President's Report

2011 was another trying year for all involved with the Belconnen Magpies Football Club. On field our senior side was not capable of playing finals football. We lacked the experience and polish of the sides above us. However those who took to the field each week competed with true Belconnen spirit and won the admiration of all supporters and staff week in week out. I was very proud of the way our players stuck to their task each week, and I know that the hard knocks we have taken this season will stand us in good stead in future seasons. Down the grades the Under 18s were a shining light as they won the club's 5th U18/U19 premiership. Congratulations to John Harper, his off field team and every player who played throughout the season.

Off field we experienced another turbulent year in which we lost our General Manager on the cusp of the season starting, our senior assistant coach mid season and then our senior and reserve grade coaches with 5 rounds to go. Each of these disruptions required many hours of work from many people to ensure the club remained on course and that these positions were adequately filled. To everyone who stuck tight, provided support and help I am truly thankful.

On the administration side we had to replace our General Manager before the season started. Ray Hocking resigned from the role after cyclone Yassi hit his Cairns property and then the NZ earthquakes required his attention. I thank Ray for his contribution to the club during his short time in the role. With the season about to kick off we decided it was not the right time to look for a new General Manager. We didn't need to look far to find a capable replacement as we had earlier in the year appointed Cameron Campbell as our Junior Football Operations Coordinator. Cam stepped up to the role of General Manager and juggled his role as a senior player and club administrator in a very professional manner. This year we also introduced a new position in the form of a Marketing, Events and Sponsorship Manager. We welcomed senior player, Matt Hammond to this position. When Cam stepped up to the GM position it left a vacancy in our Junior Football Operations Coordinator role. We were very fortunate to have the talents and experience of Rob Kelly in this role for an interim period before we appointed Sav Coate. Cam, Matt and Sav have

developed into a good off field team and they should be proud of their achievements and work this year. Our social media presence and communication has taken a massive leap forward with our new website, improved newsletters and our use of Facebook and Twitter. Over the summer our first Magpies Academy for talented juniors was well received and supported and we look forward to many of these kids coming through our ranks to be 100 Game players in the future.

It is never an easy time when both senior and reserve grade coaches depart mid season, however we were fortunate to have Brock Weston and Justin Lalor step up and take on the respective roles. Both Brock and Justin performed these roles tremendously, Brock being able to lift the guys to a memorable win over Tuggeranong at Greenway in our last game, and Justin taking the reserves to a Preliminary Final before stumbling to eventual premiers Queanbeyan.

Despite the problems and issues this year there were many positives for our club. We kicked off the season with a "One Club" theme and this was supported by a combined pre-season camp and a combined season launch. This set the tone for the season where players and supporters from all grades supported each other and shared in each other's successes and milestone achievements. Our social events were well attended by all grades and post match awards at the club with all 6 grades in attendance created a welcoming and shared BMFC environment for everyone.

2011 was the 40th anniversary of the formation of the Belconnen Football Club and we celebrated this milestone at our 100 Club function. Thank you to all past players, sponsors and supporters who came along and shared in the occasion. The club is nothing more than it's people past and present and it was great to share stories and relive moments from the past 40 years. The highlight of the night was standing arm in arm around the room as we belted out a rowdy rendition of our wonderful club song.

Each season has it's milestone games and while not discounting the others the milestones of Paul Raadts (200 First Grade Games), Lexie Bennett (150 First Grade Games) and Brendan Read (Club Games record of 319) should be noted for their significant longevity at the club and particularly at the highest grades over many years. Congratulations to you all on these milestones, they are an amazing achievement and I know the result of many hours dedicated to the club.

We are also excited by the upcoming redevelopment of the Kippax Ovals. This project has been in the pipeline for many years and was nearly dead and buried before Brendan Read was able to bring it back to life. Through

President's Report cont.

shear persistence with the ACT Government and other project sponsors Bubba has successfully lobbied and negotiated his way to the point where we are looking at a \$3M plus project. This is an incredible result and knowing the hours that he has put into this project at the expense of his business, family and other interests the Club is indebted to Brendan for this work. Others who have assisted to get this off the ground are Rory Markham, Bob Garrett and Andrew Smith who helped get this project into the current government budget. Also special thanks to Cam Campbell, Matt Hammond and Vickie Read for their work so far with the very successful "Kick In For Kippax" campaign.

A lot of work goes into running a football club that operates for 11 months of the year. Our 6 grades played 109 games and conducted over 450 training sessions. This could not happen without the dedication and hard work of a small band of volunteers, managers and trainers. Lyall & Cheryl Camp, Bill Viney, Vicki Pini, Scott Reid, Jo Foster, Petra Bright, Lance Yu, Lauren Murray, Jess Markham, Pete Dunn, Terri Jamieson, Grace & Bill Campbell, Alison White, Sara Hooper, Rachel Wiseman, Nicole Wood, Samantha Jarvie thank you all. This club could not have operated this season without your invaluable contribution week in week out, rain, hail or shine. I am humbled by your love of this club, professional standards and selfless dedication to the playing group.

Once again this season we were fortunate to have the services of Clinic 88. I'd like to thank Brad Hiskins, Scott Smith and all their staff for their professional planning and implementation of our injury management and strength and conditioning systems. We are very fortunate to have the services of such a high caliber organization.

I'd like to acknowledge the contribution of the BMFC board this year. Dannielle Green, Jo Foster, Scott Reid, Peter Bradley, Paul Netting, Katrina Gallway, Liam Early, Lachlan Searle, Rory Markham, Michael Talevich and Chris York thank you all for your efforts in raising the bar of our off field activities. Particular thanks to Chris York and Lach Searle who are both leaving the board after 2 years of service. Your valuable input and insight will be missed.

To the Club Executive of Jo Foster, Peter Bradley, Scott Reid and Cameron Campbell I thank you all for selflessly giving so much of your time to the day to day running, administration and decision making at the club. Your tireless commitment is both inspiring and motivating and I know that the club is better for your contributions again this year.

To all club sponsors thank you for your continued support this year. We are extremely grateful for your loyal support both financially and through your business

networks and employment opportunities for players. To Bob Garrett and the board of the Magpies Sports Club we again thank you for your continued sponsorship and support of football in the Belconnen region. Your assistance with the Kippax redevelopment project has been invaluable and we are very thankful for your generous financial contribution to get that project off the ground. I should also acknowledge the contribution of John Kimball who is stepping down from the Sports Club board after 16 years of service, 8 as Chairman of the Sports Club Board. John was a key member of the group that brought the West Canberra and Belconnen Football Clubs together and helped to foster the wonderful spirit that we all love at the Belconnen Magpies Football Club. Thank you John.

To our incoming coach Matthew Lokan, partner Rebecca and son Jack. We look forward to getting to know you and welcoming you to the BMFC community.

This season I received a lot of support from different people at different times. As each week threw up new challenges I was thankful to have the additional support of David Bennett, Lyall Camp, Cade Brown, Brendan Read and Paul Netting. Each of you provided assistance at various times and I thank you for your loyalty, friendship and support.

Lastly to my wonderfully supportive wife Wendy and three amazing kids Jack, Flynn and Grace I thank you for your unwavering support and understanding. I love that you love this great club as much as I do.

I wish everyone a happy and safe summer and I look forward to working along side you as we continue our constant improvement in all areas of the club.

Daryl Read
President
Belconnen Magpies Football Club.

