swans game. I hope he has a long future with our club.

Another personal highlight for me as a coach was watching the development of Graeme Cook, a rugby convert, trying out AFL for the first time. 'Cookies' skills were a little bit questionable at times however he made up for it with his ruck work. It is that willingness to try new things and give it your all that I admire in a person.

RESERVE GRADE REPORT ... CONT

Daniel Jordan also requires a mention, he stayed with the development squad during the final series when he could have easily taken the option of going back to the U18's. Well done Daniel for pushing yourself to the highest level possible.

My off field team of Ray Hocking (Football Manager), Bill Viney (team manager), Justin Lalor (runner/off field coach), Peter Dunn (water and equipment), Bob Garrett (Dad), Paul Gunn (time keeper), Brad White and Robbie Phillips (runners) need to be commended for their continual support and commitment. I appreciate the dedication and expertise of Gary Schmidt and Scott Smith as well as fellow trainers: Terry, Grace, Shannon and Kimbo. If these people weren't involved we wouldn't get teams on the field, so thank you.

To conclude, I would like to acknowledge my family: Natalie, Ben and Curtis. Their encouragement and support has made coaching a possibility for me. However it is with them and work commitments in mind that I have made the decision to not continue coaching at a senior level in 2011. I have felt conflicted throughout the season relying on my work colleagues to cover me or needing assistance with training. I ask my players to commit 100% and I would like to be able to lead by example.

It has been a pleasure to work with such a great squad. The guys are a credit to themselves, their families and our club. I look forward to closely watching their future progress.

Good luck in 2011.

Season 2010 for the Belconnen Magpies U18s was a successful one in a number of areas. On field we played a total of 48 players, a number of these players came from the u16s who are eligible for u18s next season. A core of top & bottom age u18s (Stephen Mickle, Jordan Harper, Daniel Jordan, Nick Collins, Tom Madsen, Zac Sheather, Rhys Hartwig and James Michelle) all had exposure to senior football and all displayed themselves as potential senior players for the Belconnen Football club in the coming years.

At the conclusion of the home & away season the team had managed to finish in fourth position on the ladder in a some what very even u18 competition. Finals are what we play football for and this is where we started to play our best football. We beat Queanbeyan by 6 goals in testing weather conditions in the elimination final at Manuka. This was followed up with a solid 40 point win against top side Ainslie in the preliminary final.

The lads played Marist in the grand final in superb weather conditions at Manuka oval. Unfortunately the results did not go our way, as a group and as individuals we learn from the experience and move forward.

Throughout the season we had many fine contributors who played a part in the team's success. Bradley Posch (Most Consistent & Players Player) had an outstanding season in defence displaying great character and leadership qualities. Andrew Courir (Best in Finals) also had an excellent season in defence often taking the best key forward and is a player to watch at senior level in years to come.

The midfield group made up of Jordan Harper,

Dominic Duncan, James Michelle and Shannon Goodsell all had consistent seasons and were instrumental in the teams' success. Rhys Hartwig and Zac Sheather although new to the club had consistent seasons and will very good senior players for the Belconnen Football Club in 2011.

A number of our bottom age players Luke Allen, Lachie Harper, Aidin Pini, Ben McCabe, Elliot Duncan and Alex Richens can all be pleased with their performances.

