President's Report

2014 will long be remembered in the history of BMFC as a year where hard decisions had to be made to protect the longevity of this great club, not unlike decisions that were made in 1986 with the amalgamation.

As last year, 2013, was possibly the biggest year for our Club in terms of progress, the opening of the Nest and the realisation of so much hard work by many in our Club over many years, 2014 was a complete contrast in so many ways.

If the benefit of hindsight was ours to have then the journey our Club has begun into the next decade would not change as much was out of our control.

The challenge of beginning this year with no General Manager, no Senior coach, a change in Board structure, limited recruiting, the departure of many players across the board combined with some injuries to major talent and the financial capability of our major financial partner, in the Sports Club, was really feeling the effects of a significant downturn in trade, left us scratching our heads wondering how does so much change in such a short period of time.

As has happened throughout the history of our Club, many stepped up to take the challenge and create an environment that allowed us to compete on and off the field to the best of our ability.

At this point a massive thank you must be made to our entire Board and the commitment they have had to ensure so our challenges were met with a considered approach and the correct outcomes were achieved. So to Jo, Michael, David, Lexie, Danni, Terri, Katrina, Glenn, Paul, Rory, Peter and Stephen, we thank you for your tireless efforts this year and no matter how hard the challenge becomes, we are lucky to have a Board that overcome & conquer with the passion that is synonymous with the BMFC Brand

2015 and beyond.....How does that look for our Football Club?

- We are entering 6 teams in the AFL Canberra competition.
- We are maintaining the level of professionalism throughout our Club.
- We are maintaining our commitment to junior development and the transition of good people into our Senior Club.
- We will be in control of our destiny which I strongly believe is to be the most admired organisation in Canberra sport.
- We will continue our association with strong community organisations like Lifeline.
- We will be committed to support our licensed Clubs so that our primary financial support base is secure.
- We will provide a culture that will provide the best environment for success both on and off the field.

In order to achieve all these points, we are in need of the continued and very much appreciated support of our sponsors that have been very loyal and have been managed by Paul Netting, who has excelled in his commitment to this portfolio.

Jo Foster is a person we should all be very proud to have in our corner. The level of commitment she, and her family, has to this Club astounds me and I hope she knows how grateful we are. I'm sure in years to come when people talk of these in the Club's history her name will be spoken with utmost respect and admiration.

To Mick Price and his careful diligent efforts in guiding us through a very tough and challenging time, we thank you.

Our challenges with the League and structure of the future competition are many, but I'm sure given the proactive approach we have taken - like the Districts association with the Uni of Canberra, will provide a long term benefit to our Club unlike any seen in the Canberra football environment. This is largely due to the foresight of Rory Markham and

President's Report cont.

we are indebted to him for his uncompromising efforts to try and secure the future for our whole Club whilst maintaining his true passion for Districts football, which saw him win the Len Sheedy medal this year. A truly deserved recipient.

Our volunteer base outdid themselves again in 2014, with many stepping up to take on greater roles. Clubman of the year, Ian Coate, was the standout contributor showing us all what volunteering is about.....Just offering a lending hand without any expectation of return. A truly worthy recipient I'm sure everyone will agree.

To all our volunteers, we are truly grateful for all your efforts and hope you all are able to continue in your roles so we can progress with pride and satisfaction that you are all on our side.

It is with a degree of sadness that we bid farewell to two great and respected volunteers in Lyall and Cheryl Camp. They have spent a very large part of their lives making sure all at our Club were made to feel like a family and they are truly now and will always be a large part of the fabric of our great Club. It's people like Lyall and Cheryl that make other clubs admire and respect us as an organisation and I truly hope we see them around from time to time as they will be greatly missed.

I would also like to mention John Harper, who finds himself moving on this year. I want him to know how appreciative we are of his true dedication to our football development. Not many would know but John's work over the past 10 years with our youth has ensured we have a competitive nucleus surrounded with some real young talent that will see us succeed on and off the field for many years to come.

We are extremely proud of the efforts of Jack Steele in getting drafted to GWS Giants, a truly fantastic achievement and we will watch Jack's development into what I believe to be a very competent AFL footballer. We wish him all the very best for the future.

To Sav Coate and his challenge ahead as Football Manager, and for his work off the field this year, a big thank you. With your dedication to our Club, I'm sure we will be kicking many goals on and off the

field in 2015. Thank you to Peter Young for his contribution this year, we wish him all the best in his future endeavours.

Thank you to Terri Jamieson for her efforts as Head Trainer (a thankless task) for the past few years. Terri has now come onto the Board and will no doubt execute the dedication she had to her previous role with whatever holds into the future, and that will greatly benefit the BMFC. Her efforts need to be recognised with the production the Annual Report, a huge job, so we thank you very much Terri.

A final thank you goes to the Bennett family. David, Lesley, Alexander and James have committed a lifetime to advising, nurturing, protecting and giving in areas that the majority rarely see, and that's just how they like it. I would like to both personally, and on behalf of this great Club, thank them all and in particular David, who I have a great deal of respect, but more over admiration for the tireless effort put into making this Club what it is—a fantastic place to live. The inspiration this family provides will ensure people well into the future will remember why they have been and stayed involved for such a long period of time. This dedication will motivate others to give their best in pursuit of success, not only on the field but off it as well.

Thank you to all for 2014 and lets all roll our sleeves up and make 2015 a year to remember always.

Treasurer's Report

In 2014, the Club had a new President, Treasurer and General Manager. The Club operated for eight weeks without a General Manager which tested the effectiveness of our administrative processes and procedures.

In setting the 2014 budget, the aim was to continue to reduce retained earnings to ensure the Social Club grant was maintained and didn't reduce because of our level of retained earnings.

