# President's Report

2020 has proven to be one of the most challenging years in the ACT AFL competition. COVID-19 has certainly forced us to run our club in a very different way. Having said that, we had a very successful year both on and off the field winning a men's reserve grade final and for the first time ever, a women's first grade final.

Our first grade men's made finals but were unlucky to miss out on a grand final opportunity. Our numbers were particularly pleasing this year, fielding sides in all senior grade - 7 in total.

Our volunteers, coaches and managers were fantastic in dealing with the restraints yet still providing an enjoyable year for all involved. We thank our valued sponsors. Our sponsorship remained strong and many thanks needs to go to Dan Posch and Ryan Bradley to deliver beyond expectation given the challenging commercial environment that we found ourselves in. The BMFC Board stayed strong and committed to delivering off the field. A conscious decision was made to start regenerating the boards so as to cater for the needs of a changing society whilst still upholding the values of our great club.

Glenn O'Sullivan steps off our board this year and will continue in a role on the licence club board. We wish Glenno all the very best and sincerely thank him for all his efforts over the past number of years. Jacqui Spence was awarded the Alan Phillips club person of the year for 2020. Her unwavering commitment to carry the ball after the departure of Jack Harper and the guidance of initiating protocols around the COVID-19 challenges and being the club secretary has left us all admiring and appreciating that we have her has a very

important member of the BMFC family.

Emma Simpson joined us this year in an off field capacity and worked tirelessly to deliver on so many administrative roles. We hope his is just the start of a long and mutually enjoyable arrangement.

2021 will be here before we know it and many roles need to be filled to lessen pressure on the few volunteers we have. Our efforts in recruiting more volunteers are needed so please put your hands up if you can help at all.

Finally, thank you to the board, the social club, our sponsor, the Magpies Juniors and the Belconnen Cats Juniors, we all hope for an easier 2021.

# Treasurer's Report

2020 was an interesting year given COVID-19 and the implications it had on the Football Club. The revenue for the Football Club was only slightly down on the 2019 figures, which is a fantastic result. This is because our amazing sponsors continued to support the Football Club financially despite the uncertainty surrounding their own economic situation and the 2020 football season.

As mentioned in previous reports, sponsorship is the biggest contributor to revenue, and it was fantastic to see so many sponsors stand by the football club in what was a difficult year. A huge thank you should go out to all sponsors for their continued support, in particular the Belconnen Magpies Sports Club.

Expenses were more than halved in 2020 compared to 2019. This is because of COVID-19 implications that saw the season shortened and the following changes:

- A reduction in league affiliation fees and insurances

- Ground hire fees were not charged from April

- A league wide agreement that no players would be paid for their participation in the 2020 season

- The departure of the single football club employee, acting in a full-time role, being replaced by a casual employee

The profit posted in the final 2020 accounts is **\$146,730.06**. After the last couple of financial years, this is a fantastic result for the Football Club. The bank balance and the net asset position are all looking a lot healthier.

Items in the Profit & Loss Statement warranting further explanation are listed below:

**Other Revenue** – (\$27,117.17): Includes \$20,000 received as a Cash Flow Boost payment for employers as part of the Government's COVID-19 response. The

remaining income in this account should have been brought to account in the previous financial year.

**Abnormal Item** – \$17,891.74: These expenses are related to the previous financial year and should have been accrued in the 2019 accounts.

Thank you to all the wonderful people that volunteer their time and effort to help run the Belconnen Magpies Football Club. I would like to make special mention of a few well deserving people. First, Jacqueline Spence, who went above and beyond what is expected by the secretary whilst the football club was without an employee. Second, Dan Posch and Ryan Bradley for their efforts with the sponsorship portfolio. Third, Glenn O'Sullivan, Ethan Bartlett and the team at SPA Accounting for their continued accounting support. Fourth, Emma Simpson for her assistance and clear communication throughout the year. Last, the executive and the rest of the board that supported me in my role as treasurer.

Well done to all the successful premierships winning teams in 2020 and here is hoping for more success in the years to follow.

# Senior Football Co-ordinator's Report

Season 2020 was the season we almost did not have!

BMFC had appointed new coaches in four of its seven teams, with Brock Weston appointed Senior Coach, Lachie O'Sullivan as 2<sup>nd</sup> grade coach, Rickie Dolliver as Rising Stars coach and Bobby Moroney as 1<sup>st</sup> Grade Women's coach. There was a great deal of excitement about the season and the players were eager to get started.