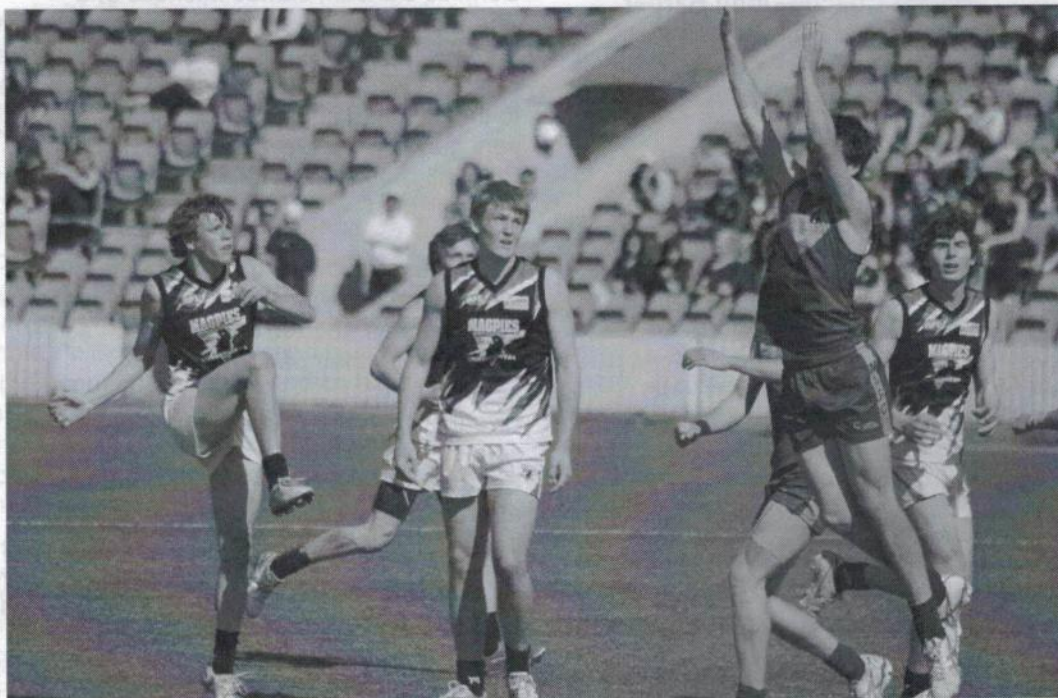

I would like to thank the people behind the scenes for their support and commitment. Sean Michelle and Richard Courir for being our runners throughout the season. Terry Jamieson and Grace Campbell for attending to player injuries and their well being. Richard Allen for being the team manager and tireless worker for the players. Kim McCabe and Gunny for doing the time keeping each week. Colleen Harper for video taping games. Vicki Pini, Jenny Michelle and Gillian Jordan for making muffins for the players after games. Trent Hopkinson assist coach / match stats and finally Scott Reid for his assistant coaching roles, but also the support he has given me and the players both on off the field throughout season 2010 — he has been outstanding. Its people like Scott Reid that makes the Belconnen Magpies football a fantastic club to be involved with.

Overall the effort, commitment and attitude from players at training and on game day were excellent. I am proud to have been involved in these young men's lives in season 2010. I look forward at watching their progress and development as individuals whether it be on the football field or a chosen career path.

DIVISION 3 REPORT

Coach - Kris Collins
Manager - Ivan Woods

The third grade side had a fantastic season, winning their first premiership since the 2001 season. A rough start to the year in which the team was 3 and 3 after 6 rounds was overcome through a mixture of perseverance with a winning game plan and a group of highly talented players gelling as a unit.

In a tremendously even competition the Pies were no certainties coming into the finals and had to dig deep in all three games. A last minute loss to ADFA in the second semi was disappointing but the next week saw a rebound victory over a tough Harman side at a sodden Football Park.

The Grand Final was a see sawing affair in which all 22 players put in 100%, coming over the top of ADFA in the last quarter to take an exciting grand final victory by under a goal.

Thanks to the runners, trainers, water boys and every who pulled on a jumper for third grade this season. The 22 who ended up with premiership medals could not have done it without you. Special thanks to Ivan Wood who was always the first to arrive and the last to leave. His support of Canberra District football has been remarkable and I hope he sticks around for a few more years to come.

Good luck to all in 2011.

DIVISION 4 REPORT

Coach - Jeremy Foster
Manager - Jo Foster

I would like to thank the Board for giving me the opportunity to coach 4th Grade again this season, the playing group was great to work with and an enjoyment to coach.

As always we started off 2010 season with great numbers at training, around 65 to 70 for both 3s and 4s and it looked like the numbers would remain. But like each season by round 6 or 7 we were running short on numbers, having to call on a few retired players to help out. It was great to see the likes of Bubba, Horse, Rowdy and Jugga help out the teams when needed. Thank you for your support and willingness to play. Toward the end of the season we were sitting well on the ladder and looked like we would do well in Finals, finishing the year second with 14 wins and 2 losses. However, we didn't have the best final series going out in straight sets. While this was disappointing, to the boys credit they kept pushing to the end and gave it their all.