The budget was set to run at a \$67,400 loss. The year ended with a \$31,800 loss, an improvement on budget of \$35,600. Income for the year was \$14,300 below budget and expenditure was \$50,000 less than expected.

Revenue for 2014 was \$589,700 (2% under budget and 19% down on 2013). This was mostly due to a reduction in the Social Club grant by \$100,000 or 21%.

- Functions generated \$31,500 (down 27% on budget and down 21% on 2013). The Race Day and Long Lunch were down on attendance and profit.
- Canteen contributed \$4,500 (35% down on budget and 83% down on 2013). This was due to extra finals' games at Kippax in 2013.
- Gate takings were \$1,050 (79% down on budget and 78% down on 2013)
- Registration fees raised \$39,500 (10% down on budget and 15% down on 2013)
- Sponsorship revenue was 106,000 (4% up on budget and 3% up on 2013)
- Raffles raised \$15,000 (7% up on budget and similar to 2013)

Expenditure for 2014 was \$621,500 (8% under budget and 11% down on 2013). Categories of expenditure were generally in line with budget with the exception of player payments, which were 26% down on budget and 27% down on 2013). This was due to limited recruiting and injuries to key players

early in the season. Uniform/apparel expenses were 136% over budget due to over ordering.

The Club is fortunate to have many dedicated volunteers who give their time across all areas of the Club. Thank you to the Committee for your contribution and guidance. To Scott Reid, who took over as President from Peter Bradley early in the year, thank you for your drive and enthusiasm. To Jo Foster, thank you for the time you give and your hard work across many areas of the Club.

Thank you to Peter Young and Stephen Coate for your contribution in the administration of the Club. Stephen is quickly learning about the diverse roles involved in football administration. 2015 presents Stephen with the opportunity to develop his skills and I look forward to working with him.

Thank you to Katrina Gallway, Stephen Coate and Paul Netting for your efforts organising and running functions. A special thanks to Paul Netting for his dedication and commitment to raising sponsorship funds for the Club. Sponsorship is the single biggest fundraising contributor to the Clubs' revenue. To all sponsors thank you for your continued support. The Club appreciates your contribution and looks forward to having you on board in 2015.

The Sports Club offered great support during the year. Thank you to Nick Condell, Stephen Oh, Marie Bartlett and Ray Baguley for their assistance.

2015 will be a year of change. The Boards' decision to opt out of NEAFL in 2015 due to increasing costs and the uncertain future composition of the competition is positive for the Club. The opportunity to play three grades at the same ground on the same day will enable us to manage our resources more efficiently and generate increased revenue from gate takings and catering. The year will bring many challenges, both on and off the field. The best way to tackle these challenges is by having a united approach where all areas of the Club work together.

General Manager's Report

The 2014 season has been a tough one. Losing a number of players, coach and then your General Manager all within a couple of months puts a lot of pressure on a football department and the club trying to back up from a successful year the previous year.

In saying that, the club moved forward quickly and got on with the job at hand. Jeremy Rowe stepped into the Coaches chair and laid down the ground rules. Players from the lower grades got some opportunities that they might not normally have had previously.

The return of some key players at the half way mark helped with some improvement to the sides performance. When you get players back such as James Bennett and Simon Curtis, and pick up a recruit such as Nabako Stow it's no wonder we started to win games of football.

To see the amount of young talent running around at Belconnen was frightening really. We probably just needed to keep that side together for another season, and add maybe four or five quality players to the group without spending a fortune, and we could have seen some real improvement long term.

Some of those players are Jordan Harper, Damien Hector, Jack Steele, Logan Austin, Lachlan Harper and Chris Jansen. To see these players just keep improving all season is testament to Jeremy's work.

Special thanks to Stephen Coate for the many hours he puts in above the normal working week. I must say I enjoy working with a young man that loves his footy and club as much as he does. Special thanks to Scotty Reid and his Board. Many thanks for the opportunity to work with the Belconnen Magpies Football Club. I didn't quite enjoy it as I thought I might for a whole range of reasons, but it was very

much a learning experience and becomes part of myself and my growth.

I do really want to thank the many volunteers for the many hours and support of the football club and I am sure the football club will be a very strong force again very quickly at community football level in the ACT.

I should also thank the many Belconnen Magpies Sponsors for without them, like the volunteers, the AFL club doesn't exist.

In closing, to the all the Coaches, assistant coaches and players from all grades thanks very much and for some of you I really did enjoy our long chats and banter along the way.

I would really like to wish the Belconnen Magpies Football Club all the very best in future years and hope I am reading this time next year, how Magpies went about winning a Premiership after the NEAFL change over.

2014 Functions & Events Report

2014 was another big one on the social scene for the Football Club. The year kicked off with the BMFC Race day back in early February and whilst numbers were down on the previous year it was still a fantastic and well organised day.

We then moved on to the Season launch which is always a good chance for new players at BMFC to mix with sponsors and supporters.

The Annual Black, White & Teal cup then crept up on us with this year's dress theme being Salvo's Formal Dress. The night was well supported as always and the winners of the night were Jeremy Foster and Glen Horsburgh with their horse Puddle Duck.

One of our biggest functions of the year then followed. The Dixon Advisory Annual Long Lunch, our special guest speaker for this year was Hawthorn Premiership Player Campbell Brown and what a great job he did. Campbell spoke openly and honestly about growing up, his time at both the Hawks and Suns and his rivalry with Matthew Lloyd. All who attended thoroughly enjoyed the day.

The 2004 premiership reunion, Life line round and iPod shuffle night were next with all events running smoothly, it was great to see the players from yesteryear back at Kippax and enjoying the footy and was fantastic to raise money for Lifeline Canberra.