Treasurer's Report

The Belconnen Magpies Football Club has made a sizeable investment in training equipment over the year and donated \$25,000 into the Kick in for Kippax fund. Even with these outlays the Club will make a small profit for the year.

I would like to thank the Club Board for their tireless work throughout the year, especially Daryl Read who has done a tremendous job steering the Club through a difficult year. Cam Campbell came on board as Football Manager this year and has done a very professional and efficient job. Paul Netting has done a great job with Sponsorship and Matt Hammond has run some terrific and successful functions including the Long Lunch and the 100 Game/Anniversary dinner.

I would also like to thank all the volunteers for their hard work, the sponsors for their continued support, and the players, coaches and trainers who generously donated to the Kick in for Kippax fund. The support provided by these people and businesses typifies what this Club is all about.

I would like to recognize the support provided by the Club's major sponsor, the Magpies Sports Club.

Thanks to Jon Burrows and Bob Garrett for their advice throughout the year. Lastly I would like to acknowledge the fantastic job of the Kick in for Kippax committee lead by Brendan Read. If it wasn't for their persistence and drive we would be still dreaming about watching a senior game at Kippax.

Total revenue totaled \$735,000 for the year. This was an increase of 13% on the year before. Highlights included an increase in sponsorship of 43% to \$112,000, and function profits increasing by 60% to \$24,000.

Total expenditure totaled \$730,000 for the year. This was an increase of 21% on the year before. Major one-off items included \$20,000 on training equipment, \$46,000 for preliminary expenses for the Kippax oval including our donation to the fund, and \$9,000 on a new Club website.

I look forward to working with everyone again next year.

Peter Bradley
Treasurer
Belconnen Magpies Football Club

General Manager's Report

Season 2011 has been an interesting year for all involved. From a personal perspective I joined the club in early January as the Development Manager and a senior player, this role grew overnight with the departure of our former General Manager, Ray Hocking. I would like to thank the BMFC Board for giving me the opportunity of stepping into the General Manager position for an interim period. From this time I have had the unwavering support of the committee, volunteers, supporters, sponsors, players and the entire club. In August, I was over whelmed when I was reappointed as the General Manager of the club and I look forward to a new era for the BMFC. With this reappointment I would also like to thank my family who have given me massive support in the trying times of 2011.

Although our senior on field performance wasn't great in 2011 a number of talented young players were exposed to senior football and many players had to grow and develop quickly in what was a very young senior squad. Several players including Nick Collins, Jordan Harper, Oliver Tweeddale and Lachie Harper were all consistent NEAFL players and will have grown dramatically as footballers because of this experience. It was great to see the unearthing of Brendan Dess who became one of the top taggers in the senior competition. Thank you to our NEAFL Co Captains, John Love and Lexie Bennett, John was an instrumental factor in me deciding to make the move to Belconnen from Queensland. You have both been leaders on and off field in the season and will be sadly missed in 2012 season, however I do look forward to your return in 2013.

It was fantastic to be a part of the final round win against Tuggeranong and to hear the playing group and supporter's belt out the Magpies song was an unforgettable moment. Congratulations to Brock Weston and Justin Lalor on finishing off a difficult year in the New NEAFL Competition and Reserve grade competition respectively and thank you to the assistant coaches in David Bennett, John Harper and Damian Carmichael. Brock and Justin have brought enthusiasm, excitement and passion back to the football club and I'm certain they will continue in some capacity in 2012. Well done to our Under 18's premiership coach for 2011 John Harper, you are an inspiring, passionate coach and a definite draw card for our youth age programs. Your involvement in

the BMFC academy is also crucial to the development of our up and coming junior players.

Matthew Lokan has been appointed our new senior coach and I have great faith in Matt to steer the playing group in the right direction for 2012 and beyond. Matt is coming into the role as a new coach however he does bring an enormous amount of playing and leadership experience. His youthfulness and fresh ideas have the entire BMFC community excited.

2012 will possibly see a range of new coaches across many grades in the club and I look forward to working with each of them. I would like to thank the efforts of our 2011 coaches including Jeremy Foster, Rory Markham and Justin O'Dea and their support staff. These coaches have put in a massive amount of time and effort and I have thoroughly enjoyed working with them all year, once again I hope each of them continue in some capacity at the club in 2012.

Having taken on a dual role at the Club it has been fantastic to have the support of the BMFC board, in particular I would like to thank Scott Reid who has given me a huge amount of assistance from the first moment I put on that BMFC polo. Scott's work as a volunteer, a vice president and as a BMFC person has been remarkable. Thanks also to Jo & Jeremy Foster for being a wealth of knowledge and for welcoming my family and I into the club. Thank you to Daryl Read for showing confidence, faith and commitment to me and my role and I thank Peter Bradley for his ongoing assistance throughout the year. All members of the board have been great this year and thanks also needs to be given to Jon Burrows and Ray Baguley for their assistance and support.

A football club wouldn't work without the continued support of our wonderful volunteers, and I would run out of pages to name them all, but thank you to each and everyone of you, each of you perform roles that are critical to the survival and improvement of the club. Special thanks must go to Lyall Camp for his amazing support and commitment to the club behind the scenes and on game days. Thank you to Terri Jamieson as not only the trainers co-ordinator but as an instrumental person in constructing the annual report, club milestones information and KI4K assistance. Your efforts are greatly appreciated.

This year our Junior Development program went through a number of staff changes, thank you to Rob Kelly for the short period he was involved. Stephen Coate has now come into the junior development role and his work since he took on the role has been fantastic. He has rolled out a number of successful programs including the School

General Manager's Report cont.

Holiday program which increased in size and participation numbers from 2010 and will grow again in 2012. The Academy program will evolve this year and consist of 2 age groups, we are expecting large numbers across the board. Other new initiatives that have been rolled out in 2011 have been: Kids First programs, umpire education sessions and School based Auskick. Stephen is already looking at new initiatives for 2012 and it will be an exciting year for grass roots football where he will be able to put his own stamp on junior football in the Belconnen region.

Two new roles were created in 2011 to assist the football club, the major role assisting in 3 areas, event management, marketing and sponsorship. Matt Hammond was appointed in this role and relocated from Cairns, Matt has been exceptional in delivering in all areas of his role as well as assisting in developing new Club events like the Ipod Shuffle night. In 2012 there will be some new events including a BMFC Race day and possibly a reverse raffle. Matt has also been a driving force in the KI4K campaign along with Brendan Read and Andrew Smith, the fund has reached the initial target of \$100,000 and will reach \$128,274 once all pledges are finalised. It will be fantastic to be able to play home games at Kippax in the future.

Matt has also increased our social media networks to an impressive level. Jo Foster and Katrina Gallway have both been crucial to Matt's role and I thank them for their assistance. It has been a transition year for the sponsorship and Matt and I are both working tirelessly to meet and support all of our sponsors to ensure their continued commitment for years to come. Paul Netting has done a fantastic job with the sponsorship and should be commended for his efforts.

The second role that was established in 2011 was a part time Trainee role from Hawker College. Ryan Gibson, a current BMFC Under 16 player, took on this role for 2011 & 2012 and has been a valuable asset both in the office doing sports administrative tasks and also in the field where he has assisted the NEAFL, Reserves and Under 18's sides with stats.

The 2012 season is just around the corner and it is a very exciting time for the football club, although we are starting from bottom of the ladder its times like these where true club people will stand up and help the club re-establish itself in the new NEAFL competition.