With smoke still lingering in the air, early training sessions were challenging, but our teams persevered. Then we were faced with our competition being delayed for a number of weeks due to the global pandemic and we all wondered whether we would play at all. Thankfully, with a great deal of hard work and negotiation between the AFL, ACT Government and the Club Presidents we were finally given news of a 10-round season with a three-week finals series.

Training began in small groups of 10, which made team cohesiveness challenging. Added into the mix was mandatory safety protocols to keep the everyone safe. But with the hunger of the footy season driving them, our coaching and support staff worked hard to make sure our players could continue to prepare for the season ahead.

As Round 1 rapidly approached, there was another setback with COVID restrictions in the ACT not being relaxed to allow competition to commence as planned. Thankfully, Queanbeyan Tigers offered to host Round 1 (that was scheduled to be played at the Nest) at Allinsure Sports Ground and our season was alive again!

Weather and COVID presented challenges for the Club throughout the season, with Round 6 washed out due to heavy rain. The enthusiasm of our community continued and we soldiered

on through changing restrictions to host the final three rounds of footy at our much-loved Nest.

Our 1st grade men debuted 15 players across with season, with some promising Juniors taking regular spots in the side. Once again, injury caused some instability in the group, but given the depth of talent in our Club we were able to continue to compete at a high standard, going down in the preliminary final against a very strong Queanbeyan outfit who went on to win the competition.

Our 2<sup>nd</sup> grade men continued to build on their team cohesiveness and skills whilst also supporting our 1<sup>st</sup> grade side, training together as a senior squad across the year. They were the team to beat across the year with their skills, determination and teamwork ending the home and away season undefeated. A small hurdle in the semi-final gave the boys the hunger and drive to manage their discipline and deliver ultimate success with a wonderful spine-tingling win against Ainslie in the Grand Final, fighting up until the final siren.

The Rising Stars were a young squad this season, led by a handful of older and more experienced players. They were unlucky to miss out of finals footy, but showed some promising form for Season 2021.

This year we had such strong numbers that we were able to field two community teams in the 3<sup>rd</sup> and 4<sup>th</sup> grade competitions. Injury across the Club caused some headaches with selection, but our 3<sup>rd</sup> and 4<sup>th</sup> grade squad fought hard across a somewhat disjointed season, with byes and washout rounds. Brendan Trevaskis, with the assistance of Drew Somerville has built a fantastic sense of community among the players and we hope that this will continue to grow.

Our 2<sup>nd</sup> grade women, similar to the 3<sup>rd</sup> and 4<sup>th</sup>

# Senior Football Co-ordinator's Report cont.

grade teams had a disjointed season but worked hard every week at training and on game day. Our 2<sup>nd</sup> grade women also supported our 1<sup>st</sup> grade women and volunteered with other teams across the season. There was a great deal of laughter and fun and exciting footy had by all.

With a disjointed start to the season, our 1<sup>st</sup> grade women were determined to achieve great things this season. Our two women's sides trained three nights a week early in the season to build on their skills and fitness. Across the season our women stumbled against Queanbeyan, but still managed to come out of the home and away season with the double chance. Going down to Queanbeyan in the semi-final only made them more determined and went into the Grand Final with great excitement about the challenge ahead. Our women looked strong from the centre bounce and for the first time in recent history beat Queanbeyan to hoist the premiership cup for BMFC. A truly wonderful way to end the 2020 season.

For a year that was so disjointed and challenging our players, coaches, support staff and volunteers provided an unforgettable football year.

A massive thank you to our valuable and loyal sponsors who continued to support our great Club despite not being able to support our teams in person at games. Our hard-working Board should also be given a huge thank you for their tireless efforts to provide such a fantastic Club atmosphere for our players.

See you all in 2021!

# 1st Grade Report

**Coach - Brock Weston**  
**Manager - William McInnes**

2020 will be remembered by all as the year humanity was challenged mentally, physically and emotionally. So much has been said about the impact of Covid-19 and locally we are all too familiar with the suffocating effect of the summer bushfires and the challenges they posed.

My appointment in October was an extremely proud moment personally and I very much looked forward to continuing to build on the platform created by my predecessors.

Preseason was very positive from a numbers perspective as we saw 71 players train across a four week block. The bushfires then took hold, forcing us to improvise and adapt with many sessions forced indoors. It became evident that the impact on our group could linger so we began to plan some catch up sessions to ensure we wouldn't be behind the 8 ball come March. After a solid intra club hit out which provided the coaching staff with a positive outlook we hit another snag. Unfortunately no one could predict the impact of the Covid 19 epidemic and the subsequent lock down.