One of the clubs most special events was then held in July, the 100 game dinner hosted by Mark 'Lavo' Braybrook. Long serving club man Matthew Porter was inducted into the 100 club by fellow member and good friend Chris McDevitt. The night was held at the Magpies Sports Club and was one of the most enjoyable of the year.

The club introduced a new event after the last home game which was the Karaoke Spectacular.

This was a very interesting night with players from all grades getting up and having a go. The most memorable moment of the night was Jimmy Kenna belting out Thunder struck by ACDC. The honours of best solo artist though went to karaoke specialist Sav 'Wombat' Coate for his version of Jonny Cash's hit 'A boy named sue' and his back up song 'Chattahoochie' by Alan Jackson.

Presentation night followed in October and what a special night it was. We had Scott Reid and Steve Mahar inducted into the Hall of Fame, Brock Weston awarded life membership along with many other special awards. Congratulations to all who were lucky enough to win awards and to be recognised for the tireless work you do.

The club is looking forward to making all events bigger and better in 2015, I would like to thank everyone who helped out in organising and running the club functions, special mention must go to Katrina Gallway and Peter Young, you both put in a lot of work behind the scenes and it hasn't gone unnoticed and is very much appreciated.

NEAFL Report

Coach - Jeremy Rowe
Managers - Cheryl & Lyall Camp

To The Belconnen Faithful,

The 2014 NEAFL season was one full of enjoyment, challenges, high points and like any season some testing times. I feel as if it had the lot.

The group started its pre season in early November and in a unique scenario the announcement of myself as coach came once training had already started in preparation for the 2014 season. The professionalism of the coaching staff to plan and coordinate the pre Xmas phase was top shelf and I was happy to arrive post Xmas and be greeted by an enthusiastic group of players who were keen to get the best out of themselves and see where it took the group in the newly structured NEAFL competition.

Our pre season included our One Club camp which was incredibly well run and all who attended enjoyed the weekend immensely.

Unfortunately we were only able to play in two external practice matches, which on reflection, did compromise our preparation in what was already a pre season phase which had its challenges. Although Ainslie knocked us off in our final trial, we were optimistic that we were heading in the right direction and with key players up our sleeve returning from long term injuries there was a healthy optimism that we would be a competitive unit throughout season 2014.

We travelled to Queensland to play Aspley for a Foxtel Cup birth and while we knew it was going to be a tough game nothing prepared us for what was to come. A 150+ point defeat in a game where we were barely competitive made us realise that we were playing a new ball game in a landscape that had changed immensely and was going to be incredibly tough. I look back on the first two games of the season in which we lost our second by over

100 points to the GWS and am thankful that it came when it did. Having the understanding that we had so much work to do from an early part in the season gave us the chance to push our standards higher, not accept efforts that weren't going to improve us and to be harder on each other in general, all of which assisted us as we moved through the year.

Without sugar coating things we experienced some really disappointing performances early. The losses to Queanbeyan and Hills Eagles in successive weeks were low points to the season and both from an individual and team perspective we were underperforming without doubt. This brought the best out in some and seeing the development of Damien Hector and Chris Jansen through this tough time was incredibly pleasing. Some of the group struggled to appreciate the fact that they weren't operating at the standard that the NEAFL demanded and this was challenging for many during the year and led to inconsistency in both individual performances and team results.

Our tough win against Sydney Uni was a beauty and one that gave us a much needed morale boost and some confidence that we could mix it with the better teams within the competition. Ryan Turnbull's portion of the season was pretty special and he played another massive role in this win.

As the season went on we steadily built on each performance and while we no doubt had some setbacks I thought by about 3 quarters through the season we could lay claim to seeing some significant improvement. Lexie and James Bennett's return was crucial and Nabako Stow and then Simon Curtis joining the group made us feel as if we had a team that could turn up and expect to be competitive. Again, we must be honest and at times some of us flirted with this confidence with mediocre training efforts and struggled to come to terms with being held accountable for poor performances and making the changes that were required to get better. This is an important part of all players development and I look forward to working with everyone again on this next year.

The final part of the season was enjoyable and came with enough success to keep us ticking. Multiple wins over Queanbeyan and Eastlake gave us the opportunity to call ourselves the second best team in Canberra and the win over

NEAFL Report cont.

Southport was an incredibly special moment in our season. At the time I genuinely felt as if I hadn't been apart of too many wins that were better than this one and felt incredibly proud of the Belconnen Magpies team that took to the field that day.

Despite my comments in regards to some inconsistent training etc I appreciated the buoyant mood that remained within our group for the whole season. Belconnen is a great club with a great culture and I feel as if the players don't take this for granted. It's a place where people love to be and this was noticeable throughout the good times and the tough.

We were represented by many in 2014 with over 40 players representing us at NEAFL level. A crazy number. We debuted a solid amount of players which will hold us in great stead for the coming years. Well done to Rhys Healy, Ryan Bradley, Tom Brown, Ben McCabe, Mark Smith, Luke Wharton, Sam O'Sullivan and Adam Lamb who are all local products to taste NEAFL action. The group was also strengthened by TJ Adams, Luke Vearing, Ryan Blundell and Nabako Stow as new players to debut for the club.

Jordan Harper was our sole representative in the NEAFL team of the year and congratulations must go to Jordy for this, while Jack Steele and Logan Austin represented our club in a wonderful manner each time they stepped out for the RAMS, GWS or NSW/ACT side.