With the newcomers to the club this year and the experience of the guys who have been around for a few years, we will push again for the ultimate goal in 2011.

A couple of the highlights for the season were the group of games in the middle of the season where we were short on players and all the games we were behind at three quarter time and in all the player dug deep, believed

in themselves and came back and won the game. The guts and passion the players showed was awesome to watch and a pleasure to coach. Another was the day Horse and Bubba made the trip to Goulburn and played, even though we lost the game the leadership both Horse and Bubba took on the field and the way the players kept pushing till the end was great to watch.

Congratulations to all award winners, you deserved the award and I hope it makes you keen for season 2011.

In finishing I would like to make special mention to the following that greatly assisted me throughout the year. Sam Jarvis, thank you for all your efforts this year. I know the guys really appreciated having someone there who will always look after them and try and get them back on the field.

To Ivan Woods, congratulations on receiving the Len Sheedy Memorial trophy, just deserved and thank you so much for all your assistance throughout the year. You will be sadly missed in future years as go above and beyond your role as manager and we'll all miss your company. To my wife, Jo, thank you for all your assistance in managing our team and being there to listen to all my coaching deliberations, you were a great support and kept the boys organised. Last but not least, the Captain of the Team, Skip, who was always reliable to provide advice on selection, attend training sessions on my behalf when I was on shift and just being there to bounce ideas off.

Thank you.

WOMEN'S GRADE REPORT

Coach—Justin O'Dea
Manager—Petra Bright

Overall the season was very successful. There was a noticeable improvement in the skills of the players over the season with the games becoming much more competitive over time. Morale remained high all year with 36 people attending the post season dinner. The women's team finished the season in 4th place in a 9 team competition. We were in 6th place prior to the finals, mainly due to the uneven draw. We played all the top teams from 2009 twice and all the bottom teams once. The final series was a final 8 with 6th playing 7th. We won the first final on forfeit as ANU couldn't field a team. This set up a semi final against Eastlake which we won in a huge upset by 10 points. In the preliminary final we played Ainslie on a wet and windy day. The conditions suited their bigger bodies and they beat us easily to finish our season.

The top 3 sides Ainslie, Tuggeranong and Eastlake beat Belconnen in both rounds. Eastlake inflicted our biggest losses for the year - by 63 points and 50 points. To beat them in the finals was exciting for everyone involved in the team. We hadn't beaten Eastlake since the competition started so it meant a lot to players who had played for many years. Against Ainslie we led at half time in our second round clash but had injuries in the third quarter and eventually succumbed. We were 13 points down to Tuggeranong at 3/4 time in our second round clash but they outscored us in the last quarter.

In total 26 players were used in games throughout the season. The maximum number of players we fielded for any game, however, was only 20. At times during the second half of the year we were only able to field 16 players. This was tough on the players as we were in winning positions on a number of occasions only to tire in the last quarter and be overrun. The players responded well though. They stayed a close knit group all year and kept a belief in themselves. This belief was vindicated with our win over Eastlake in the finals.

Of the 26 players, 11 were first year players. For most matches the team was evenly split between first year players and experienced players. There was a steep learning curve for the first year players and it was only in the second half of the season that they started to make an impact in games. Losing experienced players is a perennial problem

in the women's competition if a team hasn't had success in previous years. With the introduction of an ACT youth girls competition there should now be a pathway for young players to add depth to women's teams although Belconnen doesn't have a youth girls team yet.

Training attendance varied during the year. Prior to the season the highest attendance was 22. During the season the lowest attendance was 8. The semi final team attended 59% of training sessions. There were a core group of 5 that attended almost all sessions. If these players were removed the rest of the team attended 49% of training sessions. This was partly due to playing games on Sunday and players then being sore for Monday training. It was also due to the players knowing they were going to get a game without training because of our low numbers.

The pre-season got off to a good start with a practice game in Sydney against Southern Power. We won this game easily and it gave the new players some much needed confidence. We then played in the Cooma Gala day against Ainslie, Eastlake and Tuggeranong where we won all our games. The Gala day final was against Eastlake which we won easily kicking 9 goals in the first 20 minutes of the game. We made the final of the AFL pre-season carnival with wins against Queanbeyan, ANU and Ainslie. We lost to Eastlake in the final.