This period would prove difficult to navigate for many reasons. The unknown was frustrating and whilst we were less impacted from a social aspect compared to other states, it was definitely a challenge to keep the group in contact and keep all players engaged and positive about a return to the field. The green light to return to some form of training was greeted with enthusiasm as our squad started to train in pairs, then groups of eight. Our leaders took the reigns and worked through a program developed by Slats, with most players logging their runs on Strava, which created some healthy competition.

As many leagues across the country pulled the pin on the 2020 season, it became evident that there was an abundance of quality players looking for a club. The obvious temptation was to open our doors and add some quality to our squad but there was going to have to be a balance between recruiting and development, a balance that I believed we nailed as a club. This large pool of players without a home saw us net quality players Mitch Maguire, Nick Eynaud and Josh Buchanan, all of whom fitted in seamlessly adding value on and off the field. The addition of these quality players helped to offset the impact of the loss of players through the off season. The departure list was significant with the likes of Jack Harper, Chris York, Jeff

Dowdell, Sam Fisher, Taz Fitzgerald-Holmes, Rhys Hartwig and Beau Walker, to name a few.

The announcement of a 10 games plus finals season was a welcome one and although we had an interrupted preseason we felt we were primed and ready to go. With individual match reports available in the newsletter some of the highlights of the season were: 16 players making their senior debut for the club, including 7 local juniors, finishing the season third with six wins and three losses (one washout), Biggest win 109 points against Gungahlin.

A pleasing aspect of the 2020 season was the rise of our junior players. Thomas Simpson, Mackinley Miller, John Rees and Max Monaghan, in his second full season, took incredible strides in their development and filled important roles in the team throughout the season. Seb Quirk and Brendan Egan were welcomed into the Belconnen family from Marist and had an immediate impact, hopefully paving the way for their school mates in future seasons.

Success can be measured in many ways and although we didn't achieve the ultimate goal in a first grade premiership we did however successfully navigate a very difficult season. As a club we came away with a reserve grade and first grade women's premierships which were both outstanding achievements by the respective coaches and playing groups. Now that the dust has settled I can go away from the 2020 season with a sense of pride and an overwhelming sense of accomplishment. My priorities for the season were to blood youth, create an enjoyable environment that the players want to come back to and to win.

We ticked 2 out of 3 boxes.

# Women's 1st Grade Report

**Coach - Bobby Moroney**  
**Manager - Kylie McKay**

Who said that 2020 was a bad year?! After the most disjointed and uncertain year ever, our Women's First Grade team found a way to overcome every obstacle put before them. Whether it was an inability to train at all, the unfortunate possibility of a cancelled season, restricted to training in groups of 10, not having a football oval available due to flooded grounds, or playing a side that had only lost once in its previous 25 games dating back to 2018; we were ultimately crowned the AFL Canberra UNSW Senior Women's 2020 Premiers!

Despite the occasional smoky skies, our preseason started off extremely well. We regularly had 30-40 players at training, and there was always a positive vibe about the upcoming season. With a new coaching group, the early focus was to ensure that the playing group were prepared to challenge themselves and be willing to get outside of their comfort zones, while the coaches needed to understand what the players wanted out of their football and work towards building an environment that everyone genuinely wanted to be a part of.

From a game perspective, we made some changes in the way that we wanted to transition the football from defence into attack, and raised the expectation that players can't settle with performing one act well. Instead, they needed to provide multiple efforts (offensively and defensively) in order to move the football. It was also highlighted very early that in order to get the most out of ourselves (coaches and players), we all needed to have a goal – individually and collectively. This goal would ensure that we maintained focus regardless of what happened in the future. To assist with this, I shared a quote with our squad that became our motivation for the entire season; "To achieve something you

never had, you need to do something you have never done". Little did we know that there was going to be many instances where we needed to do something we had never done. Thanks COVID-19!

When we were finally able to return following the initial COVID-19 restrictions, it was important to me that we worked as a complete Women's squad in the lead up to the season finally starting. I always felt that we needed everyone's involvement in order to build a strong bond within the group and to have a clear understanding of the style of football we wanted to play. Having a mix of First Grade and Second Grade players training in small groups would also help when the opportunity arrived for someone to step into the First Grade team.

With a shortened season, it was always going to be crucial to get off to a good start and despite a loss in Round 4 to Queanbeyan in torrential rain, we would hit the half way point of the season with a 4-1 record. It was stressed regularly that the score, regardless of result, wasn't important. We couldn't control the result once the game was over, but we could control what we learnt from the game and how we improved from week to week. We took this same approach after every game and it certainly shaped how much we improved throughout the second half of our season.