How do we sum up our year? We are all competitors so to finish where we did was disappointing. The 3 losses to the Hills Eagles leave a bad taste in the mouth, it would have been great to beat Ainslie once and a clean sweep over Eastlake and Queanbeyan would have been terrific. In saying that I feel as if we were challenged massively by some circumstances out of our control. The strengthening of the Queensland sides was always going to make it tough and to say the injury curse hit us hard is an understatement. James & Lexie Bennett, Simon Curtis, Mathew Sharp, Jack Baker, Damien Hector, TJ Adams, Daniel Jordan, Drew McGrath are all players who missed large chunks of the season and each time we thought we were building a good side a minor injury to Rabs, Collo, Dessy or Dom popped up and brought us back again. We don't use injury

as an excuse but I feel we need to acknowledge how hard we had to push our depth. I believe we came very close to achieving as much as we could as a group and while no one will talk about this year as their most successful I hope people look back on it as a positive one where we improved greatly, achieved enough and ultimately never stopped trying to represent our footy club in the best fashion possible, something which the players must get credit for.

I'd like to thank all of the coaching staff for their efforts this season. I learnt plenty in regards to midfield work from JB, appreciated the holistic support I received from Dave Bennett and enjoyed working with Damo and hearing his well thought through suggestions. Harps passion is there for all to see and his efforts in regards to the vision was very helpful, while KB's reports and stats taking for his forward crew was great. Cuzza was a great addition to the club and along with Brock and Rod C formed our development coaching group. It was something new to the club or at least something that hadn't been done for a while and if we were able to help a few players out then it was worthwhile, thanks all for your assistance. I really enjoyed working with Turtle and like Steve Smith they both did a great job not showing how much they hated me for stealing their players each week, thank you. Having Rod L as a conditioning coach is a huge asset for our footy club and I'm stoked that I will get the chance to program a full pre season with him, thanks mate.

On to the volunteers. So important, so crucial, such great people. I will forget someone here but there is no question that every role contributes significantly to our footy club and myself and the players appreciate it greatly. Terri, what a champion, doesn't take any rubbish but also provides the players with a second Mum and tapes a good ankle. Lyall and Cheryl, always hard at it, always ensuring that things we as players don't think about happen and totally committed to the footy club. Tim and Kristian, we are lucky to have you. Great fella's who importantly know your stuff inside out. Macca was at every training session & braved the cold sleety rain to deliver us what was falling from the sky in an effort that was much appreciated. Dunny, Andrew, Jo, Gunny and everyone else that assisted, thank you very much! Thanks also to Peter Young, Sav Coate, the

NEAFL Report cont.

Pres, Scott Reid, and the board for your tremendous support through the season.

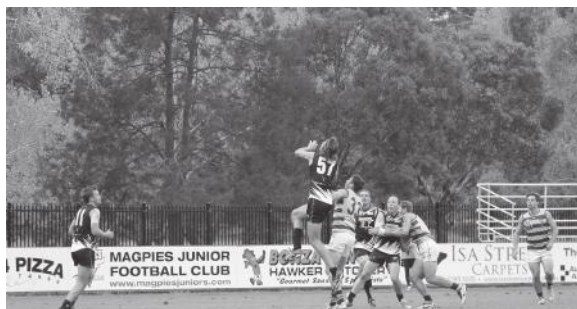

So we sign off our season with the presentation night. Congratulations in advance to all the award winners, no doubt each one will be deserved and something that you should be proud of. As a footy club we again start a new frontier. Some players will depart and although the club will kill me for saying this, you all go with a thank you from me for your efforts this season and an all the best for your footy future. Importantly for our footy club, lots will stay. We will form a club that will accept nothing but the highest of standards as we know these standards will push us to achieve special results and memories that last a life time. We will be apart of club that will provide us with many great times and plenty of fun along the way. The opportunity for us to start what can be a golden era for the Belconnen Magpies is staring us in the face and I cant wait to work with you all in 2015 for what will no doubt be an enjoyable, successful and satisfying season.

Thanks to everyone for making my entry into the footy club so enjoyable, I am very happy and proud to call myself a Belconnen person.

See you next year at the footy,

Regards

Coach - Tom Fisher

Manager - Bill Viney/Michael Wenke

The 2014 Division 1 season was a very interesting and challenging year for all involved. With 2 new teams coming into the competition in ADFA and ANU, and with Tuggeranong only fielding a Division 1 side, it was set to be a much more even competition.

The pre season was one with a lot of buzz and hype surrounding the new NEAFL coach coming on board and also a new Div 1 coach taking the reins. The numbers looked promising and the enthusiasm at the 'One Club' camp was great, albeit the weather conditions were rubbish. All players and volunteers involved had a fantastic weekend. To officially start the season we played multiple intra club games and also a practice match against Ainslie to get our preparation right for the season that was fast approaching. With some new and fresh faces as well as some familiar faces around the group, things seemed to be going ok.

Heading into round 1 we felt up and about and ready to give ANU their first lesson in what it would be like for them coming into the Div 1 competition. The weather was not on our side which saw the first 2 rounds of the competition washed out, delaying the start of the season to our round 3 game against Ainslie that went on to beat us by 11 points after a good, hard game was played by both sides. This was not the start to the season that was hoped for.

There were some amazing highs and some pretty low points throughout the year. The most notable high point for the year was when the Div 1 side was depleted through injury and unavailability and had to call in some very retired and unfit, although enthusiastic, players into the side as well as having five u18 players backing up from the game prior. We were playing Eastlake at Football Park on a

Saturday morning. It's fair to say we came out firing and put 8 goals to their 4 for the first half to have a little bit of confidence at half time. Knowing that the legs were getting very heavy, we hung on to record a 3 point win against a very cocky Eastlake side. It was extremely pleasing to see the character of the group shine through at a time where the circumstances were completely against us and no one expected the result that we got that game.