Overall the competition was well organised although playing games on both Saturdays and Sundays over the season was disruptive. Some valuable players had work or other private commitments on Sunday and the team never performed as well as a result. Pre-season training was often difficult to arrange due to difficulties getting access to ovals.

Many thanks to Daryl Smeaton who performed miracles in his first year as team trainer. Petra Bright did a great job as Manager. Thanks also to Judy Henson who filled in for Petra when she was away. Injured players and parents/partners/friends were happy to help out on game day in various roles, which was much appreciated. Ivan Woods helped the team each week by providing essential equipment. The Belconnen football department provided excellent support over the year.

With their improvements this year, the team is already looking forward to taking it to another level and more success next year.

MAGPIES JUNIORS' REPORT

Greg Cassimatis
President -
West Canberra Magpies
Junior Football Club

The 2010 season proved to be another highly successful one for Magpies Juniors with the Club fielding teams across the age groups with multiple sides at the Under 8 level and 3 combined sides with the Belconnen Juniors at the Under 16 level. As a Club we set a number of goals at the beginning of the season; primarily our objective was to increase player participation levels and to provide a development path for all junior players within the Club. These goals were achieved through the hard work and dedication of Committee members, coaching staff and the Junior Strategic Committee to monitor the transition of junior players from both junior clubs to the senior ranks.

This has proven successful again in 2010 by the on field performance in the Youth Football age group, with the club having teams in all age groups (12 -16) competing in the finals series. Congratulations go to the U14s who finished as undefeated minor premiers after the home & away competition and then went on to win the Grand Final.

Player retention from 2010 exceeded expectations from previous years which is reflected by the number of Magpies Junior players reaching 50, 100 and higher game milestones during 2010. This was accomplished by giving all players the opportunity to compete in a safe and friendly environment and by providing numerous off-field activities designed to instil Club spirit, camaraderie and mateship across all age groups.

AUSKICK

Auskick Rookie numbers increased during 2010 with a number of participants moving on to the Auskick Pro competition. The Club actively supported and participated in all rostered Auskick Pro fixtures. I would like to

thank the following for volunteering their time and effort to ensure the children involved with both the Auskick Rookie and Auskick Pro enjoyed the experience in 2010; Sonja Croker, Ben & Ell Barrow, Tim Xirakis, Emma Simpson, Mark Pocock, Nicole McCann and Julian Mules.

AUSSIE FOOTY

Aussie Footy (Under 10 and 11) numbers also increased during 2010 and although there was not multiple side in each age group both teams had healthy numbers. This provided a great atmosphere for the children involved to learn and develop their skill against the modified rules and I thank the following for providing their time and effort which ensured all children had an enjoyable experience;

Rickie Dolliver & Jodie Faram (Under 10s)
and Steve Dean & Catherine Trevaskis
(Under 11s)

YOUTH FOOTBALL

In the Youth Division Football it was another successful year in all age groups with increased numbers in all age groups with the club having representation in all age groups in the finals. This success was achieved through a great deal of effort on the part of the Committee, the coaching staff and the Junior Development Officer. From a Club viewpoint, the emphasis was on the development of all players regardless of their relative abilities with an aim of providing them with the necessary skills and knowledge to progress through youth football and on into the senior ranks.

Thanks to the Youth Division coaches and managers, Steve Porter, Jason McCormack, Adrian Croker & Catherine Shadbolt (U12s), Steve & Julie Smith, Scott Reid & Troy McKay (U14s) and Peter Taylor, Mick McIntyre, Shane & Kylie Wharton, John Austin, Leesa Hansen, Colin Mues and Anthony Telford (U16's) for their efforts and professionalism throughout the 2010 season.

Representative honours were bestowed on a large number of Magpies Juniors during the season, congratulations to all those players on your achievements at representative level in 2010.

MAGPIES JUNIORS' REPORT (CONT ...)

There are many people to thank for their efforts and assistance during the course of the season.