The run to the finals started really well. Two convincing wins brought us back up against Queanbeyan again. Unfortunately that was our worst game all year. Scoreless across three quarters, and a 12 goal loss with only two weeks before the finals. We could very easily have sat back and thought that 2020 just wasn't going to be our year, but we definitely thrived at overcoming challenges this year. After the Queanbeyan game, we picked ourselves up, dusted ourselves off, reviewed, reset and finished the home and away season with a big win over Eastlake to secure second place on the ladder.

# Women's 1st Grade Report cont.

Ahead of the finals we remained positive and felt that we had the structure in place to complement an extremely talented and confident group. We just needed to put four quarters together. In the Semi Final we allowed Queanbeyan to control the play too much in the first half and played without the freedom and confidence from the previous week. Despite a better finish to the game it ultimately would be the third time we lost to them this year. The Preliminary Final against Eastlake was a lot better with our girls playing to their strengths. An outstanding four-quarter effort proved what we were capable of when we kept to our structures, trusted each other, and played without fear of failure. Following our win, there was a distinct resolve within the group that despite three losses already to Queanbeyan we still felt that our best football would challenge them and give us a huge chance at celebrating 20 years of BMFC Women's Football in the best way possible.

Timing is everything in football, and as long as you play your best game in the last game, amazing things will happen. Four perfect quarters, pressure at every contest, and a commitment to never stop running until the end is what we delivered. There was not a single second that we felt unable to achieve our goal. It was a Grand Final performance that will be forever remembered and undoubtedly inspire many juniors to wear the black, white and teal.

A huge congratulations to Emily Pease who was selected by the GWS Giants at pick 29 in the 2020 AFL Women's draft. Peasey is an outstanding talent who loves to be challenged. She's strong on both sides of her body, can play in defence or attack, and we can't wait to see her debut in 2021.

Thank you to Jo Foster and Shelby O'Neale who were our assistant coaches this year, but also to Alex Thompson and Chloe Pellow for

getting my messages out to the girls. We were lucky to have Dave Pease capturing every big moment and Paul Gunn for his time keeping. I also want to highlight Kylie McKay for her continued support of the girls as our Manager. A lasting memory will be the joy on Kylie's face when we knew the girl's had won the Grand Final.

I would also like to acknowledge some individual achievements:

Claire Russell – 50 games

Victoria Thompson – 50 games

Hannah Wallett – 2<sup>nd</sup> in league goal kicking (37 goals)

Ally Morphett – 2<sup>nd</sup> in Bainrot Medal (B&F AFL Canberra Women's First Grade)

Ally Morphett – Grand Final Best on Ground

I'm extremely honoured to have been offered the opportunity to work with such a talented, committed and fun group of footballers. I'm so proud of what we have achieved, and know that this is only the beginning. The 2020 season was great, but 2021 is going to be even better. Go Pies!

The 2020 season will certainly be one to remember for our squad but also the BMFC community more broadly. As we know, the opportunity to win a premiership does not come around every day and what we were able to achieve as a team and club on Grand Final day was truly special.

After an extended pre-season due to the competition being pushed back, we finished the home and away season undefeated and on top of the ladder. With several new faces joining the club or progressing from the U18s the depth this year was as strong as the club has seen in some time. The reserves team fielded a whopping 54 players throughout the season all of whom were able to contribute to the overall success of the year. Congratulations to everyone who made their 2<sup>nd</sup> grade debut this season.

Whilst the season finished on an extraordinary high as a team, there were several stand out individual moments throughout the year. Firstly, to Ned Gatenby who early in the season decided to hang up the boots to focus on his coaching and make way for younger developing players. Ned retires holding the games record for 2<sup>nd</sup> grade with 198 games. Ned's been a fantastic role model on and off the field for many years and is a great example of someone who exemplifies the Belconnen behaviours and values. With Ned finishing up, the opening market for the 2km time trial is now wide open. Congratulations on a terrific career Ned and thank you for teaching myself and other younger members of the club the Belconnen way.

Additionally, congratulations must go to Brad Posch who chalked up his 100<sup>th</sup> 2<sup>nd</sup> grade game this season. Posch has been a fantastic servant of the club on and off the field from captaining his u18s side to a premiership in his early days to now sitting on the club's board. Posch has been a solid contributor throughout his 2<sup>nd</sup> grade career, often given the job to lock down on the opposition's dangerous small forward. Posch also stepped into an Assistant Coaching role after suffering an injury and was able to provide great insight in the box as well as taking care of the backline. Thanks for all your help and support Posch!