The most notable low point was losing a game to ANU that should've been nothing short of a 10 goal win. This was extremely disappointing for anyone that was involved that day and anyone that was a Belconnen supporter there to watch that game. Finishing the season off against Queanbeyan at Dairy Farmers Park was going to be a big challenge and injuries and unavailability had taken its toll once again. We were hoping for a decent showing but with the Tigers in good form and on their way to a premiership, we caught them at a bad time and got smashed by 129 points. It was not an ideal way to finish the season but I think all players and officials involved breathed a small sigh of relief when the final siren sounded.

Throughout the season there were some really good results go our way. We had 5 players represent the club in the game at Manuka Oval against AFL Sydney and they all played well. The Div 1 side also had a number of players go on and play NEAFL throughout the year and also got to have a look at the future of our club with some U18 players playing multiple games and showing some really encouraging signs for the club going forward.

I would like to take this opportunity to thank everyone that has helped out throughout the long season that was 2014. Thank you to Calvo, who gave up his time to help out throughout the year as my assistant coach and also to Jeremy and the NEAFL assistants for the encouragement and direction that was given to me this year. I would like to make special mention of Ned Gatenby who was the official captain of the Div 1 side and also went on and played a handful of NEAFL games for the year, your support and leadership was brilliant. Good luck with your new adventure to Melbourne and I hope to see you back around the BMFC in the near future. I would also like to thank the medical staff and all volunteers involved with the BMFC that

Rising Stars Report

Coach - Steve Smith
Manager - Julie Smith

Season 2014 for the Rising Stars turned out to be a mixed bag, to say the least. The season got off to a very slow start with fixture problems like washouts and games being postponed. This interfered badly with a very enthusiastic young group who were itching to get stuck into footy. The season finally got off the ground in round 3, at "The Nest", which saw the Magpies take on last year's premiers, Ainslie. While playing some okay footy we looked a little under done and went down by 5 goals. This game gave the Magpies a view of where they needed to be, so they would be able to challenge the top teams for the flag in season 2014 and so it began.

Training was split over 2 venues this season, moving between "The Nest" and Giralang. The players put in some hard sessions at both venues. Another blow to the continuity of the season came around half way through the season when the Government made the decision that our home games needed to be moved onto Gungahlin TC, Jamison Oval and Footy Park Phillip.

There were some great wins along the way this season, probably highlighted by a spirited victory over eventual premiers the Queanbeyan Tigers at Jamison Oval on a Sunday morning at the back end of three games in a week (which included a great win at night vs the Jets). Unfortunately what comes with wins are losses. Notably the most disappointing were 4 games under 6 points. These games in the end cost the Rising Stars their spot in the finals as eventually missing the top 4 on percentage only. However it must be mentioned the resilience of the squad throughout the season, who held their heads high and wore the pies jumper with pride.

We used a total of 35 players this season with a mix

of 19 year olds, 18, 17 and 1 16 year old, with players coming from Wagga, Ganmain, Pambula Beach and Nowra. Some of these players made a huge effort to travel to Canberra each week to play for Belconnen Magpies. That's commitment.

While the results on the Rising Stars field didn't go our way, what did prove to be the most successful part of the journey was the ability to blood 14 players in all the other senior grades with 3 players also reaching NEAFL grade. All involved must be congratulated on the effort that the young men put in to represent their club. Some players backed up straight after their Rising Stars game to play a full game of First Grade on a couple of occasions. With players making this sort of commitment in season 2014, season 2015 will be a great season.

A football side needs more than players and a Coach, so I'd like to thank all my support people starting with Jules, without her none of this would be possible, she has been my biggest supporter for the last ten years of coaching and I thank her very much.

Thank you goes out to the Club for their commitment to ground setup each home game and running the canteen etc. Thank you to Ian Coate for ground announcing and Paul Gunn for time keeping. A huge thank you to Glen O'Sullivan and Sean Michelle for assisting me with the coaching role, Paul Netting for his training expertise, Bernie Fitzpatrick for being a great bench coach and runner, Andrew Toy for answering my cry for help at the start of the season and then doing whatever was needed for myself and the players, Phil Kerin for videoing the game each and every week, Michael Wenke for photos each week, Michelle O'Sullivan our very own muffin chef, Rob Lamb for time keeping each week, Annabel Lamb for photos, sandwiches and being a great support to Jules, Sue & Gillian for goal scoring. Thank you to James Bennett and the Senior players who helped when asked with game day chores.

Thank you to the Club for appointing me and giving me this opportunity. Thank you to the senior coaches and selectors for their support throughout the season. A big thank you to Turtle, Horse and Knighty who looked after our players that were sent to play for the various grades. Thank you to

Rising Stars Report cont.

the players for making Belconnen Magpies the best club in Canberra to be involved with and to all our supporters (parents, friends, family and the Club supporters too).

Congratulations to all individual winners this season and a special mention to the girls who narrowly missed a grand final spot. Well done and to everyone else chins up I'm sure season 2015 will be a blinder for the best club in Canberra, Belconnen Magpies Football Club.

Cheers

2nd Grade Report

Coach - Glenn Horsburgh
Manager - Matt Lavery

Well what a year 2014 was.

I first took on the job as 3rd grade coach and was looking forward to learning the ropes under Tom Fisher and slowly gaining my confidence as a coach, but things took an unexpected turn just after pre-season started with Tom being promoted to 1st grade coach and I accepted the 2nd grade coaching position.

This meant a lot more responsibility and time than I was expecting, but with the help of Michael Coate (who said he would help me out) we got through a pretty good pre-season and were looking forward to starting the year off well, unfortunately due to an unfavourable fixture and a washout this didn't happen until round 5.

We won our first game against a tough opponent and things were looking promising, however we couldn't quite match it with the teams that ended up being in the top 5 and so unfortunately finished outside the top 5 in 7th place. A major lack of players this year also didn't help as sometimes we had almost half the team backing up from a 3rd grade game, not an ideal situation to be in but Knighty and I agreed that we would rather battle through this period than forfeit or even fold the 3rd grade side.