Pre-Christmas training has just commenced and I am truly excited about the opportunities that lay ahead for our entire club and I look forward to working with everyone in the New Year.

Once again thank you to everyone that has been part of 2011!

Cameron Campbell

Water Runners	Too many to mention. Thank you to all that assisted over the season.		

Junior Football Operations Report

2011 has been another fantastic year from a junior perspective with both on and off the field success. There has been a great increase in player numbers and we have the great work from both junior committees to thank for that. From a Senior Club's point of view it's been a bit tricky at times seeing 3 different people go through the job this year. Since I have been in the role it's been great watching kids develop their skills and improve their footy. I can't wait to see these kids develop even more in 2012 and see them become senior footballers.

Junior Football

The Cats were able to field a side in every age group/division in 2011 which was fantastic; the Magpies fielded a side in every age group but unfortunately found in some age groups they had too many numbers for one side but not enough for two meaning kids were rotating heavily and it was not often they got a full game. Next year we are working towards boosting numbers across all ages to ensure we have kids playing as much footy as possible. Congratulations to all teams that played finals this year it was a great effort. A special acknowledgement must go to Ashley Davey's Magpies U14 Div 2 side who won the Premiership and also to Steve Porters Magpies U12s Div 2 side who took out the flag undefeated. Congratulations to Claude Edwards and Jack Powell for winning the league best and fairest in their respective age groups. Thank you to all volunteers and committee members who put their own time in. It really does make both clubs successful and great to be around.

Under 16s

The under 16's was a funny one this year. We started off great having entered 3 sides at the start of the season but unfortunately we dropped some numbers and we were forced to reduce to two teams early in the season. Both sides were still able to be very competitive and make finals. I would like to thank Mal Douglas, Steve Smith, Julie Smith, Kris Archibald and Scott Reid for all the work they put in this year with the under 16s. Thanks to Lukey Donohoe, Ryan Turnbull and Andrew Dess who gave up their own time to assist the group. There will be a large number of the U16 players move into the U18 competition next year and the senior club welcomes each of you.

School Participation

Belconnen were able to conduct AFL clinics in 18 of the 23 primary schools in our region till the end of term 3 and we are pushing hard to get clinics into the other schools in term 4. We had a great response from all of the schools and we thoroughly enjoyed getting out and introducing AFL to the children. I would like to thank Cameron James and staff from AFL NSW/ACT for all their assistance throughout the year without them we could not have had such an impact in our area. I would also like to thank all of the School Ambassadors, they make life easy when it comes to getting into our schools. This year we had 18 Ambassadors which is an increase on last year.

Development

It was a great year for development for both junior clubs, we successfully ran Auskick centers throughout the year. Two new Auskick Centres were introduced. One Centre was held at Latham oval and the other at St Michaels Primary, there was a total of over 45 participants across the 2 centres. We also co-ordinated and ran a very successful 3 day holiday program in the October holiday period and had over 60 participants exposed to a variety of sports including basketball, soccer and AFL. It was great to see the children enjoy the program and I'm sure there will be many future junior players come from this program. A special thank you must go to Sophie O'Dea and the team mascot for making the event such a hit. Preparation has started already for 2012 and we expect to have 2 school holiday programs. The addition of our Academy program last year was fantastic initiative, the program was aimed to give the players that had missed out on representative teams a chance to be exposed to the best coaching and improve themselves as footballers. The program was spearheaded by John Harper with assistance from Andrew Ainger, Cameron Campbell and Senior Players. The Academy will be back in 2011/2012 and will start on the 17th of November. The program will be open to all players in the Belconnen Region from 11 – 17 years old. We also rolled out two "Kids first programs" one with the Magpies and one with the Cats they were both well received and will be back next year. Early in the season we introduced an umpire education session for selected teams from Cats and Magpies, we had positive feedback from all teams so you can expect to see this again in 2012.

Thankyou

Thank you to Cameron Campbell for giving me the opportunity to work in Junior Development for our club I have thoroughly enjoyed the role and will be back in 2012. Thank you to Scott Reid for all your hard work and assisting me throughout the year. Your passion for junior football is clear and I hope your back on board for 2012. Thank you to both junior presidents Andy Warden and

Junior Football Operations Report cont.

Stu Miller and their committees for making 2011 such an enjoyable and successful year. Your work is greatly appreciated. Thank you to Rob Kelly for showing me the ropes when I took over midyear, you were a great resource for me.

In 2012 we will be focused on improving all junior development areas and strengthening the link between our junior and senior club whilst maximizing participation in all of our development initiatives.

Cheers

Stephen Coate
Junior Development Officer
Belconnen Magpies Football Club

Event Management, Marketing and Sponsorship Report

2011 marked the first year that the Belconnen Magpies had a full time staff member employed to try to take the heavy load off its board members who have been going above and beyond what is required as a volunteer for a number of years. I was given the responsibility of handling the clubs events, marketing and sponsorship tasks while still liaising with the board members who had set the great foundations for these aspects in the past.

Event Management

The first event for the year was the season launch held at the Hawker bowls club which allowed past and current players to mix with some barefoot bowls and a delicious BBQ. This was also the start of the 100 game player keyring initiative which has seen all players who played at least 100 club games receive a keyring.

The corporate golf day was a fantastic day out with amazing weather setting the scene for the 16 teams who enjoyed the Magpies course and fantastic hospitality. The players were treated to drink service from the Carlton girls, delicious sandwiches from Tulips café and a fantastic lunch spread from Roger at the Sports club.

The Magpies marquee event of the year is without a doubt the Long Lunch and this year it did not disappoint. Damien Fleming was outstanding as guest speaker and the Southern Cross Club in Woden made the day one to remember. Around 250 people were in attendance and seemed to thoroughly enjoy the day which had great food, auction items, raffle prizes and Damien having the crowd in hysterics.

The always enjoyable Black, White & Teal Cup saw the crowd of players, officials, volunteers and supporters mixing amongst some hilarious outfits at the Lyneham Tennis Centre for this racing event. The night was enjoyed by all with Glenn Horsburgh celebrating his 100th game in style as his syndicate horse "Clarkey" took out the cup.

For the first time ever the Magpies had an iPod shuffle night at the Magpies City Club and the night was a huge success. With cheap drinks, pizzas and the music

countdown everyone in attendance was talking about the night for days to come. This event will become an annual one and we hope to see a lot more players and officials in attendance and hopefully requesting their own songs for the countdown.

This year the 100 Game Dinner was held at the Rex Hotel on Northbourne Avenue. There were five inductees into the prestigious club and the night also celebrated the club's 40th year anniversary. Past players came from all over to attend the event and the highlight would be club legends Jim Calvert and Ray Baguley having the entire 150 plus in attendance join arms and belt out the Magpies club song.

The Canberra Districts celebrated their team of the decade this year and rewarded all players who had been involved in the CD's most successful era ever. Huge thanks to the event organisers who ran the event which was very well received by all in attendance.

To cap off the great year the Magpies headed back to the Rex Hotel with a crowd of over 270 Magpies stakeholders for the 2011 Presentation night. Mark Braybrook and Stuart Dunn did a great job as first time MC's and some new additions such as an acoustic guitarist and Voxpop questioning were hits on the night. Congratulations to all award winners who capped off fantastic seasons both on and off the field.