Moving onto big brother Dan Posch, who had another terrific individual season taking out the league's leading goal kicker and best & fairest medals. A wonderful personal achievement and recognition for all your hard work. Whilst Poschy was able to often kick numerous goals and provide a strong target up forward, it is his on-field leadership and direction for younger players that will be of most value for the club moving into the future. Well done on a great year Poschy, we look forward to seeing you back out on the field again next year.

As for the season, we had a combination of tough, grinding wins and overwhelmingly convincing wins. The close, tough wins really helped set us up and fill the side with confidence heading into finals. It was really pleasing that throughout the year different players were able to step up when it counted and really put a solid team performance together. Our backline were outstanding all season, only letting in roughly 200 points from 12 games (compared to our 800+). As a result of our backline's leadership and calmness under pressure, our generals Sam Cooper, Charles Miller and Tynan Doyle were able to intercept and defend, allowing the likes of Ozzy Smyth, Angus Collins, Michael McQueen and Paddy Horan to rebound with speed and penetration. The backline's never die attitude, led by the fearless Joey Kenna really rubs off onto the rest of the team and was often the deciding factor in close games.

Our forward line was a good mix of new and experienced players. Dan Posch, Benson Ochieng and Sam Young consistently provided strong targets in the forward 50 and were rarely beaten in the air. Their ability to consistently compete and bring the ball to ground bought players like Nic Hay and Jacob Taylor into the game, who both had fantastic seasons. CJ and Moons were able to provide a high lead up target for the midfield but also able to apply the necessary pressure closer to goal to cause the opposition to turn over the ball.

Finally, our midfield led by Captain Ryan Bradley and experienced head Djali Bloomfield (who also stepped up to captain the side for several weeks) provided the club's future stars with fantastic development opportunities. The likes of John Rees,

## 2nd Grade Report cont.

Brendan Egan and Fraser Miller all played significant roles through the midfield and all had breakout seasons at senior level. Zac Lindsay also took his game to the next level, playing with confidence and taking the game on. Our ability to win the ruck and give our mids first use was a real strength of ours this year, kudos to Tom Fekete and Hamish Healy. Our midfield's capability to be first to the ball and take the simple first option gave us a predictability and simplicity to move the ball with pace. Luke McGilvray's speed around the contest was such an advantage in tight and sluggish games, his ability to break the line and deliver the footy to outside runners is terrific.

Another fantastic positive this season was the opportunity to reward strong performances in the 2s with games in 1<sup>st</sup> grade, we had 16 debutants in 1<sup>st</sup> grade which were all special moments for the individual and the club. We're in a great position as a club when experienced players can put aside their disappointment of not playing at the highest level and take the opportunity to really invest in the development of younger up and coming players in the 2s. In the end our Grand Final team's average age was below 24.

As much as the players deserve recognition for a fantastic year a big thank you must go to all of our volunteers who helped out throughout the season. Without your dedication and time, we as players and coaches would not be able to do what we do. A special few thank yous – firstly to Emma Simpson, for the amazing job you do taking care of the club's administration but also all of the little extra things that go unnoticed to most. Your dedication and support have been an amazing help to me this season and I can't thank you enough. To Dirty Bird, for being our manager first and foremost but again, for all the little things you do that adds up to make the players and coaches job much easier on game day and training. To Pete Dunn, for all the behind the scenes work you do to prepare for training and game day are muchly appreciated, on a personal note for always making sure I was right to go and had everything I needed to do my job. To Scotto, Glenno and the board for allowing me to take on the role as Coach. You were probably a little unsure of how it would go but I appreciate you taking a chance on me and being a constant channel of support. To Captain Chip Bradley for the way you

led the side and drove high standards on and off the field, but also the support you gave the coaches and I. Who would've thought when we were 8 years old watching 1<sup>st</sup> grade at Manuka each weekend that we'd share a season like this 18 years later? Pretty cool!

Lastly to my Assistant Coach Trent Hopkinson, your dedication to the role and support you gave the team and I throughout the year were exceptional. The club (and I) are lucky to have someone around with your calibre of knowledge, experience and personality.

I hope everyone enjoys their off-season, sharing stories and memories of a great season over some well-deserved beverages. I look forward to seeing everybody take the next steps in their progression and hopefully having another successful and enjoyable season in 2021.

Take care.

Our season started with a real wake up call on Wednesday 22<sup>nd</sup> July against Marist under lights at Gungahlin Enclosed Oval. Marist were all over us 6.2 to 1 goal in the 1<sup>st</sup> quarter and we never recovered losing to a very well drilled team 12.13.85 to 3.5.23 leaving us with a lot of work to do. Our 2 best players of the day were our 2 youngest, James White and Zac Smith.