I am extremely proud of the boys who, week after week kept putting their hands up to play both games. It shows how much pride they have in their club and the thought of having to forfeit a game was not acceptable to these guys. I don't think Knighty and I could've got through this season without these guys, so thank you.

A big thankyou to Michael Coate who was absolutely amazing this year, helping me out whenever I would call him and ask for some advice, feedback or thoughts on selection even when he was going

through some personal stuff himself. I honestly don't think I could've done it without him.

Thank you to Matt Lavery who agreed to be my manager this year when he was unable to play due to a shoulder injury that occurred towards the end of last year. Matt made my job so much easier on game day, sorting out the guernsey's and doing the team sheets and letting me concentrate on the game. His willingness to help is very much appreciated and I think he optimises a real clubman and I am very grateful that he chose to stick around and help me out.

A big thank you to Kirra who was the 2nd grade trainer for the majority of the season, without you a lot of the guys wouldn't be able to take the field each week, your infectious personality and warm smile were always a welcoming contribution at the cold training nights and game days and I know the boys all appreciated your efforts and felt for you on those freezing cold winter nights.

Thank you also to Knighty for helping out when I couldn't make trainings and being understanding about team selections. I know this year wasn't easy on you mate but you did a remarkable job considering the hand you were dealt.

Thank you to Tom Fisher and Jeremy Rowe, the 1st grade and NEAFL coaches, I learnt so much from you guys this year, not always from asking you questions but by watching you on game days and seeing how both of you interact with your players and go about it. I look forward to hopefully working with you both again next year.

Thanks to all the players for the season, your support and the quality of your performances each week is greatly appreciated and just goes to show the fighting spirit that the Magpies have. I am honestly humbled to have had the opportunity to coach such a fantastic bunch of blokes, I have thoroughly enjoyed coaching you and I know that if we just stick together as a group we will definitely make finals and hopefully taste premiership glory. From the guys who played their first season with us to the guys who have been around for many, many years, you can all hold your heads up high knowing that you helped the club get through one of the hardest years in recent memory, and you all did it

2nd Grade Report cont.

with dignity and respect. Let's hope that we all stick together and come out the other side a much stronger, tighter knit unit.

And last but not least a massive thank you to my Fiancé Katie. When I asked her at the start of the year if she would mind if I coached she immediately agreed that I should and has been by my side all season. I know that it took up a lot more of my time than either of us thought it would but thank you for supporting me and making it a lot easier than it could've been. Your love and support throughout this season has been amazing and even though I know that sometimes you wanted me all to yourself, you understood the things that I had to do.

Coach - Andrew Knight
Manager - Sean Egan

Division 3 this year played 17 games, we had 84 players who played for us this year, of which we had 13 players who played over half the games and 36 who only played 1 game. We were able to convince another 14 players to play a second game for us which makes 50 who played 2 games or less for us. These statistics are just to show that the core group of players formed a cohesive unit that showed a lot of passion, so that with 3 weeks to go we still had a chance of playing finals. It also shows that the enthusiasm of the Belconnen Club remains in those that have 'retired'.

We had a great core group of blokes who turned up each week and played football with anyone who turned up for the game. I greatly admire the effort and enthusiasm the boys showed each week with a couple of standout weeks, but none more than Goulburn. We went with the bare 16, for a 16 on 16 game, when they were top of the table and beating teams by over 200 points. We kicked the first goal of the game and ended up losing by only 170 points and were down to 15 for a quarter and a bit. All year I had opposition coaches and players come up to me whatever the result and say that we were the only team to play hard until the end and not throw cheap elbows, and that speaks a lot about the playing group.

I owe a great deal of thanks to all the players who came and played only a game or two for us, they allowed us to play all but one of the games for the year. All who played with us played with a huge amount of enthusiasm and intensity, and brought in experience which helped the regular players during the year. Netto and Puddles are owed a great deal of thanks for hunting up players through most of the year, even up to the night before the game. And to Jo Foster, who helped get some of them registered pretty quick so that they were able to play.

A playing coach faces many challenges and a lot of them went away when Sean Egan offered to bench coach for me. Sean understands the game pretty well and provided me with the chance to play and not

worry about what was happening with the bench, when we had one. The leadership on the field needs to have many contributors, and when you have players of the calibre of Stuart Dunn, Rory Markham and Jeremy Foster who played most of the year, it does certainly help.

In Division 3 we supply our own umpire and for the first few weeks that was the hardest thing to find, Sean Egan, Timothy Reardon, Jeremy Walker all had a go, and then Al Mclachlan arrived and did all but 1 commitment after that. It was great to have Al do our umpiring as he was fair and impartial and does a great job.

It was great to have two new trainers to look after the team and make the out of town trips with us. To Kirra and Michelle thanks for doing the job, at times travelling back from out of town to do our game, or turning up to training on those cold nights when you had study to do it is massively appreciated.

The last thanks goes to my wife Julia, who put up with a lot of Friday afternoon and Saturday morning stress on my part of 'do I have enough players', for washing the jerseys and for doing all this while pregnant and then looking after our little girl Abigail. I am a very lucky and do realise it.

To sum up the year is a hard thing to do when it has been such an interesting year. We have struggled for numbers, been beaten by some big margins, and had some pretty ordinary things happen. But in the end, I am pretty sure that most who played in Division 3 through the year enjoyed their games, and those that were new to the club, or returned to the club after juniors, I hope will be back next year whatever the setup and the team can show what they are capable of. I enjoyed coaching the team because of the passion that they showed, not always in the right ways but the passion was there and that is what I believe is the strongest thing in Belconnen Football Club.