Huge thankyou goes to Katrina Gallway, Paul Netting, Jo Foster and Cameron Campbell for all their help in running these functions. The work they put in is extraordinary and made my job a lot easier so from the bottom of my heart thank you again for all your help.

Marketing

It was a big year for the Belconnen Magpies as we stepped up in the digital world along with entering the new NEAFL competition. We broke away from the sports club webpage and created a brand new, fresh and custom website to suit our needs. New features such as an online store, newsletter sign up, social media integration, picture and video upload and a members login area to name a few are fantastic tools as we head into the future. Thank you to Simon Curtis from Decoy Marketing for all of his hard work. The club also launched its own twitter account which has been very popular as it ties in with our Facebook page, sent out latest news and weekly newsletters in a new personalised and attractive format and bought out media releases and stories to keep everyone up to date in the happenings within the club.

Event Management, Marketing and Sponsorship Report cont.

The KI4K campaign has been a huge success and has been driven through the aforementioned marketing tools and through other functions, fundraising and the generosity of the Magpies stakeholders.

Sponsorship

With the help of Paul Netting the sponsorship has been transitioned over to myself and the bulk of hard work is still to come during the 2011 off season where we aim to sign existing and new sponsors. We had a number of new sponsors in 2011 and with increasing coverage of the NEAFL side heading into 2012 we now have more to offer potential sponsors to make supporting our great club more attractive.

A number of sponsors have already increased their level of sponsorship heading into the new era of the football club and we have had interest from a number of new companies who can see the benefits of joining the Magpies Football Club.

Thank you to all sponsors for the 2011 season as without you the football club wouldn't exist.

In conclusion thank you to everyone who has helped me in my first year in this role as we continue to make the club bigger and better in the future. It has been a pleasure working with you all.

Matt Hammond
Event Management, Marketing
& Sponsorship.

Senior Grade Report

Coach - Brock Weston
Managers -
Lyall & Cheryl Camp

2011 was perhaps the most turbulent season in our club's proud history with plenty happening both on and off the field. As most seasons do, the season started with plenty of hope. The senior group had a strong pre-season under the watchful eye of a newly appointed coach in Michael Horne and by his side, a club champion and newly appointed reserves coach in Rowdy Williams. We had a wealth of young guys trying to break into senior footy and a plethora of new comers to the club hopeful of being the recruit that made the difference.

Round one was a wake-up call for any at the club that thought we were going along ok and things didn't get any better over the coming weeks. First we were thrashed by Queanbeyan, something that hasn't happened a great deal in the last 10 years, and followed that up with another 100 point plus defeat at the hands of an impressive Sydney Swans outfit. At half time in game three we were down by 70 points against Eastlake and it became evident to me that we didn't possess the quality in our group that was required to compete at this level. This was a sad realisation for me personally and by no means did it represent the ability or desire of our group, rather I believed we were 2 or 3 quality footballers short of being competitive and more importantly consistent. After some soul searching in the coaches box, followed by a back flip in our game plan the team was able to come out and do very well in the second half only going down by the three quarter time margin. This was exciting.

The following three games were played by a much improved Belconnen outfit but unfortunately our breakthrough win didn't eventuate. We lost those three games by an average margin of 15 points a stark contrast to the 103 point losing margin average of the first three games.

In our seventh game of the season the stars and planets aligned and we were able to turn around our 123 point round one defeat to Queanbeyan into a 14 point win. Relief.

After a 6 point loss to Tuggeranong in Round 16, our 13th game, both Michael Horne and John Williams turned their back on the playing group and walked away from the Belconnen Football Club. This was a massive shock for both myself and the playing group, especially considering

the difficulties we were experiencing on the field. It was important however that this drama didn't affect the playing group or the club, and to our credit we responded in typical Belconnen fashion and banded together in a difficult time. While on paper the last 5 games will reflect only one win, the final game against Tuggeranong, a resounding victory, will be remembered as the most important of the season and proved just how much this club means to everyone involved. The character shown by the group and their willingness to work and play as a team, was instrumental in us finishing off a disappointing season in memorable fashion.

I was conscious of trying not to turn this report into a 'thankfest' but I feel it's necessary as there are so many individuals that contribute to our club to help make it the great organisation it is. The greatest of my thankyou's needs to go to the playing group, both senior and reserves, for accepting both myself and Justin Lalor into caretaker roles. It would've been easy for you to go into self-preservation mode in this difficult time but to your credit you all stuck together and played out the season strongly. You all embraced my focus of enjoyment and played some exciting football. I know the whole group will be chomping at the bit to redeem themselves and I can foresee a much improved effort in 2012.

To John Harper, David Bennett and Rod Cowie. Thankyou for your ongoing support throughout the season. As a trio your knowledge is unsurpassed in local football circles and your involvement next year with a more experienced list will be extremely beneficial and hopefully fruitful.

Scott Smith's involvement with the playing group cannot be underestimated. Only they will truly understand the importance of his role and the void that will be left by his departure next season. I have good information suggesting we could see him running around in the 3's or 4's next year, hopefully one of many ex-players to return to districts level. Thankyou Scott.

To the many volunteers that give their time to the club, thankyou. Your efforts behind the scenes never go unnoticed. In particular I'd like to thank Lyall and Cheryl Camp, Scott Reid, Pete Dunn and Terri Jamieson. You are but a few of the important people without whom our club would struggle to operate.

Regardless of the circumstances surrounding their departure, the efforts of Michael Horne and Rowdy Williams should not be underestimated. The time they spent mentoring and developing our young list has helped to put us in a position to improve next year.

My thanks must also go to Daryl Read, Cam Campbell and the board for trusting me with the reins albeit for a brief

Senior Grade Report cont.

Period. I only hope that I lived up to expectations as senior coach of a club that has been a big part of my life.

Finally, thank you to my wife Tracy and daughters Ashlea, Jesse and Brady. As a father the most valuable thing in life is the time spent mentoring, developing and enjoying growing up with your children. This year was an extremely difficult one in many respects and your support was unwavering and the soul reason I was able to give so much of my time to the football club.

The appointment of Matthew Lokan as our senior coach marks the dawn of a new era. This season we bled 13 juniors into first and second grade football, and next seasons numbers are likely to be similar. Matt is passionate about the game and shares my views on the importance of junior development and the direction in which the club is heading. Good luck Matt.

Whilst 2011 may be remembered as a poor year for the Belconnen Football Club, I believe it was an important season in our development and will be remembered as the start of something big.

Thankyou

Brock Weston (aka "The Caretaker")

Belconnen Magpies Football Club

Reserve Grade Report

Coach - Justin Lalor
Manager - Bill Viney

Season 2011 was one that certainly presented a number of challenges, but on reflection it also provided plenty for the playing group to be proud of—despite our finals campaign ending on Preliminary Final Day at the hands of eventual premiers Queanbeyan. With a number of new faces in the side, including several interstate arrivals and players graduating from the Under 18 ranks, the group prepared themselves diligently and professionally during the pre-season and rightfully entered the home-and-away season with plenty of optimism.

That optimism appeared to be justified with a strong win in our opening game against Queanbeyan—a reversal of the result from the 2010 Grand Final. From there we then suffered three straight losses and found it difficult to find our rhythm—the draw not helping things either with a number of early season byes halting momentum. While doing enough to maintain a place in the top four, it took until Rounds 14 and 15 for us to string together consecutive wins. However, before then we had managed to really test ladder leaders Ainslie twice, and with a bit of luck we should probably have got the four points on both occasions. That gave us every reason to head into the final rounds of the season with renewed confidence.