Week 2 saw us bounce back against much weaker opposition. Our goal kicking was poor but we played much better team footy with the final scores being 8.19.67 to 1 behind. The following week we played Tuggeranong at Greenway and played well again winning 2 in a row 92 to 12 and things were going okay. Tom Itter kicked 3 as did Ryan Murphy and Jade Schumacher kicked 2 in a great debut. Queanbeyan gave us a touch up in the wet at their home ground and we were found wanting against a very physical Tigers outfit. We then had 2 weeks off due to a bye and a washed-out game, this didn't help as our ground was closed so training was very difficult.

We then played what I thought was our best game of the year against a strong Ainslie team. We had one more scoring shot, played the best footy for 3 quarters only to have injury take its toll in the final quarter to go down by 14 points after being 3 points up at ¾ time. This in my opinion was our BEST team performance. Our good form continued the following week thrashing Tuggeranong by 90 points 16.11.107 to 2.5.17 with Harry Ryan-Baker, Tom McGuinness and Saxon Heins kicking 3 goals each in a pretty dominant display of football.

The following week saw Queanbeyan beat us by 29 points to effectively put us out of the finals race. Mitch Fitzpatrick was our best in another great captains' performance with Jordan Jones playing his best game for the year. In our final game against Eastlake we went down to a pretty strong Demons combination 79 to 48 with Mitch Fitzpatrick and Zac Smith in our best with Jack Read and Joey Walker also playing well.

Overall, we had an up and down season winning the games we were expected to win but being 4 to 5

goals off the best teams.

From the 30 odd players we used in 2020, 24 of them can play again next season giving us a solid base to work with. James White and Zac Smith performed well in their first season in this age group and I'm sure we can unearth some more young men to push for senior selection.

Congratulations to Thomas Simpson, Mackinley Miller, John Rees and Max Monaghan who were all eligible to play 18's but played in the 1<sup>st</sup> and 2<sup>nd</sup> grades all year. Also, to Mitch Fitzpatrick, Tom McGuinness, Jack White and Brady von Z who had a taste of 2's footy.

Thank you to the following people, the players for their input during what was a difficult season, Jason Kidney, our team manager for all his efforts throughout the year, Craig Itter for doing all of the filming and stats of our games and for his input in general, Alex Wenke for his help both as a line coach and runner along with Daryl Read who filled a similar role, Julie Cook and the rest of the medical staff that helped out during the year and to my wife Shelley who puts up with a fair bit during the year and finally to Emma Simpson for all of her help during the course of the season.

**Manager - Brendan Trevaskis**

There were some highs and lows on and off the field this year for the team and Club in general. Firstly I would like to congratulate Bobby and Lachie and their teams on winning their grade finals. This was a great achievement considering the circumstances this year. Well done to Brock, on getting his team into the finals also.

Pre-season started off at the end of January, with Joey Cormick running our fitness training. By the end of the first six weeks, Joey had the teams fitter than ever and ready to play footy. After that, Covid-19 struck the world and put everything on hold including our footy season. This was a very tough time for everyone as you couldn't do any training in groups, so it was up to the individual to do their own training. Once training resumed it was still very difficult due to the limited numbers on the training ground, but we got through it as a team.

Due to covid 19, a number of the other football codes decided to cancel their season, this meant we gained a few converts from the other codes (great to have them on board and quite valuable players to our team). Plus due to last year's player numbers, success of the team winning the grand final in the Reginal competition and good numbers in first and second grade, we were able to put a 3<sup>rd</sup> & 4<sup>th</sup> grade team together in community competition this year. So that we wouldn't change the dynamics of the Coaches too much, Drew Sommerville and I decided to coach both teams jointly. Drew is a little bit younger than me but we have the same ideas about coaching and coaching techniques, which made it an easy decision to share the coaching this year.

Due to Covid-19 the season was reduced to nine round season. Within that nine rounds we had two byes and one of the weekends washed out due to rain, so a very short season.

Game one was at Adero Law Nest against Woden Blues, once again the season didn't get off to the start we would have liked with a very convincing win to the Woden Blues. Woden had control of the game for most of the game. We had a couple of glimpses of the type of footy that we are capable of playing, but not enough.

Game two was back at the Adero Law Nest against Eastlake Demons. This game was more like how we can play footy, with a 70 point win to us. One of the highlights in this game was Hamish Warden kicking 8 goals. This win was a great effort from everyone involved.