Women's Report

Coach - Kate Chapman

Manager - Katrina Gallway

2014 has been the most successful season for the BMFC Women's team since the ACT Women's League started playing 22-a-side. In the past two seasons we have gone from a team who could put up a fight 'on our day' to a strong, powerful and consistent team that is hard to beat.

The elusive premiership was within our grasp however a 3 point loss in our Second Semi against Premiers Tuggeranong and a week later a 1 point loss against Riverina Lions brought a premature end to our 2014 season.

This season we had a great mixture of returning players that formed a strong core who were well supported by gutsy and determined newbies. We welcomed players from other clubs, players from other codes (who have now seen the light) and players new to the game.

From a Women's team perspective no other season can compare to what we were able to do as a team this year, a few of the highlights include:

- We defeated every team in the competition at least once;
- Winning by a team high 189 points in a game when we defeated ANU 28.21.189 to 0.0.0;
- Hannah Wallet kicked 14 goals in a game (previous highest was 9) vs. ANU;
- 16:3 win/loss ratio for the home and away season;
- Third season in a row the league Best and Fairest has been a Belconnen Magpie (2012 Elise O'Dea, 2013 & 2014 Heather Anderson); and
- 2nd season in a row the league leading goal kicker has been a Belconnen Magpie (2013 Zoe Cooke, 2014 Hannah Wallet).

From a Women's league perspective:

- We finished 2nd on the ladder. We had the toughest draw of any of the teams in the

league and we still finished with the same win/loss ratio as Tuggeranong and Riverina – only percentage separated the top 3 teams;

- Hannah Wallet's 14 goals was the highest by a player in a single game in the league this season;
- We were never kept goal-less. Only Tuggeranong and Queanbeyan were able to match this.
- Our lowest score all season was 12, every other team in the league had scores lower than this; and
- We kept opposition to less than 10 points on 7 occasions (this includes against 4 Division 1 sides);

League Awards:

- League Best and Fairest – Heather Anderson (2nd consecutive B&F for Heads);
- 3rd League Best and Fairest – Jess Sibley;
- Leading Goal Kicker – Hannah Wallet 44 goals;
- Rising Star – Maggie Tyack;
- 4 Rep Players – Hannah Wallet, Jess Sibley, Heather Anderson, Jorden Irvine;
- Team of the Year – Hannah Wallet (CHF), Jess Sibley (CHB), Heather Anderson (HBF).

This season would not have been possible without all the help and support that came from friends and family – every little bit of help and support makes such a big difference, so thank you to everyone who has helped this season.

Sarah Fenton, Assistant Coach – It was great to have someone this season who understood the players, what they were capable of and at all times wanted the best for the team. Sizz wasn't afraid to offer her opinion and get involved with decision making and tell me to pull my head in when I needed it. Sizz brought new, fresh ideas to the team to ensure the team was aware of expectations and improvements they needed to make, and also someone for me to bounce ideas off. Sizz, thank you – for what you have done for the team and for me this season, I have personally learnt a lot from you and you bring so much to our team both on and off-field. Thank you.

Katrina Gallway, Manager – I think everyone in the club has heard the Women's team sing Trina's

Women's Report cont.

praises for everything she does for us. She really does go above and beyond in her commitment to the team and the club. Trina organises us not just for game day, but for the whole season and also our end of season trips – all whilst managing her other commitments to the club. It makes my job as a coach so much easier having someone like Trina around who thinks of everything and gets the job done, without being asked. It means the playing group and the coaches can focus on winning the game and not worry about everything that needs to happen off the field. We cannot thank you enough Trina for what you do for us. Thanks also to Petra for filling in when Trina was away.

Denis Mungovan, Team Umpire – Mungers was our team umpire who followed us around to almost every game including the trip to Wagga. It was great to have a reliable umpire who did a great job for the game each time he umpired. When Mungers was away Sue and Horse filled in and also did great jobs – thanks heaps guys.

Brian Anderson unofficial team photographer – thanks for all the snaps Brian the team and the club appreciate the regular photos.

Thanks to our Goal Umpires, Runners, Water Runners, Medics, scoreboard operators, and general helpers – Rachael Netting, Cloudia, Slanty, Mel, Brian, Krista, Visy, Rob, Kelsea and Hamish, Gunny, Cheryl and Lyall, Ian Coate, Rory and Harps. Dan, Alicia and Terri our Trainers and also Ant, Jarvie and WeeWee for jumping in and helping get us on the field when trainers were unavailable or we trained away from home.

Youngy, Sav and Scotty Reid – thanks guys for always being at the other end of an email and available for a chat when needed. The team valued your support throughout the season. Supporters – to those that came along to cheer us on and provide feedback it really has made a difference. The team loves and needs the sideline support on game day.

The team – thank you. As a second year coach I am still finding my way and trying new things. Thanks to those who provided constructive feedback, offered suggestions and put their hand up and said “I can do it”. For those that helped out with things

at training and game day – thank you. Most importantly I'd like to thank the team for putting the team before the individual and trying to see the big picture.

Magpies Juniors Report

Another successful season has passed and despite the many challenges the club finished the season with a significant increase in participating players and new families. The club has been able to find committed and dedicated people to help in the many different functions required to run a successful club every year, but more volunteers are needed. After all it is your club.

We have a proud tradition of succession at committee level and I would like to take this opportunity to thank long serving committee members for their contributions to the football club and the community over several years. We would like to welcome any new faces that may join the committee for 2015.

The game day environment at Kippax and the behaviour of our players, officials and supporters both on and off the field is a credit to the club. This has been commented on by other clubs and league administrators. This is important because our club is the future of the game in West Belconnen. This year saw the introduction of the Youth Girls competition. Magpies were by far the most improved team across the ACT and went on to win the competition. They can be justifiably proud of their achievement.