It was around this time that we were faced with the unusual scenario of having both our First and Reserve Grade coaches resign. Undoubtedly this was a difficult time for the club....one that presented some huge challenges both on and off the field. But with rumours surfacing around the league that the Belconnen Magpies were spiraling into disarray, this couldn't have been further from the truth. From the players' perspective, it would have been easy for them to throw in the towel, but the way they banded together and stuck to the task for the remainder of the year was exceptional. Their attitude and approach to training and game day was really pleasing—and certainly helped me immensely after taking over the Reserve Grade coaching duties.

Following another hard fought loss to Ainslie, the boys then went undefeated for the final four games of the season—including two extremely tough encounters against Tuggeranong and Eastlake which were an ideal preparation for our finals campaign. Our semi-final clash a week later against Eastlake then saw us chalk up our fifth straight win to take us within two games of the ultimate reward.

Expectations were high going into the Preliminary Final against Queanbeyan and I still firmly believe that our footy was good enough to beat any side in the competition. Our

passion for the contest, our hardness at the footy and our willingness to run and support a team mate had become real trademarks of our game-style and these generally stand up well under the pressure of finals footy. While we did manage to go into half time ahead by the barest of margins, unfortunately the boys weren't quite able to perform to the standard that had been achieved in previous weeks—turning the ball over too often and taking the pressure off a Queanbeyan side that was more desperate on the day.

Having said that, there's no doubt we were able to finish the season with our heads held high—and despite enduring a somewhat difficult year, the future remains very bright for our club. A number of our players were exposed to first grade footy during the year and they did everything that was asked of them. That in itself is a great sign. It's now crucial that the playing group sticks together and attacks season 2012 with renewed vigour. Success as a club will only come with hard work and I know we have the personnel and talent (on and off the field) to not only do that work but take full advantage of the results.

From my perspective there are so many people to thank for their efforts this year—my apologies if I miss anyone. I mentioned earlier the resilience of the playing group, but our band of officials, support staff and volunteers were also unwavering in their commitment to the task. Our club has been blessed over many years with people who are so giving of their time and energy and it makes me very proud to be a part of the Belconnen Magpies fraternity—to be exposed to club men and women of such great character.

First and foremost there are a few people I need to sincerely thank for their encouragement, advice, reassurance and belief when I first stepped into the coaching role in late July. Brendan Read, Daryl Read and Dave Bennett were a fantastic support for me as I stepped into some unknown territory and for that I am very appreciative. Bubba—what you were prepared to sacrifice in order to help me out won't be forgotten, but I'm glad you were able to step away and finish the year doing what gave you the most enjoyment at the time...playing footy.

To my assistant coaches Damien Carmichael and Andrew Smith, your knowledge of the game, your input, your calm demeanors and professional approach to your roles were a huge help this year. Damo—you were there from the beginning and it was great to see you get so much enjoyment from being back in the club environment. Horse—I really appreciated your willingness to help me for the latter part of the year without any hesitation whatsoever. Thanks also to Dave Bennett for your assistant coaching with the Reserves in the early part of the season and for your continued assistance with team selection.

To Brock Weston, John Harper and Jeremy Foster—thank you for your support this year. Brocky, you were also coming to terms with your newly inherited role as First Grade coach (and you did a great job), but you always managed to find time to check in and see how I was going or to offer advice

Reserve Grade Report cont.

and help when needed. Harps and Puddles, the guys from the Under 18's and Third Grade who stepped up to play Reserves at various stages during 2011 acquitted themselves superbly and can be very proud of their efforts. The fact that your sides also made the finals (with the under 18's finishing as Premiers) comes as no surprise and illustrates the depth of talent that we have coming through. To Paul Netting and Steve Mahar, thanks so much for your encouragement and willingness to help in any way possible. To have you help out with training drills or to just come down and complete a training session with the boys gave them a tremendous lift and the chance to draw from your vast football experience.

Our Reserve Grade Team Manager Bill Viney was also brilliant again this year and made sure that everything was sorted on game day so I was able to concentrate on coaching duties - you are a true professional mate. When Bill was away, someone was always there to fill the breach - including Lyall and Cheryl Camp, Bill Campbell, Jo Foster and Cameron Campbell... thank you all! To our runners Hamish Meagher, Paul Netting and Scott Henning, thank you for your dedication to the task in often trying conditions (the blizzard at Amaroo comes to mind). You covered plenty of territory during the year, while Netto also put his body on the line during a fiery game against Eastlake.

To Barry Collins who ran things on the bench for us, to Paul Gunn who did the timekeeping, to Ryan Gibson for compiling our match statistics, to Tony Stubbs for his assistance in the box during finals, to Pete Dunn for his work on game day earlier in the season and to our many water runners—sincere thanks. A special mention must of course go to our trainers Terri Jamieson, Sara Hooper and Allison White, who kept our boys on the paddock all year with their tireless work. Scott Smith and Rowan McIntyre also deserve a big thank you for their diligence and professionalism in managing player rehabilitation during the season.

Thank you to Daryl Read and to the Football Club Committee for the enormous amount of work you've undertaken this season. It's a huge task to support six teams each year and the effort that occurs behind the scenes to make this happen is greatly appreciated by the players and coaches.

Cameron Campbell, our Football Manager, was also instrumental in this regard. Cam, along with Matt Hammond and Stephen Coate deserve huge praise for their work at the club during the year. Cam and Hammo in particular, as new arrivals to the Belconnen Magpies in 2011, were fantastic to deal with and I hope they remain with us for many seasons to come. It would also be remiss of me not to thank John Williams for the work he did with the Reserve Grade side this year. Mate, I know you put your heart and soul into the coaching role and the decision to stand down must have been really tough to make. I hope you are willing to re-enter the club fold at some stage in the near future, as you and your family have contributed so much to Belconnen footy over many years. When you choose to do so, your presence will be welcomed because that's the Belconnen way.

To the playing group, a massive thanks for your support of me when I took over as coach—it's an experience that I won't forget and one that I enjoyed more and more as time went by. You are an outstanding bunch of blokes and it was a privilege to have had a closer involvement with you all. My main aim was to ensure that you continued to enjoy your footy and your time on the training track, so I hope I was at least successful in that regard. Anthony Whittard and Andrew Gatenby were fitting co-captains this year and led from the front, but in challenging times everyone stood up and did the club proud. In my view all 56 players that managed to take the field for the Reserves in 2011 played an important role. My congratulations go to the Reserve Grade award winners this year and also to those players who chalked up milestone games during the season.

In closing, I want to pay tribute to my amazing family for their understanding and patience given the demands that footy had on my time towards the end of the year. My wife Shae and my two girls Charli and Eva were a huge support. They put up with me when I was stressed, provided me with plenty of perspective and believed in me the whole way—so I am eternally grateful for that. Thanks also to all of the other supporters, family and friends who cheered the boys on during the year and allowed them to commit the time to their training and game day responsibilities.

I'm sure there are some really exciting times ahead, so let's hope the Reserves can take those couple of extra steps towards Premiership glory in 2012.

Go the Magpies!