Game three was our last game on the Adero Law Nest against ANU Griffins. This game was played in torrential rain from the first bounce to the final whistle. We ended up going down in this game but it wasn't from the lack of trying. Great effort considering the conditions.

Game Four was played on the outside ground at Kippax, our last home match for the season. It was Ainslie Tricolours. This was a very close game at the end. At the end of the third quarter we were down by 24 points, with a 4.6 in the last quarter to us and Ainslie's 1.2 saw us go down by 2 points. A great last quarter but you can't just play one quarter of footy and expect to win.

Game five was against the team we beat in last year's grand final, Cootamundra. The playing surface we had to play on that day was very uneven, I didn't think the game would go head as it was very unsafe. This was a game that the Wenke boys would like to forget. Aidan Wenke got tackled in the first quarter and was thrown into the boundary fence. This knocked Aidan out and an ambulance was called due to a possible neck injury. As Aidan was off the ground and being assisted by a couple of lovely lady's from the Cootamundra crowd, the game was able to go on. As I was talking to Aiden's father (Michael) to inform he on what was going on with Aidan, Alex Wenke came off the ground with a shoulder injury. So I informed Michael at the same time that Alex had broken his collarbone. So both boys went off to hospital to get checked out. Aidan was cleared of any major injury and Alex had surgery on this collarbone later that week. Losing the two Wenke boys early in the game made the rotation very hard. In the end we went down by 29 points in a hard fought game.

Game six was against Googong Hogs, due to the number of injuries in second grade we struggled to field a team. A number of players had to double up from fourth grade, which meant that we would have had a lot of run in our legs already. This showed in the final score, with us losing by 38 points.

# 3rd Grade Report cont.

In summary, we knew this would be a difficult year as we were fielding two teams in the Community competition. Building back up to two teams was always going to be tight each week with player numbers. 1st & 2nd grades this year had a number of injuries which filters back down to us not getting the numbers back to support us. So to the teams credit they fought hard each week to be competitive, with players changing each week it made it hard to get some consistency in the group. If we can keep this young playing group together as well on building on more players next year the Community competition will be very strong for the club in the future.

## Special thanks:

**Maggie Football Club:** Thanks for your support and for giving me the opportunity to coach this team of a fantastic group of men for the third and final year. The last three years we have had some ups and downs as a group. I have some great memories and have made some great mates over the last three years. As I'm a little older than all the playing group, I considered them all to be my sons and would do anything for them as they are all a great group of young men. Whoever takes over coaching the Community team for the Magpies in the future, I hope they get as much enjoyment out of coaching as I have.

**Drew Somerville Fourth grade Coach:** Thanks for all of your support over the last couple of years. Having someone with great passion for football is great and being able to bounce ideas off makes my job as a coach a lot easier. I hope you will be able to stick around next year and help out in whatever capacity, whether its coaching, playing or an assistant.

**Emma Simpson:** Thank you very much for your time and patience this year. Doing your senior club roll and still doing your junior club roll shows how much passion you have for this club. Moving into your new job and Covid 19 didn't make this year any easier. Keep doing what you do best and that's loving this club.

**Trainers:** Without these people we might not have been able to field a team week in week out. Having to travel as well made it a little harder this year, so thank you for all your hard work.

## Game day Volunteers:

Players who helped out with umpiring and Jason Kidney who is always happy to help out. Gunnie is always happy to put his hand up to help

when he could.

Amber Allen & Brent Perry for doing the managing rolls

Without volunteers this great game of ours would not be possible, so thank you for all your time and effort.

My biggest thanks goes out to my playing group for sticking by me through another tough year. Going from one team last year to building two teams and stepping up to the next level, was always going to be difficult. A number of players were playing two games each week so we could field the two teams, so thank you for a great effort. I would like to thank my leadership group, this group of young men have a great future ahead of them, whether on the football field or in life generally. Hope you all can make it back next year and keep building this great team.

Over the last three years of coaching the Community football teams I have had 180 players under me. From my first training season back in 2018 where we got 10 at training to this year where we had around 40 at training sessions, this has been a great achievement from the playing group.

I would like to thank **everyone** that has made this journey with me possible. We went through the highest of highs to the lowest of lows. It has made us who we are today a football family. Last but not least I would like to thank my 5 children (Jack, Lachlan, Matilda, Todd & Grace) and my partner (Melissa) for all of your support throughout the year. Without you all by my side this year would not have been possible.

What a year that was 2020. It's not one we'll forget anytime soon. To start the season with multiple pre-season camps was always going to be an uphill battle!