The facilities of our senior club at "The Nest" in Kippax have assisted with the integration between the juniors and seniors. Our juniors have played on The Nest this season and have participated in half-time activities during NEAFL games. Our Committee will continue to work with the senior club, and its players, to continue to promote the relationship and give our juniors a first hand regular example of what many of our players will be working towards.

Looking forward to next season we have a number of significant projects in the pipeline to ensure the facilities for the club and the families we represent are enhanced to maximise the positive experience for all involved in the club. This year we worked hard to get new lights on the small oval. These lights are now installed and will be ready for the 2015 season. The centrepiece for the future is a new permanent storage and meeting area at the Kippax sportsground. This will enable more functional game day management at the ground, have facilities for parents to have shelter from the

cold and somewhere to catch up for a cup of coffee with others while their kids are training, and allow key pieces of equipment and supplies to be stored safely for events and canteen commitments. To achieve this we will need your help with fundraising and you may need to get your hands dirty.

We are also looking to add more merchandise to encourage and promote the Magpies throughout the West Belconnen region. Our "Beware of the Magpies" hoodies were a huge success and looked great on mass at away games. We will continue to improve our Auskick program, to make our great game more accessible and enjoyable for children and their families seeking a truly community focussed club. While the year ahead is sure to be busy and full of new twists and turns, we look forward to involvement from as many families as possible to drive the success and shape the future of our great club.

Belconnen Cats Report

The Belconnen Cats have had a demanding but productive season in 2014. My first year as president has presented some challenges, but I have to thank the Cat's committee and volunteers for the support in 2014. As with any club, the people make the difference and help get things done, and for that I am truly thankful. I am also appreciative of the work completed by the previous president, Stuart Miller, and the previous Cats committees. I inherited a club that was in a healthy condition with participation numbers rising and the budget secure. Thanks to Stuart for his ongoing support in 2014, he has helped make the transition successful.

In 2014 the club continues to grow. This year we had in excess of 150 players register with the Belconnen Cats. We have witnessed significant number joining the Auskick Rookies program and a number of these children transition to Auskick Pro. This has resulted in the Belconnen Cats fielding 3 teams in the U8s for the first time and 2 teams in the U9s. The Cats fielded an individual team in the U10s, U11s and U12s and contributed to joint sides with Magpies Juniors Football Club in the U13s, U14s, U15s, U17s and Youth Girls.

2014 was characterised by 'new'. The club had a *new* president, *new* committee members and *new* home ground and a *new* uniform. The new committee is forming well with a number of successful initiatives carried out and a strong outlook on 2015. The club successfully made the transition to a *new* home ground at Jamison Oval. The improved facilities were a welcomed addition and helped the club provide canteen services at their home games. The club also sported their *new* jersey in 2014 which has been a welcome boost to the identity of the Belconnen Cats. Thanks must go to SEEARS workwear for their support.

This season the club has looked to promote individual skill development, teamwork and a love for AFL. The club is fortunate to have some exceptional coaches in its ranks from Auskick Rookies through to U12s. The coaches have looked to develop individual player's skills to help nurture development, confidence and enjoyment for the game. A key part of this has been additional parental support that provides the extra capacity for coaches. This helps coached work on

fundamentals with newcomers and more advanced skills with seasoned players. The contribution made by parents has been a healthy indicator and contributor to the club's success. The club is also investing in the skill development of our coaches, managers, umpires and first-aid to improve the service we provide.

Developing teamwork has also been a focus within the club. Ensuring that every player is developing and being included is a big part of the club's culture of 'getting in there, having a go, and having fun'. Teams were invited to team dinners, Pie Nights and Pizza Nights. These extra events saw players and families bond outside of the playing field. This spirit has seen the players develop together in their team play and developed their recognition, respect and friendship with other players. An indication of the level of teamwork in the club was recognised with an ACTEWAGL 'Play of the Day' award for participation, teamwork and attitude of one of our players.

The club has also looked for initiatives that help develop both the player's and family's love of AFL. The Cats had a number of Auskick Rookie and Auskick Pro players play a half time game at the Belconnen Magpie vs Ainslie NEAFL game this season. Connecting the Cats with the Magpies Juniors and Belconnen Magpies is a key focus of the club and ensuring AFL is strong and prosperous in Belconnen. A number of players were able to play at half-time at GWS games which are a huge buzz for the kids and family and great for AFL in Canberra. The Cats also had exceptional attendance at the GWS Giants vs North Melbourne AFL game the season where the club was the 3rd most attending club - great for a club that is one of the smallest. Finally, the GWS fan day was well attended with children thoroughly enjoying the opportunity to meet the GWS players.

Finally, the season wrapped up with two teams in Grand Finals (U11s Pool A and U12s Pool B) and an enjoyable presentation day. The presentation day invited a number of life members to the club and to participate in the presenting of awards. Once again the presentation day was held at the Canberra Labor Club who is thanked for their ongoing support of the Belconnen Cats. These and other indicators point towards a healthy and prospering club. The

Cats committee is already preparing for 2015 which we hope improves on the progress already made.

Club Matches

Players who have over the years achieved 100 games in NEAFL, Division 1, Division 2, Division 3 or Women's are awarded a pewter. The pewter is struck at the end of the season in which a player reaches the milestone, and is presented to him or her at the annual 100 Game Dinner. Belconnen tradition demands that members of the 100 Club gather at the function, ceremoniously open the cabinet where the pewters are kept, and drink a toast to welcome the newcomers. In 2014, there was one current player inductee; Matthew Porter. Congratulations to him.