Justin Lalor
Reserve Grade Coach
Belconnen Magpies Football Club

Under 18s Report

Coach - John Harper
Manager - Scott Reid

Season 2011 for the Belconnen Magpies U18s was a very successful one in a number of areas. On field we played a total of 42 players, a number of these players came from the u16s who are eligible for u18s next season. A core of top age u18s (Alex Richens, Brad Posch, Luke Allen, Dom & Elliot Duncan, Harry Hutchinson and Sam Ryan) all had exposure to senior football and all displayed themselves as potential senior players for the Belconnen Football club in the coming years.

At the conclusion of the home & away season the team had managed to finish in second position on the ladder with 12 wins and 4 loses, in a very even u18s competition. Finals are what we play football for and this is where we started to play our best football. We beat Tuggeranong by 47 points in the first semi final at Manuka Oval in beautiful sunny conditions. The win enabled us to go straight into the grand final in a fortnight's time.

The lads played Marist in the grand final in superb weather conditions at Manuka Oval. Having been to the last three grand finals this group of young men were desperate to make their own history in 2011. The lads played great contested football all day and never took their foot off the pedal. We ran out strong winners by 11 points.

Throughout the season it was our defence that played a major part in the team's overall success. With players of the calibre of Bradley Posch, Lach O'Sullivan, Chris Jansen, Nick Kelly, Mitchell Lamb, Ben Suggett and Sam Ryan playing down back, they made life very difficult for opposition forwards to score against us.

The coast lads in Jedd Clothier, Alexander Jones and Jack Baker all made solid contributions throughout the season and are now firmly entrenched as Belconnen players for years to come. Our key forwards in Patty Ryan-Baker, Aidan Pini, Isaac Taylor, Rhys Healy, Alex Richens and Charles Miller, this trusted group always knew where the goals were when it counted.

The midfield group made up of Isaac Taylor, Dominic & Elliot Duncan, Ryan Bradley, Harry Hutchison, Matt Kelly, Ben McCabe, Alexander Jones and Shaun Mellick all had consistent seasons and were instrumental in the teams success.

Our bottom age players in Joshua Buitenham, Maddi Kenna, Matthew Gibson, Luke Wharton, Ben Telford, Carl Wenke, Logan Austin and Jack Steele all displayed significant improvement which can only develop further in 2012.

I would like to thank the people behind the scenes for their support and commitment.

Michael Wenke and Liam Early for being our runners throughout the season. Terri Jamieson, Grace Campbell and Sara Hooper for attending to player injuries and their well being. Vicki Pini for being the team manager and tireless worker for the players and Kim McCabe for doing the time keeping each week.

Colleen Harper for video taping games and all the mums for making muffins for the players after games. Matt Byatt & Glenn O'Sullivan assistant coaches and finally Scott Reid for his assistance in various coaching roles and mentoring me both on and off the field throughout season 2011, I can only speak highly of the man. It's people like Scott Reid that makes the Belconnen Magpies a fantastic club to be involved with.

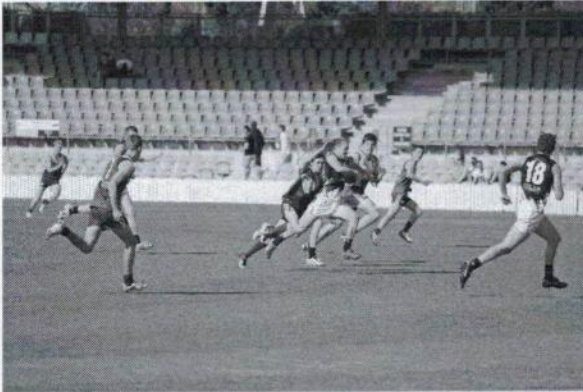

I would like to thank Daryl Read (Club President) Cameron Campbell (General Manager) and members of the club board in their support of me throughout season 2011.

Overall the effort, commitment and attitude from players at training and on game day was excellent. I am proud to have been involved in these young men's lives in season 2011. I look forward to watching their progress and development as individuals whether it be on the football field or a chosen career path.

3rd Grade Report

Coach - Jeremy Foster
Manager - Jo Foster

I would like to thank the Board for giving me the opportunity to coach 3rd Grade this season, the playing group was great to work with and an enjoyment to coach.

During the off-season there were a few rumours getting around that a few of the guys from the 2010 premiership side had retired or moved on, but until we started pre-season training I was not sure. As it was, only 5 from the 2010 premiership remained, but with the calibre of players that played and their ability to gel as a team was impressive in the pre-season, this continued throughout the season and was instrumental to where we finished this year.

Thank you to all the players who played 3s this year, your commitment and support to the team made my job to coach enjoyable. Toward the end of the season we were sitting well on the ladder and looked like we would do well in Finals, finishing the year third with 14 wins, 3 losses and 1 draw. Our 1st final was against ANU. The game was a cracker all day and we lead till late in the 4th quarter. I told the guys not to panic and to go back to what we had been doing for most of the game. In the end we got over the line by 10 points but the heart was pumping a bit faster at the end of the game. It was even better to get this win to celebrate Bubba's Club record and Lavo's 150th game.

The Preliminary Final was against Harman, it was a good game, but they had our measure all day and we ended up going down by 20 points. Harman went on to win the flag. So all in all a bit disappointed but where we came from with only a handful of players from the 2010 premiership it was a great year.

With the newcomers to the club this year and the experience of the guys who have been around for a few years, the team will do well in 2012. A couple of the highlights for the season were the win against ADFA in round 3, having the new players

come into the team and the team doing so well this year. Another was the win over ANU in the semi final for Bubba's club record and Lavo's 150th game.

Congratulations to all award winners, you deserved the award and I hope it makes you keen for season 2012.

In finishing I would like to make special mention to the following that greatly assisted me throughout the year. All trainers, thank you for all your efforts this year. I know the guys really appreciated having someone there who will always look after them and try and get them back on the field.

Congratulations to Lavo, on receiving the Len Sheedy Memorial trophy, just deserved and thank you so much for all your assistance throughout the year. Coatsy, thank you for all of your help as assistant coach throughout the year, from training to picking the side you have stepped up well. Lavo and Arch, thank you for leading the group and ensuring that they all played for the team, you are great leaders. Macca, thank you for all of your help in running messages and your assistance this year it was greatly appreciated and congratulations on receiving Life Membership it is an honour and was great to see.

To my wife, Jo, thank you for all your assistance in managing our team and being there to listen to all my coaching deliberations, you were a great support and kept the boys organised. Thank you.

Jeremy Foster
3rd Grade Coach
Belconnen Magpies Football Club

3rd Grade Photos

4th Grade Report

Coach - Rory Markham
Manager -
Heidi Yates/Lauren Murray

I would like to thank the Board and the Canberra Districts playing group for allowing me to take on the role of coach this year. In the 10 plus years that I have spend at the Magpies, being able to coach close friends and committed footballers has provided me with some of the greatest memories.

The 2011 season marked a transition period for the 4th grade side and new opportunities arose for previously fringe players to make their mark . On the back of the third grade's premiership win last year, the Canberra District group saw the retirement of all but three players from the third grade side. This resulted in nearly fifteen 2010 fourth grade players stepping up a grade, and paved the way for the 4th grade side to welcome in a similar number of new players to the Magpies fold.

With a new group of players and leadership group, the 4's started the season with great energy and hunger. The quality preseason efforts were on display in the Cooma Cup, which the Magpies won for the first time in the competition's history.