To our sponsors, Magpies the Sports Club, Taylors Real Estate, The Battery Terminal, Canberra Coaches, Scotto's Distribution, Bonza Bangers (Hawker Butchery), The Ginninderra Tavern, and Domino's Pizza, a sincere thank you. Your generous contributions have been greatly appreciated.

Thanks also to Andrew Ainger, the coaching staff and all those senior players who attended training sessions and junior games during the season; your input was invaluable. Also again to Norm Simms for his efforts in marking the ovals all season, thank you.

To all of our coaches, managers, parents and supporters, thank you for your hard work, particularly those who assisted with the behind the scenes tasks for helping to make 2010 an enjoyable and successful football season.

Finally to the hard working Committee, thank you all for your efforts in what sometimes seemed to be a never ending season. Additionally, To the Executive Members, I thank you for your dedication and thorough professionalism in making it another exceptional year for the club in 2010. This is greatly appreciated.

BELCONNEN CATS REPORT

Glenn O'Sullivan
President
Belconnen Cats
Junior Football Club

The 2010 season was another successful year for the Club. We made great progress off the field with our development programs and despite facing considerable challenges on the field, our teams once again displayed the fighting spirit our Club has always been recognised for.

Once again the Club enjoyed strong player numbers and the continued development of our players and teams. In this regard we thank the senior football club and the Magpies Sports Club and particularly Andrew Ainger and John Harper for their continued support.

The players who participated in our junior age groups including Auskick Rookie and Auskick Pro programs once again had an enjoyable year and we thank all those involved in making this a successful season. We look forward to seeing you all again next season.

In the competitive age groups we were challenged this year by the structure of the competition however were extremely proud of the never say die attitude displayed by our teams. We would like to thank our excellent coaches and managers for assisting the boys through a challenging year.

Congratulations to our teams that made finals and whilst we were not quite strong enough to win a premiership this year, we were proud of your efforts and the manner in which you represented the Club. We hope you can take some lessons out of your experience of the intensity of finals football.

Once again all parents should take the opportunity to thank the members of our Committee that put in so much effort to ensure the kids had a safe and enjoyable environment to participate in and develop their skills. Several of the current Committee are

stepping down so if possible please contact our new Secretary Ben Healy and offer your time to assist where possible as our great club will not survive without further parents becoming involved.

Once again we congratulate all involved with our merged Under 16 sides which have been a great success. The three sides were again excellently coached and it was fantastic to see the great spirit developed as players from both clubs continued to improve as players and develop new friendships. We appreciate the support and friendship of the Magpies Junior Committee and look forward to continuing to work together. In particular we are excited to be working with the Magpies Juniors to replicate the success of the merged Under 16 teams in the Under 14 competition to ensure we have the best opportunity of addressing the challenges of double aged progression.

It is with great pleasure that the Committee announces the awarding of two Life Memberships this season. These decisions are not made lightly and reflect outstanding contributions to the Club over extended periods. We thank Rob Kelly and Rob Lamb for their wonderful contributions as both coaches and administrators over many years.

Finally, I remind you all that none of this can be taken for granted. The environment, the culture, and the on-field success will only reflect the ongoing efforts of the parents and the players to maintain the levels of excellence we have aimed for. Our main focus should always be participation, enjoyment and development.

This will be my last report as President of the Club as I am stepping down after a three year period in the role. It has been a great honour to be the President of the club I first played for over 35 years ago and I wish everyone the best for the future and thank those people that have contributed so much in making The Belconnen Cats such a great club.
Cheers,

Glenn O'Sullivan

CLUB MATCHES

Players who have over the years achieved 100 games in the Senior Grade, Reserve Grade, Division 3, Division 4 or Women's Grade are awarded a pewter. The pewter is struck at the end of the season in which a player reaches the milestone, and is presented to him or her at the annual 100 Game Dinner. Belconnen tradition demands that members of the 100 Club gather at the function, ceremoniously open the cabinet where the pewters are kept, and drink a toast to welcome the newcomers. In 2009, there were five current player inductees; Stuart Dunn, Chris Calvert, Brock Weston, Dan Irvine, Michael Talevich. Congratulations to all.