Men's Fourth Grade is very appreciative of everyone who was able to help out week to week from those who were able to throw on a pair of boots, to the goal and field umpires, to the fill in coaches and to club managers attempting to locate a pair of socks or shorts that someone manages to forget every week without failure.

Thankfully the Men's fourth grade were extremely lucky that other codes were unable to put a season of sport together and were gifted some special individual talents like Jacob Bink, Kutis Robinson, Owen Rabak, Brendan Dwight and a myriad of other gentleman that were able to fulfill key roles throughout a trying season riddled with false starts, pandemics and random acts of mother nature. I really hope everyone does their best in attempting to convince these blokes to hang around for another year and add to the start of their already stella seasons, well done Gents.

We were able to unearth a few hidden gems within the code-hopping community but we also found a local talent from the junior ranks in Johannes Conlan. Thrusted into the ruck as one of the only players over 6 feet, Johannes was able to shoulder much of the ruck duties during the shortened season.

Our overall season was always going to be a hard slog. A newly constructed team that had no experience playing alongside one another was always going to be challenging. We were able to field a full side most weeks with a core group of 7 players to run out to play every time we fielded a fourth-grade team with a total of 58 players rotated throughout. With such a high turnover and more than 20 players starring in '1 show only' routine, we did well to

manage to stay in a few games.

Even though the season win/loss column wasn't everything that we'd hoped for, at no stage throughout the year did we have less guys turn up to training or get disheartened. This was exemplary to see a bunch of blokes just keen to have a kick each week, talk smack and remain positive through what was a season like no other. I promise there will be more showers and beers present post games next year boys.

I would especially like to thank Stan Trevaskis for everything he does in and around the club. This man is the heart and soul of what is Belconnen Magpies Community grade football. This has come a great personal sacrifice to Stan and has done it with very little guidance or outside influence. Hopefully you can rest a bit easier on a Friday night now mate. I'm sure whatever your next role may be, you will take your love and passion for the game into it and spread your positive message throughout.

It was a strange year this year with COVID and byes and team dropouts in the end we played 6 games winning 3 comfortably and losing 3 narrowly.

We again had an influx of new players and personalities with great numbers all year. Even though we only played 6 games our improvement each week was exceptional and if we can get all the ladies to return next year I believe we will be a very difficult side to beat. I think our best game came a week after we kicked 4 goals 20 behinds in a dominate display against Ainslie we lined up against a very determined Tuggeranong and played with poise and heart and learnt from our previous weeks poor goal shooting to score our highest total and our most accurate kicking for the season.

As always with community football we rely on our Magpies army of support to make the season possible especially this year so thank you everyone that gave their time to our team to make our season a reality. To all the ladies that turned up week in week out and gave their best all the time I thank you for your efforts and it has been a pleasure to be your coach.

The Club was saddened to learn of the passing of former General Manager Garry Davidson.

Garry was an important member of our football family from 2007 to 2010. His contribution will not be forgotten, with his work on the planning for the Kippax oval redevelopment and the 2009 First Grade Premierships highlights of his time at BMFC.

Garry's professionalism, honesty and commitment to excellence will be fondly remembered.

We wish Carla and Garry's family and friends all the best at this time.

### 2nd Grade (From 2007 - Evan Hourigan Memorial Trophy)

Evan was a junior for BFC. He played U19s for BMFC, and was part of the 1989 U19 Premiership team. Between 1991 and 1994, he played for both 1st and 2nd grade (including the 1991 Reserve Grade Premiership and won the Reserve Grade B & F) before leaving to join the Victorian Police Force. In 2006, whilst training for a long distance triathlon event, he was struck down mysteriously and died during the run leg. He was 34 years of age.

## Most Consistent Senior Grade Player

### (Robert 'Andy' Anderson Memorial Perpetual Trophy)

Andy was the Senior Trainer with Turner and Belconnen for 31 years until his death in July 1994. He was made a Life Member in 1984. Andy was much-loved across the several generations of players who valued his professional skills as well as his warm friendship and his gentle care and concern for each person.

# Club Matches

Players who have over the years achieved 100 games in 1st Grade, 2nd Grade, 3rd Grade, 4th Grade or Women's are awarded a pewter. The pewter is struck at the end of the season in which a player reaches the milestone, and is presented to him or her at the annual 100 Game Dinner. Belconnen tradition demands that members of the 100 Club gather at the function, ceremoniously open the cabinet where the pewters are kept, and drink a toast to welcome the newcomers. In 2020, there were no current player inductees.