Unfortunately, 4th grade was not able to take this energy into the first part of the regular season with the newly blooded Magpies losing momentum and falling to the more experienced and harder bodied sides of ANU, Tuggeranong, ADFA, Cooma and Goulburn in the first five rounds. It was only in the sixth round that the Magpies reached a draw against Cootamundra with a late goal kick in the last 30 seconds.

As a first time coach, it seemed to me that the boys were so close but somehow the football gods were not on our side. With five straight losses and a draw, it would have been easy for the boys to go negative and lose their focus for the rest of the season. However, I was amazed when I pulled the group together after six rounds to see how resilient the players were, with each player providing solutions to get a win on the board. It's a tribute to the Magpie's culture that the boys continued to rally at each moment with the common belief that we could beat any side in the competition if we took our chances.

In the last 12 games of the season, the boys pulled off 8 wins (5 in a row) and went down to premiers Tuggeranong by 5 points in the best game of home & away football I have ever seen from 4's. Returning to the change rooms after that match to see visible tears in the

eyes of at least five new recruits, brought home to me the sense that the team could not be broken. The game against Cootamundra (lost 25 points) also deserves special mention as the team chased down a 42 point margin to be one point up in the last five minutes.

The 4's are set to have a great 2012 season. The playing group remains proud and has put every team on notice in 2011 that Magpies have a never say die attitude and will fight back. To succeed from here we will need to nurture the new players introduced to 4's and secure two to three key position forwards and midfielders. As every spectator of 4's has told me ' we were only ever two hard bodies away from a premiership'. Whilst every coach might reflect on such comments and say that's transition talk, I genuinely believe that 4's will rise to be premiers in 2012.

A special thank you to my leadership group Jeremy Walker (Assistant Coach) and Stuart Dunn (Captain) The ability for the 4's to come back in 2011 after the initial losses was largely the result of your mentoring and support of the younger players. It's a role these guys have played for many years and something that I have always appreciated both as a player and a coach.

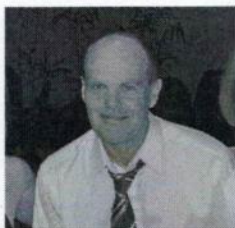

To the managers Jo Foster (Canberra Districts Co-ordinator), Jessica Markham, Lauren Murray and Heidi Yates, thank you for all your efforts this year. We would not be able to field a side without your efforts.

To Marcus Newberry (Belconnen Umpire) thank you for taking on this challenging and selfless role in 2011. The players appreciated the fairness and humour you brought to the role and I note that opposition coaches have publicly acknowledged the high standard of your umpiring. A better compliment than I could provide.

Rory Markham
4th Grade Coach
Belconnen Magpies Football Club

Women's Grade Report

Coach - Justin O'Dea
Manager - Petra Bright

While the season was a little disappointing given our final position compared with the position the team was in mid way through the year, overall it was pleasing to see how competitive we have become and the improvement in many of the players. After Round 11 the team had beaten both of last year's grand finalists, Ainslie and Tuggeranong. We had narrow losses to the eventual 2011 grand finalists, Eastlake and Riverina, by 10 points and 1 point respectively. Every indicator pointed to a successful year but injuries and player absences soon started to take their toll. As the injury toll mounted the results got worse. In Round 17 against Gungahlin 10 of the team's best 18 players were unavailable and we were beaten, pushing us out of finals contention.

This year it soon became evident that there were 5 teams in contention for the finals. In previous years the finals system was a final 8 which meant there was no pressure on most sides to make the finals. This year the system was changed to a final 4. As a result, the top teams didn't go easy on the bottom teams as percentage was important. The Belconnen women's team percentage was healthy all year with our biggest loss was to Riverina by 67 points in round 14 when we were missing quite a few players. Our big wins were in the early rounds. In Round 5 we beat ANU 142 to nil which was the biggest score in the team's history. We lost a number of games by narrow margins which meant we were under pressure to win nearly every game in the second half of the season. The women's team had 32 registered players this year which was a substantial increase on previous years. Despite that big number, there were a number of games late in the year where we couldn't field 22 players. There were only 4 players in the team who played every game for the season.

Of the 32 registered players, 10 were first year players. There was a steep learning curve for the first year players as many had never kicked a ball before the season began. This will remain a perennial problem in women's football if there is no pathway for young girls to play football, through to the senior grade. With the introduction of a youth girls competition in Canberra there is an opportunity for young players to come through adding depth to women's teams but as Belconnen doesn't have a youth girls team yet we are disadvantaged relative to other sides.

Training attendance varied during the year. Prior to the season the highest attendance was 27. During the season, the lowest attendance was 7. On average, the team attended 60% of training sessions. There were a core group of 6 that attended over 75% of the sessions. Attendance suffered partly due to playing a number of games on Sunday and then being sore for Monday training. Attendance was helped by the Club organising indoor facilities when the weather was terrible. This occurred three times during the year and was appreciated by all concerned.

The pre-season results were mixed. The Cooma Gala day grand final was called off when the Tuggeranong team walked off the field after two of their players were sent off following various altercations. The next week we played the Balmain Tigers in Bargo. This was a terrific match with Balmain winning narrowly but the new Belconnen players were able to get some valuable game experience.

During the year, one of the senior players, Mercia Smith, reached her 100 game milestone. Three players, Elise O'Dea, Hannah Walleit and Heather Anderson represented the ACT at National championships with one player, Elise O'Dea being named All-Australian, one of the highest honours in women's football. Three players, Sophie O'Dea, Jenna Girvan and Heather Anderson, represented NSW/ACT at the Youth Girls National Championships where Heather Anderson was named in the All-stars.

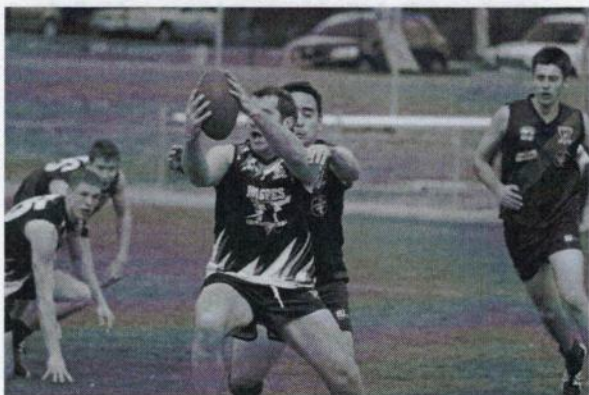

Overall the competition was well organised although the League's practice of using Club, rather than independent umpires created significant issues on occasion and led to unnecessary conflict and tension during games. Perceptions of bias, whether real or not, influenced the outcomes and those games were spoilt as a result.

Many thanks to Petra Bright who did a great job as Manager. Thanks to Judy Henson who filled in for Petra when she was away. Thanks to Lancelot Yu who was assistant coach but also performed different duties to help the team every week. Thanks to all the Belconnen trainers who were magnificent as always. A special thanks to Nicole Wood who was there every week. Thanks to Lyall Camp who helped the team each week by providing essential equipment. Thanks to Cameron Campbell (Belconnen football manager) who provided excellent support and was a pleasure to deal with. Thanks to Paul Netting and John Harper who took some of the sessions during the year.

Magpies Juniors' Report

In 2011 the Magpies Juniors fielded teams in every age group from U8s to U14s and, in conjunction with the Belconnen Cats Junior Football Club, entered two teams in the U16 competition. The Magpies Juniors succeeded in achieving its number one objective of increasing participation while providing a safe and friendly environment for children to play football. The Magpies welcomed 56 new players this season and continues to enjoy good retention rates for existing players. All Magpies Juniors played the game in the right spirit and our parents and supporters made sure that spirit was carried over on the sideline.

While thoughts of premierships are a secondary consideration for the Magpies behind participation, enjoyment and development, they feel good when they come along. The 2011 season saw the U12s and U14s win their respective Grand Finals. Both of the joint U16s teams also made the finals. Congratulations must go to the players, coaches and managers of these teams.

The numbers for Auskick Rookie were slightly down on last year, but enthusiasm was just as high. Well done to Sonja Vaughan, Ben Barrow and Julian Mules for getting out on the Sunday morning to run a great program.

In Auskick Pro (U8s and U9s) the Magpies ran four teams, two teams in each age group. The numbers were so good this year that there was a stage where we were thinking of introducing a third U8 team. This increase in numbers is encouraging for the future and reflects the success of the Sunday and Term 4 after school Auskick programs. Auskick Pro can be as much of a learning experience for the coaches and I believe that they enjoyed the season almost as much as the children. Thank you to Stuart Meadley and Margret Reader (U8 White), Sean Ehlers and Michelle Dolliver (U8 Black), Tim Xirakis and Emma Simpson (U9 White), and Julian Mules and Ben Barrow (U9 Black).

The Magpies ran a team in each of the U10 and U11 age groups. These two age groups are periods of great development for game skills and the tactical principles of gaining possession, applying pressure, utilising space and positional play. Both these teams have improved a great deal this season and the coaches, managers and spectators provided a great atmosphere for the children

to develop their skills. I would like to thank Mark Pocock and Nicole MacCann (U10s) and Rickie Dolliver and Jodie Faram for again guiding these children (and their parents) expertly through the season.

The Magpies had good numbers in both the U12s and U14s this season. The U12s included 6 members new to the game and the U14s were not far behind with 5 debutants. These players were welcomed into the teams as if they had been playing together since the U8s. The U12s had a great year in their first season of competitive football, going through the season undefeated. The U14s had a harder run only beating their Grand Final opponents in the two most important games, the semi-final and Grand Final. Both the U12s and U14s should be proud of their achievements this year. Congratulations must also go to Steve Porter, Brendon Trevaskis and Andrew Powell for the U12s, and Ashley Davey, Stephen Coate, Tom Davey, Sam Cassimatis, Catherine Shadbolt and Greg Cassimatis for their role with the U14s.

The U16s joint teams, administered by the Belconnen Magpies had a difficult year, starting with three teams and then having to make the difficult decision to move to two teams. Both teams fought hard all season and dealt with the challenges facing them. It was a great achievement for both teams to make the finals. I thank Scott Reid, Steve Smith, Julie Smith, Cameron Campbell and Rob Kelly for their efforts this year.

The Magpies Juniors had a number of players selected for representative honours in the 2011 season. Congratulations to all those that were selected on your achievements. Congratulation should also go to Jack Powell and Claude Edwards for being awarded the League Best & Fairest and Luke Wharton for Runner up in their respective age groups. Also recognised by NSW/ACT AFL were Sonja Vaughan (Regional Volunteer of the Year) and Steve Porter (Regional Coach of the Year).

To our sponsors, Magpies the Sports Club, Monaro Screens, Slater & Gordon, Taylors Real Estate, Ginninderra Tavern, Canberra and Region Assessing Services, Ginninderra Tavern, Bonza Bangers and Capital Trophies & Sportswear. Also, thank you to Domino's and McDonald's and Kingsleys that provided game day awards and all the local businesses that supported our successful Trivia Night.

Thanks also must go to our regular volunteers, in particular: Norm Sims for his efforts in ensuring the Kippax had the best marked ovals in the league; and Ian Coate and Paul Egan for your assistance with canteens, club raffles and other roles around the club. To all of our coaches, managers, parents and supporters, thank you for all your assistance on game day and helping to make 2011

Magpies Juniors' Report cont.

an enjoyable and successful season. Finally, I would like to thank the hard working Committee. Many of you have been committing your time and effort to the club for many years, with two serving the club for more than a decade. The Committee's administration was acknowledged in 2011 with the successful award of a Bronze Level Quality Club. Committee resources were particularly stretched in 2011 due to lack of numbers and other external factors. Your dedication and perseverance to work through the issues are appreciated.

Andrew Warden
President
Magpies Junior Football Club

Belconnen Cats Report

As incoming president, I would like to thank my predecessor Glen O'Sullivan and retiring Vice President Rob Kelly, not just for the work they have done in the past, but the continuing support they have given me at the beginning of my tenure. This has allowed me to appear as having a clue at times. I have even dragged Phil Hargraves in at times for advice and his input has also been greatly appreciated.

The year has come and gone so quickly and we now prepare for 2012. The new committee has done a tower of work behind the scenes, and my most sincere thanks go out to Nicole Thorne, Ben Healy, Hamish Arthurs, Steve Evans, Mick Kenna and Gavin Mckinnon. Without the efforts of these few the club would not run at all.

To all the coaches and managers, the frontline troops, thank you very much for your efforts throughout the year. Not just for the day to day work that you do, but for providing an environment in which the club can hold its head high with respect to way we, as a club, play the game and conduct ourselves off the paddock.

It has been a year of fairly substantial change and achievement. We introduced fees for the first time in a decade. Our playing numbers did not collapse. In fact we have seen fairly impressive growth in our Auskick Rookie, Under 8s & Under 9 numbers. This is in no small part to the efforts of Jenni & Nathan Rickard and Stephanie Stewart.

You may have noticed that we had extra playing fields at Aranda at the end of the season. Next year we will look to make better use of this arrangement and should be able to prevent, in most cases, families attending multiple venues on game days.

This year we regained the support of the Labour Club as our major sponsor for which we are eternally grateful. With this support we are able to continue to provide AFL football to our kids at a reasonable cost.

I would also like to acknowledge the continued support of the senior club. The plans and programs that they are enacting will continue to make it easier to provide a more enjoyable and fruitful experience for our kids, as they progress through the junior ranks.

With respect to playing results for the year, the club made finals in all competitive age groups with the exception of the under 12s. This is a big improvement on last year, especially in the under 14s where both groups of boys had struggled to win games the year before but stuck with it and ended up with finals berths in 14/1s & 14/2s.

Finally, I would like to thank all of you for your continued participation or initial participation in the club as either a parent or player. Without you we don't have a club. For those of us that have been here a while, we love our little club. It has a proud history and we want to see it continue to grow and prosper.

Yours Sincerely

Stuart Miller
President

Club Matches

Players who have over the years achieved 100 games in the Senior Grade, Reserve Grade, Division 3, Division 4 or Women's Grade are awarded a pewter. The pewter is struck at the end of the season in which a player reaches the milestone, and is presented to him or her at the annual 100 Game Dinner. Belconnen tradition demands that members of the 100 Club gather at the function, ceremoniously open the cabinet where the pewters are kept, and drink a toast to welcome the newcomers. In 2011, there were five current player inductees; Jeremy Walker, Heath Axelby, Sam Danaher, Glenn Horsburgh, Mercia Smith. Congratulations to all.

Editor's note: The Years of Playing Service data has been updated from 2001, however may still have a number of inaccuracies and omissions.

This will require further examination of historical playing records.

Women's playing service has been included in this report.
